Dana Greene

History Comes Alive M. J. Rymza-Pawlowska, 2017-10-03 During the 1976 Bicentennial celebration, millions of Americans engaged with the past in brand-new ways. They became absorbed by historical miniseries like *Roots*, visited museums with new exhibits that immersed them in the past, propelled works of historical fiction onto the bestseller list, and participated in living history events across the nation. While many of these activities were sparked by the Bicentennial, M. J. Rymza-Pawlowska shows that, in fact, they were symptomatic of a fundamental shift in Americans' relationship to history during the 1960s and 1970s. For the majority of the twentieth century, Americans thought of the past as foundational to, but separate from, the present, and they learned and thought about history in informational terms. But Rymza-Pawlowska argues that the popular culture of the 1970s reflected an emerging desire to engage and enact the past on a more emotional level: to consider the feelings and motivations of historic individuals and, most importantly, to use this in reevaluating both the past and the present. This thought-provoking book charts the era's shifting feeling for history, and explores how it serves as a foundation for the experience and practice of history making today.

Living Detroit Brandon M. Ward, 2021-11-03 In *Living Detroit*, Brandon M. Ward argues that environmentalism in postwar Detroit responded to anxieties over the urban crisis, deindustrialization, and the fate of the city. Tying the diverse stories of environmental activism and politics together is the shared assumption environmental activism could improve their quality of life. Detroit, Michigan, was once the capital of industrial prosperity and the beacon of the American Dream. It has since endured decades of deindustrialization, population loss, and physical decay – in short, it has become the poster child for the urban crisis. This is not a place in which one would expect to discover a history of vibrant expressions of environmentalism; however, in the post-World War II era, while suburban, middle-class homeowners organized into a potent force to protect the natural settings of their communities, in the working-class industrial cities and in the inner city, Detroiters were equally driven by the impulse to conserve their neighborhoods and create a more livable city, pushing back against the forces of deindustrialization and urban crisis. *Living Detroit* juxtaposes two vibrant and growing fields of American history which often talk past each other: environmentalism and the urban crisis. By putting the two subjects into conversation, we gain a richer understanding of the development of environmental activism and politics after World War II and its relationship to the crisis of America's cities. This book will be of great interest to students and scholars in environmental, urban, and labor history.

People Must Live by Work Steven Attewell, 2018-07-19 In *People Must Live by Work*, Steven Attewell presents the history of an idea—direct job creation—that transformed the role of government in ameliorating unemployment by hiring the unemployed en masse to prevent widespread destitution in economic crises. For ten years, between 1933 and 1943, direct job creation was put into practice, employing more than eight million Americans and making the federal government the largest single employer in the country. Yet in 2008, when the most dramatic economic crisis since the Depression occurred, the idea of direct job creation was nowhere to be found on the list of policies deemed feasible or advisable for government at any level. *People Must Live by Work* traces the rise and fall of direct job creation policy—how it was put into practice, how it came within a hairbreadth of becoming a permanent feature of American economic and social administration, and why it has been largely forgotten or discounted today. Contrary to more conventional arguments, Attewell reveals that the New Deal ended the Great Depression before the United States entered World War II and its jobs programs continued to influence policy debates over the Employment Act of 1946. He examines the deliberations surrounding the Humphrey-Hawkins Full Employment Act that was signed into law in 1978 and demonstrates the ways in which direct job creation played a significant and polarizing role in dividing the economic establishment and the Democratic party in the 1970s. *People Must Live by Work* not only chronicles the ambition, constraints, and achievements of direct job creation policy in the past but also proposes a framework for understanding its enduring significance and promise for today.

