

Amazon Adventure

Jason Gold

Amazon Adventure Willard Price,1949 Two American boys find exciting adventure as they follow the Amazon in search of snakes and animals for their father's collection.

Amazon Adventure Deth Huntley,Beth Huntley,1989 Describes the history of the Amazon River region, the plants, animals, and people that inhabit it, and its uncertain future in the face of rapidly encroaching modern civilization.

Death on the River of Doubt: Theodore Roosevelt's Amazon Adventure Samantha Seiple,2017-01-03 The action-packed true story of President Theodore Roosevelt's dangerous adventure down one of the most treacherous rivers on Earth. Death on the River of Doubt takes readers inside the thrilling journey that unfolds as Theodore Roosevelt and his companions navigate the Amazonian River of Doubt through an unforgiving and unpredictable jungle. With new threats at every turn, from blood-thirsty piranhas and raging rapids to starvation, disease, and a traitor in their own ranks, it seems that not everyone will make it out alive. Through it all, the indomitable Teddy Roosevelt remained determined to complete their mission and rewrite the map of the world. Or die trying. With letters, diary entries, maps, photos, and more, Death on the River of Doubt is a comprehensive narrative nonfiction thriller and the first young adult book to tell this unbelievable tale.

Amazon Adventure Larry Bischof,William Brian Lowry,1992 In keeping with his mission to help solve Earth's pressing environmental problems, the

teenage alien hero Widget and his human friends travel to the Amazon rainforest to save endangered trees.

Up the Creek John Harrison, 2012 'During recent years a sinister shadow has fallen across the world of travel and travel-writing. It's name is Sponsorship' writes Dervla Murphy in her foreword to John Harrison's unsponsored Amazon adventure, an extremely hazardous canoe trip taken just for the hell of it up one of the more obscure tributaries of the Amazon. Harrison's tale is compelling, full of suspense, humour and wonderful descriptions of Amazon wildlife, all told in down-to-earth unpretentious language with disarming honesty. His quest to reach the upper limit of the Jari river in Brazil and portage his canoe across the border into French Guiana is ambitious, exciting and, ultimately, flawed, but it's the trip itself, full of unexpected encounters, crippling bouts of malaria, moments of intense emotion mixed with just a tinge of madness, which is as inspiring as the tales of even the earliest adventurers. John Harrison uses vigorous, unpretentious language combined with stunning descriptions of Amazonian wildlife. **Up the Creek** was originally published by Bradt in 1986 and remains as relevant to the spirit of exploration and real, raw travel writing today as it was then. Reviews at that time hailed Harrison's adventure as epic.

Amazon Nights Arthur O. Friel, 2005-03-01 When one thinks of the classic adventure-story authors of the pulp fiction era, H. Rider Haggard, Talbot Mundy, and Rafael Sabatini may come first to mind.

But Arthur O. Friel's stellar contributions -- particularly his stories featuring Lourenco and Pedro, two workers on a rubber-tree plantation in the Amazon Jungle. Their adventures in the Amazon's mysterious back-country certainly deserve honorable mention. Here are tales of peril and last-minute rescue, brutal savages and men of honor, snake-worshipping armies and half-ape Lost Races-and many more! For in the shadows of the rain-forest, many evils lurk . . . human and otherwise! Features a new introduction by Darrell Schweitzer, eight short stories, and The Jararaca, a complete novel.

The Land Beyond Time Adventure in the Amazon

Alexander Molnar, 2000-05 The Land Beyond Time is a non-stop, fast paced, action packed adventure that takes place in the jungles of the Amazon River. It is a story about traitors, sabotage, espionage, greed, hate, love and romance, cold blooded murder, and justice. It is the story about the trials and tribulations of a dozen human beings who's sabotaged aircraft crashes into the Amazon jungle. The crash survivors, 6 men and 6 women, including 2 drug cartel bosses, being extradited to the US, now must compete against their individual fears, each other and those unknown unexplained challenges facing them in the hot, wet, dangerous jungle. The terrifying but strange animals that abound there, like the giant spiders, boars, anacondas, and crocodiles; two hostile tribes and the headhunters; a Colombian drug cartel group of professional killers coming to rescue their bosses; and a small, but elite team of US Marines conducting search and rescue

