Lucinda Devlin: Lake Pictures ,2020 Lake pictures' is a series of photographs of Lake Huron, one of the Great Lakes bordering the state of Michigan. The picture taken at the same place, during the four seasons, and at different times of day and night explore the changing atmospheric nature of the lake through the prisms of water, sky, color, light, place, space and time. Looking at this immense body of water and the sky above, both initially seem boundless, as if stretching forever into the distance. Only the fine horizon line between the two separates and joins them, pulling us into each photo and reminding us that this sense of infinity is but an intriguing optical fiction. 0Exhibition: Galerie m, Bochum, Germany (15.07-23.09.2015).

Fierce Little Thing Miranda Beverly-Whittemore, 2021-07-27 “A Secret History-esque tale...All the ingredients for the perfect summer read.” —The Millions “Captivating, thoughtful, and tense, a great read for those who enjoy psychological thrillers and complex puzzles. Highly recommended.” —New York Journal Review of Books “It’s time to come Home. All five of you. Or else.” Saskia was a damaged, lonely teenager when she arrived at the lakeside commune called Home. She was entranced by the tang of sourdough starter; the midnight call of the loons; the triumph of foraging wild mushrooms from the forest floor. But most of all she was taken with Abraham, Home's charismatic leader, the North Star to Saskia and the four other teens who lived there, her best and only friends. Two decades later, Saskia is shuttered in her Connecticut estate, estranged from the others. Her carefully walled life is torn open by threatening letters. Unless she and her former friends return to the land in rural Maine, the terrible thing they did as teenagers—their last-ditch attempt to save Home—will be revealed. From vastly different lives, the five return to confront their blackmailer and reckon with the horror that split them apart. How far will they go to bury their secret forever? New York Times bestselling author Miranda Beverly-Whittemore’s *Fierce Little Thing* is a mesmerizing story of friendship and its reckonings.

Without My Asking Robert Cording, 2019 In poems that range from New England to the Southwest, *Without My Asking*, takes its cue from Psalms 90's petition--teach us to number our days. That biblical sense of limits--of what we can know and not know--and, ultimately, the mystery of before and after that encloses our existence is the center around which these poems turn, both seasonally and from day-to-day. In poems that attend to the events of our lives--from the deaths of parents to hummingbirds at a bird feeder--these poems work to utter Yes to all that happens, that peculiar affirmative that recognizes, as Elizabeth Bishop says, Life's like that . . . also death.

mythology of Muirwood in an epic series by Jeff Wheeler, Wall Street Journal bestselling author of the Muirwood and Kingfountain novels. Then she's chosen to assist in establishing the new abbey of Muirwood, now the site of a castle in the swamps of Bearden Muir. Eilean's role is as night servant to the druid Mordaunt, the king's exiled advisor--and prisoner. He's clever, dangerous, and invaluable to the Aldermaston. Mordaunt's priceless secret: the hiding place of an ancient tome that reveals the existence of other worlds and the magic between them. Mordaunt knows how potent its words are and how dangerous they could be in the wrong hands. But can Eilean win him over? All she must do is gain Mordaunt's confidence and trust and persuade the apostate to divulge his secret to her. But as she learns more from Mordaunt, Eilean's loyalties begin to fray. And the risks are greater than she imagined. Despite betrayals, deceptions, and the deadly motivations of others, a girl from the flax fields is about to rise above her station.
