Knowing your true worth. Feeling vibrant with each breath and magically alive as you navigate the unexpected. When you peel back the layers of crusty emotional baggage and old subconscious loops that keep you small, you are able to step into the brilliance of who you are in your soul, and that makes you Spiritually FlyTM.” —Faith Hunter Global yoga and meditation teacher Faith Hunter is known for her ability to help others remember their inherent worth and live more soulful, joyful lives. Here, Faith shares the seven principles behind her life philosophy—the “Spiritually Fly Sutras”—inspiring each of us to embrace our unique flow, on and off the mat. The Spiritually Fly Sutras are dynamic, sacred principles grounded in movement, breathwork, sound, and self-reflection. When practiced together, Faith teaches, “They have the ability to inspire and ignite an inner revolution.” Throughout Spiritually Fly, Faith shares the stories that led to each sutra with raw vulnerability. A young Black girl in the South whose brother was dying of AIDS contracted from a blood transfusion, she often struggled to trust in spirit and God. Her own spiritual journey brings a fresh, grounded vibe to her teachings, as she seamlessly blends classic yoga wisdom with modern-day living. To help you integrate each sutra into your life, Faith provides a wealth of “SoulPrints”—exercises and reflections including yoga asanas and kriyas, journaling prompts, pranayama, chakra explorations, and practices for each of the “three Ms”: mantra, mudra, and meditation. For anyone ready to live their most epic lives, Spiritually Fly offers a radical guide to shift unhealthy patterns, recharge your soul, and fly.

**Hands Free Mama** Rachel Macy Stafford,2014-01-07 “Rachel Macy Stafford's post The Day I Stopped Saying Hurry Up was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by.” - Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living “Hands Free” If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it’s no wonder we’re distracted. But this isn’t the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society’s answer to finding balance in a media-saturated, perfection-obsessed world. It doesn’t mean giving up all technology forever. It doesn’t mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

*The Circle* Dave Eggers,2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