operations for the crash survivors; all are tossed together in the jungles of the Amazon. Our adventure begins during December 1999, in Lima, Peru, when a US military aircraft (C141) preparing to take a number of government passengers back to the US, is commandeered by an Embassy official. He orders the aircraft to take on 10 additional passengers, including two recently captured Colombian drug lords being extradited to the US. Hours into the flight the plane is sabotaged by someone onboard and it crashes into the Amazon River dumping the survivors into the hostile terrain north of Manaus, Brazil. Two of the 12 crash survivors are immediately separated from the main group and have adventures of their own to contend just to remain alive. The remaining survivors are captured by one of two hostile tribes (the In'gou and San'gou). The survivors are taken to the In'gou village and interrogated, while second tribe prepares to attack the In'gou village to pre-empt an escaped prisoner's arrival there, who possesses information which could change the delicate balance of power in the jungle. Back in Peru, an Embassy official is fingered as an espionage agent for the major drug cartel. The official gets nervous and runs to his new bosses in Colombia. Meanwhile, the cartel sends 24 professional killers to retrieve their two drug bosses from the sabotaged aircraft. Their additional instructions are to eliminate all the remaining passengers. When the aircraft fails to show up at Manaus as planned, the cartel's killers immediately begin a search pattern, and within hours of finding the crashed aircraft, their

journey begins. Back in Lima, the Non-Commissioned Officer in Charge (NCOIC) of the Marine Security Guard (MSG) Detachment, a friend of Al Ranlom, a former Marine who is aboard the missing aircraft, hears of the espionage and the plane crash. Not one to stand by and watch, the NCOIC forms an unofficial search and rescue team, which picks up the trail of the missing craft and her survivors. The dangers to all involved: the survivors, the cartel's professional killers and the Marine Security Detachment rescuers, are found in every turn they take. They are all around them, in the trees, at ground level, on, under and above the waterways, swamps and mangroves. These hazards eat away at their self confidence, and tears at their moral fabric. They are tested continuously, passing one test only to encounter another challenge. If it isn't attacks by giant spiders, anacondas, and crocodiles, it's tigers, flesh eating worms and blood sucking bats. Or it's problems from hostile tribes or from the natural environment, like earthquakes and lava flows or from the failure of their sophisticated equipment, like the GPS systems, radios, and walkie-talk

Amazon Adventure Williard Price, 2005 Hal and Roger are plunged into the depths of adventure down the Amazon River. When they go off course into the greatest jungle on earth their trip turns into the survival of the fittest. They must struggle against hostile Indians, wild animals and a raging flood.

Amazon Adventure Willard Price, 1972

Danger on the Amazon Robert P. Long, 2016-09-27
DANGER ON THE AMAZON leads Rick and his friends

from Alaska to Hawaii, and then to the Amazon River in Brazil. Here the canoeing begins at a tributary running from the mountains. Swift waters with dangerous rocks and whirlpools challenge the canoers. Uncivilized natives, hostile to strangers are encountered. As they proceed they fish and hunt for their food. They make friends with some natives, but others attack them. This 30 day adventure canoeing portrays an exciting view of the life and culture of natives in the Amazon Rain Forest.

Amazon Adventure Dan Green, 2013-11-05 Put your chemistry to the test when you take over a chocolate factory. Get to grips with biology as you venture through the Amazon Rainforest. Swat up on astronomy as you navigate through the Solar System. And use your physics know-how to escape a haunted fun fair! Questions are carefully chosen to address core science subjects for the age group. Finding the answers enables readers to advance through the story, learning more about science with every step they take. Clues are dotted along the way, and wrong turns will direct readers towards the right answer! A glossary explains scientific words and provides added reference material. Readers must use their problem-solving skills and scientific knowledge to navigate through four thrilling adventures. Questions are carefully chosen to address core science subjects for the age group. Finding the answers enables readers to advance through the story, learning more about science with every step they take. Science Quest series includes: Amazon Adventure - Learn about Biology

