**Eye of the Tiger** Melanie Greene,2016-02-29 Their matchmaker folks think it'd be great If Natalie and Evan would date Watch them say, "No thanks," But plow into the banks Of the slippery slope where they skate Natalie East and Evan Lee are determined to stay single. Their parents are just as determined to get them together. Nat, still reeling from the abrupt end of a three-year relationship, needs to prove to her mother that they are both capable of enjoying successful single lives. Her conventional mother pressures her to date their new friends' self-indulgent and status-obsessed son. The interference drives Natalie wild. Evan worked like a demon to launch his career. Now he's ready for a devilish amount of fun. While he was achieving success, his parents planned his future; they gush that Natalie is sweet, steady, and ready to settle down. Each message from his family hacks away at his joking, easy-going façade. When Nat and Evan involuntarily connect over coffee, neither is what the other expected. As their friendship grows and passions emerge, will they risk losing their independent lives? Are they prepared for a journey from lighthearted friends to steamy lovers...or more?

**Painting Wildlife in Watercolor** Marlene Donnelley,Peggy MacNamara,2021-01-08 Learn Wildlife Painting with Techniques from Masters With decades of experience at Chicago's renowned Field Museum, artist-in- residence Peggy Macnamara and scientific illustrator Marlene Hill Donnelly share tips on all aspects of painting wildlife in luminous watercolor. Painting Wildlife in Watercolor includes everything you'll need to know to from basics to finishing touches of rendering vibrant lifelike animals, birds and reptiles. Well-known for her no fear approach which bypasses traditional composition methods, Peggy Macnamara employs a technique of gradually applying color to develop rich subtle tones. Balancing this is Marlene Donnelly's clear and detailed instruction on drawing and painting techniques-the perfect complement to the no fear approach. The authors explore subject matter, color theory, design, light and shadow, and present several illustrative demonstrations. Macnamara describes her process as a form of meditation and encourages the student to compose their image using many light layers. She says of her technique, It automatically builds depth in the liquid expression of the eyes as well as in

the rich texture of fur and feathers. Whether rendering birds, mammals, or reptiles, these master artists will guide you as you create your own interpretation, step by step, as they share their years of experience. This innovative approach allows artists at all levels of experience to imbue their work with a fresh and subtle beauty. This book is also available from Echo Point Books in hardcover (ISBN 1635619475).