A Conspiracy of Indifference Alan Gersten,2001 Inside the National Archives in Washington are two large gray boxes holding 21 folders containing one damaging fact: For half a century, America abandoned Raoul Wallenberg, a hero of the Holocaust. These boxes and folders contain 1,500 documents from the Central Intelligence Agency--which reveal that, through its inaction and subversion, the U.S. government let Wallenberg languish in the camps of silence, known as the Gulag Archipelago. These documents, released in 1994, show that America, which sent Wallenberg on one of World War II's most hazardous missions, betrayed this man who achieved the unachievable to rescue 100,000 Jews. A joint Swedish-Russian group--after more than nine years of study--released two reports on January 12, 2001. The Russian version said Wallenberg was killed in 1947, but the Swedish version raised many theories and came to no conclusions. A lot of this material was covered in the CIA files. During his years of imprisonment, many have tried and all have failed to free Wallenberg. His family made impassioned pleas to the highest levels of American government, only to be ignored five times. All attempts to free Wallenberg, perpetually bungled, included proposed spy swaps and a legal effort that initially won, but ultimately lost an unusual lawsuit against the Soviet Union. Through the prism of contemporary interviews along with the CIA documents as well as examination of 500 State Department documents in Washington and another 500 at the Franklin D. Roosevelt Library in Hyde Park, New York, as well as the Swedish and Russian reports, one sees new details and insights into a basic conflict. All the new information provides the backbone of a book, the first to specify American culpability in deserting Raoul Wallenberg.

Wartime Living Folder,1942

Living the Dream Daniel T. Fleming,2022-03-11 *Living the Dream* tells the history behind the establishment of Martin Luther King Jr. Day and the battle over King's legacy that continued through the decades that followed. Creating the first national holiday to honor an African American was a formidable achievement and an act of resistance against conservative and segregationist opposition. Congressional efforts to commemorate King began shortly after his assassination. The ensuing political battles slowed the progress of granting him a namesake holiday and crucially defined how his legacy would be received. Though Coretta Scott King's mission to honor her husband's commitment to nonviolence was upheld, conservative politicians sought to use the holiday to advance a whitewashed, nationalistic, and even reactionary vision of King's life and thought. This book reveals the lengths that activists had to go to elevate an African American man to the pantheon of national heroes, how conservatives took advantage of the commemoration to bend the arc of King's legacy toward something he never would have expected, and how grassroots causes, unions, and antiwar demonstrators continued to try to claim this sanctified day as their own.

Raising the Dead Adam Charles Hart,2024 *Raising the Dead* dives into the expansive, extraordinary body of work found in Romero's archive, going beyond his iconic zombie movies into a deep and varied trove of work that never made it to the big screen. Based on years of archival research, the book moves between unfilmed scripts and familiar classics, showing the remarkable scope and range of Romero's interests and the full extent of his genius. *Raising the Dead* is a testament to an extraordinarily productive and inventive artist who never let the restrictions of the film industry limit his imagination.

Postcolonial Conflict and the Question of Genocide A. Beyond Norma Rae Aimee Loiselle,2023-11-14 In the late 1970s, Hollywood producers took the published biography of Crystal Lee Sutton, a white southern textile worker, and transformed it into a blockbuster 1979 film, *Norma Rae*, featuring Sally Field in the title role. This fascinating book reveals how the film and the popular icon it created each worked to efface the labor history that formed the foundation of the film's story. Drawing on an impressive range of sources—union records, industry reports, film scripts, and oral histories—Aimee Loiselle's cutting-edge scholarship shows how gender, race, culture, film, and mythology have reconfigured and often undermined the history of the American working class and its labor activism. While *Norma Rae* constructed a powerful image of individual defiance by a white working-class woman, Loiselle demonstrates that female industrial workers across the country and from diverse racial backgrounds understood the significance of cultural representation and fought to tell their own stories. Loiselle painstakingly reconstructs the underlying histories of working women in this era and makes clear that cultural depictions must be understood as the complicated creations they are.

Denise Levertov Dana Greene,2012-09-14 Levertov was the quintessential romantic. She wanted to live vividly, intensely, passionately, and on a grand scale. Once she acclimated herself to America, the dreamy lyric poetry of her early years gave way to the joy and wonder of ordinary life. By the late 1960s and early 1970s, however, her poems began to engage the issues of her times. The crystalline and luminous poetry of her last years stands as final witness to a lifetime of searching for the mystery embedded in life itself. This volume represents the first attempt to set Levertov's poetry within the framework of her often tumultuous life.