(978-1-60992-506-2) Fall 2013Lost in Space - Learn about Astronomy (978-1-60992-507-9) Fall 2013Fun Fair Fright - Learn about Physics (978-1-60992-504-8) Spring 2014The Secret Formula - Learn about Chemistry (978-1-60992-505-5) Spring 2014

Head Hunters of the Amazon Fritz W. Up de Graff,1923

Animal Quest 6 David R Smith,2019-06-05 Professor Feathers, Olivia, and Alex enter a magical portal into a dark and dangerous world of adventure. Deep in the Amazon Rainforest, trees are being cut down by the thousands every day. The threat to the animals that live there is very real--but the threat to the whole planet is even greater! Will they be able to stop the damage to the rainforest, and rescue Alex's lost spider monkey, before it's too late?

Lost on the Amazon R. A. Montgomery,2006-05 THE AMAZON RIVER BASIN IS HOME TO THE GREATEST BIODIVERSITY ON PLANET EARTH. WILL IT YIELD UP ITS POTENTIAL CURES? OR SINK YOU IN ITS DEPTHS? Strange tropical diseases can wipe out whole communities in days. And in this age of modern travel, they can morph into worldwide epidemics in mere weeks. You are a young doctor specializing in such threats. Now you face a journey into the heart of the Amazon jungle where your medical team has mysteriously disappeared in the search for a cure. For hours you travel with the light of stars. Owaduga, could it be the Amazons who captured my friends? The canoe twists in the current. Be quiet You look into the darkness. Nothing The dugout bumps against a submerged log.

There on the bank is a tall, strong looking figure. It is a woman. There are others behind her. Owaduga speaks. If you wish, why not ask her? If you ask these women for help, turn to page 11. If you ask Owaduga to speak for you, turn to page 33. YOU choose what happens next

Amazon Adventure Sy Montgomery, 2017-07-04

Considered the “lungs of the world,” the Amazon provides a full fifth of the world’s oxygen, and every year unsustainable human practices destroy 2.7 million acres. What can be done to help? That’s where Project Piaba comes in. Join the award-winning author Sy Montgomery and the photographer Keith Ellenbogen as they traverse the river and rainforest to discover how tiny fish, called piabas, can help preserve the Amazon, its animals, and the rich legacy of its people. Amazon Adventure is an eye-opening—and ultimately hopeful—exploration of how humanity’s practices are affecting and shaping not only the Amazon, but our entire environment.

The Fifteen Amazon Adventure Jason

Gold, 2014-10-15 It was supposed to be a vacation, but the passengers on board the luxury flight had no way of knowing they would soon be crashing into the Amazon jungle. Follow the survivors as they battle against overwhelming odds to stay alive and escape. Crash landed! Injured! Hunted! A thrilling fight against all odds. Kids will love this story of bravery and teamwork. For Kids Aged 7 to 14. This is a good book for those students learning the English Language.

Through the Jungle Norbert Paul, 2015-09-16 The modern world collides with ancient cultures as a

family of four is transported from their comfortable suburban life to a raw exciting adventure in the Brazilian jungles of the Amazon River Basin. Neil Williams is living the comfortable suburban dream. Accomplished wife. Great kids. Rocking the daily grind. One day an old friend calls him and tells him that he is in danger and would like Neil to come help him out. The small catch; he's in the Amazon Rain Forest and he has been kidnapped. With his wife, Kelly, and two children, 17 year old Collin and 15 year old daughter Alex, the family ventures into the vast unknown of the Amazon and encounter many dangers; flesh devouring insects, wild animals, savage tribes, dangerous enemies and the treacherous environment. But they also see the best of the Amazon; make new friends, observe ancient cultures and cultural practices, interact with wildlife in its natural habitat, view and explore beautiful landscapes, taste unique and delectable food and learn about ancient prophecies. A journey of a lifetime. An adventure without compare. A contemporary Amazon adventure

