Sorry Not Sorry Alyssa Milano,2021-10-26 Alyssa Milano's sharply observed, uproarious, and deeply intimate ode to the life she has lived and the issues that matter most. Alyssa Milano, actress and activist, delivers here a collection of powerful personal essays that get to the heart of her life, career, and all-out humanitarianism. These essays are unvarnished and elegant, funny and heartbreaking, and utterly real. A timely book that shows in almost real time the importance of taking care of others, it also gives a gut-punch-level wake-up call in an era where the noise is a distraction from what really needs to happen, if we want to live in a better world. These are stories of growing up in celebrity, of family and of friends, of connections and breaking apart. They have teeth on the page and come from the heart. And they are stories that offer a direct line into the thoughts and life of one of the most visible, hard-working humanitarians we have. A bestselling children's book author, Alyssa's finally giving her fans worldwide what they really want to hear directly from her about: the life she has lived, the things she's seen and experienced, and the way she lives in and with the world.

**Brazen Virtue** Nora Roberts,2011-11-22 NOW THE NETFLIX FILM BRAZEN, STARRING ALYSSA MILANO From #1 New York Times bestselling author Nora Roberts comes a novel that explores the dangerous side of desire, when a mystery writer in search of a little peace and quiet instead finds herself ensnared in the world of a real-life serial killer whose craving for murder stops at nothing . . . and no one. After a demanding book tour, superstar mystery novelist Grace McCabe decides to visit her sister, Kathleen, who's embroiled in a custody battle after a bitter divorce. Arriving in D.C., Grace is shocked to find Kathleen living in a run-down neighborhood and, hoping to afford a hotshot lawyer, supplementing her meager teacher's salary by moonlighting as a phone sex operator. According to Kathleen, Fantasy, Inc., guarantees its employees ironclad anonymity. But Grace has her doubts—which are confirmed one horrifying cherry-blossom-scented night when one of Fantasy, Inc.'s operators is

murdered. As Grace is drawn to help solve the crime, her life turns into a scene from one of her own books. Yet as one of her biggest fans, investigator Ed Jackson, warns her: This isn't fiction. Real people die—and Grace could be next. For she's hoping to trap a killer more twisted than anything she could imagine. And not even Ed may be able to protect her from a rendezvous with lust and death.

**We Must Not Forget: Holocaust Stories of Survival and Resistance (Scholastic Focus)** Deborah Hopkinson,2021-02-02 Sibert Honor author Deborah Hopkinson unearths the heroic stories of Jewish survivors from different countries so that we may never forget the past. Scholastic Focus is the premier home of thoroughly researched, beautifully written, and thoughtfully designed works of narrative nonfiction aimed at middle-grade and young adult readers. These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past, participate in essential discussions about our present, and work to grow and build our future. As World War II raged, millions of young Jewish people were caught up in the horrors of the Nazis' Final Solution. Many readers know of Adolf Hitler and the Nazi state's genocidal campaign against European Jews and others of so-called inferior races. Yet so many of the individual stories remain buried in time. Of those who endured the Holocaust, some were caught by the Nazis and sent to concentration camps, some hid right under Hitler's nose, some were separated from their parents, some chose to fight back. Against all odds, some survived. They all have stories that must be told. They all have stories we must keep safe in our collective memory. In this thoroughly researched and passionately written narrative nonfiction for upper middle-grade readers, critically acclaimed author Deborah Hopkinson allows the voices of Holocaust survivors to live on the page, recalling their persecution, survival, and resistance. Focusing on testimonies from across Germany, the Netherlands, France, and Poland, Hopkinson paints a moving and diverse portrait of the Jewish youth experience in Europe under the shadow of the Third Reich. With archival images and myriad interviews, this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims, but calls young readers to action -- by reminding them that heroism begins with the ordinary, everyday feat of showing compassion toward our fellow citizens.

Every film analysis includes reviews, four-star ratings, background information, plot synopses, accurate running times, consumer tips, and MPAA ratings. Brief guides to made-for-TV movies, direct-to-video releases, foreign films that were never theatrically released in the U.S., and live-action films with significant animation round out the volume.
