Cars, clothing, collectibles: you name it, and it's likely that you can find on eBay. But along with the vast selection of goods available, buyers and sellers also encounter all the other elements that markets are known for: tricks and swindlers, overpriced goods, deceptive labeling, small print, recycled items marked as new, and the occasional rare priceless find or undiscovered treasure. Seasoned eBay traders know that to successfully buy and sell within this mega-shopping platform, you need to understand the system. Unfortunately, the secrets of the site are often tightly held by other buyers and sellers seeking a competitive edge. But what if you're a newcomer? From the smallest details, such as how to take and post the most effective photos of your goods, to pricing strategies, inventory management, and shipping methods, this user-friendly manual will help you make more money on eBay. Whether you're selling a single item or running fulltime business on the site, you'll find tips to help you do it more effectively. As in any community, problems and disputes arise, and you'll learn how other eBayers resolve such troubles or work around them. *eBay: The Missing Manual* has gems of wisdom for everyone from total novices to more experienced traders.