The Lost City of Z David Grann, 2009-02-24 #1 NEW YORK TIMES BESTSELLER • From the author of Killers of the Flower Moon and The Wager comes a masterpiece of narrative nonfiction “with all the pace and excitement of a movie thriller”(The New York Times) that unravels the greatest exploration mystery of the twentieth century—the story of the legendary British explorer who ventured into the Amazon jungle in search of a fabled civilization and never returned. [Grann is] one of the preeminent adventure and true-crime writers

working today.—New York Magazine After stumbling upon a hidden trove of diaries, acclaimed writer David Grann set out to determine what happened to the British explorer Percy Fawcett and his quest for the Lost City of Z. For centuries Europeans believed the Amazon, the world's largest rain forest, concealed the glittering kingdom of El Dorado. Thousands had died looking for it, leaving many scientists convinced that the Amazon was truly inimical to humankind. In 1925 Fawcett ventured into the Amazon to find an ancient civilization, hoping to make one of the most important discoveries in history. Then he vanished. Over the years countless perished trying to find evidence of his party and the place he called "The Lost City of Z." In this masterpiece, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for "Z" and his own journey into the deadly jungle. Look for David Grann's latest bestselling book, *The Wager!*

Hunter's Amazon Adventure B. J.

O'Neill, 2006-02-01 The Amazon Sweepstakes winners unknowingly are going on the trip from Hell. First, the leader of the tour is nearly killed when an enemy put a bushmaster snake in his car. The resulting crash causes his son, just out of college, to take over the trip with a seasoned native to help. We switch to the natives and their problems. The chief's son is ill. The natives are worried about succession. A cousin is trying to take over. The chief is unsure of the ability of his son. The son is trying hard to measure up, but his health interferes. A plane crash and capture

by natives are only part of their troubles. A miraculous turn of events turns natives into friends, and they send the hapless tourists on their way. Add falling in love and patching up a marriage to the mix, and there you have it.

Amazon Adventure Pamela Daniel, 2012-07-13 The Amazon holds a wealth of dark secrets ...Dr. Katherine Dean and her husband Richard discovered one of those secrets on an expedition twenty years ago, and the stress of keeping it from the world killed him. Now, Katherine has asked her son and his family to take their find back to the mystical lake, Agua Lua, before anyone else discovers it. But too many people already know - a crazy scientist, out for revenge, a big game hunter looking for his next trophy, and a criminal in search of treasure. But the real treasure has lain hidden for over four hundred years. Will the Deans find it before the others? Will they even survive the journey? This book is a script-form novel, which means it is in present tense like a film script. It also has shorter, more succinct descriptions, as a script would. The gist of the story is told with the dialogue. I love writing in the script format - it's like writing a long, fluid poem. I consider it an art form unto itself. I hope to turn most of them into films eventually, but until I can, I'm content to publish my scripts in these books. It will take the reader a minute or two to adjust to the format, then you can sail through my stories easily and quickly; fast-paced books for a busy world. I hope you like them.

As recognized, adventure as skillfully as experience about lesson, amusement, as competently as bargain can be gotten by just checking out a ebook **Amazon Adventure** also it is not directly done, you could give a positive response even more nearly this life, in the region of the world.

We meet the expense of you this proper as capably as simple exaggeration to acquire those all. We find the money for Amazon Adventure and numerous books collections from fictions to scientific research in any way. accompanied by them is this Amazon Adventure that can be your partner.

advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading

Amazon Adventure has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and

platforms where individuals can download Amazon Adventure. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as

an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Amazon Adventure. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Amazon Adventure, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Amazon Adventure has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and

prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Amazon Adventure Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading

preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are there free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer

web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and

activities, enhancing the reader engagement and providing a more immersive learning experience. Amazon Adventure is one of the best book in our library for free trial. We provide copy of Amazon Adventure in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Amazon Adventure. Where to download Amazon Adventure online for free? Are you looking for Amazon

Adventure PDF? This is definitely going to save you time and cash in something you should think about.