The Reading **Mina Loy's Autobiographies** Sandeep Parmar,2013-08-08 Mina Loy is recognised today as one of the most innovative modernist poets, numbering Gertrude Stein, Marcel Duchamp, Djuna Barnes and T.S. Eliot amongst her admirers. Drawing on substantial new archival research, this book challenges the existing critical myth of Loy as a 'modern woman' through an analysis of her unpublished autobiographical prose. Mina Loy's *Autobiographies* explores this major twentieth century writer's ideas about the 'modern' and how they apply to the 'modernist' writer—based on her engagement with twentieth-century avant-garde aesthetics—and charts how Loy herself uniquely defined modernity in her essays on literature and art. Sandeep Parmar here shows how, ultimately, Loy's autobiographies extend the modernist project by rejecting earlier impressions of avant-garde futurity and newness in favour of a 'late modernist' aesthetic, one that is more pessimistic, inward and interested in the fragmentary interplay between the past and present.

Professional Android 2 Application Development Reto Meier,2010-11-04 Update to the bestseller now features the latest release of the Android platform Android is a powerful, flexible, open source platform for mobile devices and its popularity is growing at an unprecedented pace. This update to the bestselling first edition dives in to cover the exciting new features of the latest release of the Android mobile platform. Providing in-depth coverage of how to build mobile applications using the next major release of the Android SDK, this invaluable resource takes a hands-on approach to

discussing Android with a series of projects, each of which introduces a new feature and highlights techniques and best practices to get the most out of Android. The Android SDK is a powerful, flexible, open source platform for mobile devices Shares helpful techniques and best practices to maximize the capabilities of Android Explains the possibilities of Android through the use of a series of detailed projects Demonstrates how to create real-world mobile applications for Android phones Includes coverage of the latest version of Android Providing concise and compelling examples, Professional Android Application Development is an updated guide aimed at helping you create mobile applications for mobile devices running the latest version of Android.

Until the Last Man Comes Home Michael J. Allen,2009-09-18 Fewer Americans were captured or missing during the Vietnam War than in any previous major military conflict in U.S. history. Yet despite their small numbers, American POWs inspired an outpouring of concern that slowly eroded support for the war. Michael J. Allen reveals how wartime loss transformed U.S. politics well before, and long after, the war's official end. Throughout the war's last years and in the decades since, Allen argues, the effort to recover lost warriors was as much a means to establish responsibility for their loss as it was a search for answers about their fate. Though millions of Americans and Vietnamese took part in that effort, POW and MIA families and activists dominated it. Insisting that the war was not over until the last man comes home, this small, determined group turned the unprecedented accounting effort against those they blamed for their suffering. Allen demonstrates that POW/MIA activism prolonged the hostility between the United States and Vietnam even as the search for the missing became the basis for closer ties between the two countries in the 1990s. Equally important, he explains, POW/MIA families' disdain for the antiwar left and contempt for federal authority fueled the conservative ascendancy after 1968. Mixing political, cultural, and diplomatic history, *Until the Last Man Comes Home* presents the full and lasting impact of the Vietnam War in ways that are both familiar and surprising.

Played Out on the Strip Janis L. McKay,2016-04-12 From 1940 to 1989, nearly every hotel on the Las Vegas Strip employed a full-time band or orchestra. After the late 1980s, when control of the casinos changed hands from independent owners to corporations, almost all of these musicians found themselves unemployed. *Played Out on the Strip* traces this major shift in the music industry through extensive interviews with former musicians. In 1989, these soon-to-be unemployed musicians went on strike. Janis McKay charts the factors behind this strike, which was precipitated by several corporate hotel owners moving to replace live musicians with synthesizers and taped music, a strategic decision made in order to save money. The results of this transitional period in Las Vegas history were both long-lasting and far-reaching for the entertainment industry. With its numerous oral history interviews and personal perspectives from the era, this book will appeal to readers interested in Las Vegas history, music history, and labor issues.

Live Dead John Brackett,2023-12-08 The Grateful Dead were one of the most successful live acts of the rock era. Performing more than 2,300 shows between 1965 and 1995, the Grateful Dead's reputation as a "live band" was—and continues to be—sustained by thousands of live concert recordings from every era of the group's long and colorful career. In *Live Dead*, musicologist John Brackett examines how live recordings—from the group's official releases to fan-produced tapes, bootlegs to "Betty Boards," and Dick's Picks to *From the Vault*—have shaped the general history and popular mythology of the Grateful Dead for more than fifty years. Drawing on a diverse array of materials and documents contained in the Grateful Dead Archive, *Live Dead* details how live recordings became meaningful among the band and their fans not only as sonic souvenirs of past musical performances but also as expressions of assorted ideals, including notions of "liveness," authenticity, and the power of recorded sound.

Producing Feminism Jennifer S. Clark,2024 The story of the U.S. women's movement and television in the 1970s has been told primarily in two,

often coordinating, ways: through feminist reform efforts that originated outside of the television industry and through feminist impact on on-air representations of women. Producing Feminism augments these accounts by exploring the effects of the women's movement on television production. Centering women who worked in television across a variety of occupations--including writers, producers, clerical staff, researchers, consultants, hosts, actors, and commentators--illustrates the changes they brought to workplace dynamics and protocols and norms of making television. These workers' interventions demonstrate the need to look at work processes and experiential qualities of television workplaces, along with onscreen representations that emerge from these sites of production, to understand more fully how feminism affected television. Research conducted for Producing Feminism features archival research and interviews; these materials reveal feminist influences on television that were not always visible to the public nor manifested onscreen, the conditions of television workplaces and experiences of women working in television, and the myriad strategies women workers used to reform the industry--

Folder Games for Children's Ministry Susan Martins Miller, 2003-07 Wander through a 3-D wilderness, explore Bible friendships, and learn from the experiences of Jonah, Moses, Joseph and more. These easy-prep games are easily stored for future use in file folders. Pull one out when the time is right for your children's ministry.

Pro Android 2 Sayed Hashimi, Satya Komatineni, Dave MacLean, 2010-08-04 Pro Android 2 shows how to build real-world and fun mobile applications using Google's latest Android software development kit. This new edition is updated for Android 2, covering everything from the fundamentals of building applications for embedded devices to advanced concepts such as custom 3D components, OpenGL, and touchscreens including gestures. While other Android development guides simply discuss topics, Pro Android 2 offers the combination of expert insight and real sample applications that work. Discover the design and architecture of the Android SDK through practical examples, and how to build mobile applications using the Android SDK. Explore and use the Android APIs, including those for media and Wi-Fi. Learn about Android 2's integrated local and web search, handwriting gesture UI, Google Translate, and text-to-speech features. Pro Android 2 dives deep, providing you with all the knowledge and techniques you need to build mobile applications ranging from games to Google apps, including add-ons to Google Docs. You'll be able to extend and run the new Google Chrome APIs on the G1, the G2, and other next-generation Google phones and Android-enabled devices.

Alive Folders 11 Introduction

Alive Folders 11 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Alive Folders 11 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Alive Folders 11 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Alive Folders 11 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Alive Folders 11 Offers a diverse range of free eBooks across various genres. Alive Folders 11 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Alive Folders 11 Provides

a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Alive Folders 11, especially related to Alive Folders 11, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Alive Folders 11, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Alive Folders 11 books or magazines might include. Look for these in online stores or libraries. Remember that while Alive Folders 11, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Alive Folders 11 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Alive Folders 11 full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Alive Folders 11 eBooks, including

some popular titles.

FAQs About Alive Folders 11 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Alive Folders 11 is one of the best books in our library for free trial. We provide a copy of Alive Folders 11 in digital format, so the resources that you find are reliable. There are also many eBooks of related with Alive Folders 11. Where to download Alive

Folders 11 online for free? Are you looking for Alive Folders 11 PDF? This is definitely going to save you time and cash in something you should think about. If you're trying to find then search around for online. Without a doubt, there are numerous of these available, and many of them have the freedom. However, without a doubt, you receive whatever you purchase. An alternate way to get ideas is always to check another Alive Folders 11. This method for seeing exactly what may be included and adopting these ideas to your book. This site will almost certainly help you save time and effort, money, and stress. If you are looking for free books, then you really should consider finding to assist you try this. Several of Alive Folders 11 are for sale to free while some are payable. If you aren't sure if the books you would like to download work with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to have free access to an online library for downloading books to your device. You can get free download on a free trial for lots of book categories. Our library is the biggest of these that have literally hundreds of thousands of different product categories represented. You will also see that there are specific sites catered to different product types or categories, brands, or niches related with Alive Folders 11. So depending on what exactly you are searching, you will be able to choose eBooks to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access eBook without any digging. And by having

access to our ebook online or by storing it on your computer, you have convenient answers with Alive Folders 11 To get started finding Alive Folders 11, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Alive Folders 11 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Alive Folders 11. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Alive Folders 11, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Alive Folders 11 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Alive Folders 11 is universally compatible with any devices to read.
