From the Dress-Up Corner to the Senior Prom Jennifer Bryan, 2012-03-22 Very few PreK-12 teachers are adequately trained to address the gender identity and sexual identity of their students in a developmentally-appropriate and pedagogically-sound manner. Yet responsible adults—parents, educators, pre-service teachers, coaches, religious instructors, camp administrators and school counselors— must help children navigate the inherently diverse, increasingly complex world of gender and sexuality in the twenty-first century. *From the Dress-Up Corner to the Senior Prom* is a practical, forward thinking resource for anyone involved in educating children and adolescents. Jennifer Bryan takes readers into classrooms, administrative meetings, recess, parent conferences, and the annual pep rally to witness the daily manifestations of Gender and Sexuality Diversity at school. She provides a coherent framework for understanding what readers see, and invites them to use a contemporary, heart/mind perspective as they consider the true developmental needs of all elementary, middle, and high school students. The book features thoughtful questions, models of dialogue, accessible lesson plans, and many pedagogical strategies. At the heart of this book, though, are the evocative stories from teachers, students, and parents that Bryan has listened to over the span of her career. These personal anecdotes bring the comprehensive explorations of this seminal work to life.

Around the World Vegan Style Nancy Robinson, 2009-04 Despite the Western diet high in meat and dairy products, much of the rest of the world has traditionally followed a primarily or entirely vegetarian diet. Tragically, there has been a dramatic transition in the latter as world meat production has increased about 10 times the world population growth rate in just a few decades. I have witnessed the transition to a diet high in animal products in places as beautiful as Micronesia and sub-Saharan Africa, where diseases such as diabetes and heart disease have just begun to rear their ugly heads. This grave trend also multiplies the devastating consequences for the environment worldwide and for the countless billions of animals killed each year for food-10 billion land animals and 10 billion sea animals in the United States alone. Many of us wonder what steps we can take to make a difference in the world. Here, the answer is simple. Following a vegan diet is the first and foremost step to improve the condition of the environment, human health, and the lives of animals. Around the World Vegan Style tells you how and why. Hope Ferdowsian, M.D., M.P.H. In Around the World Vegan Style, Nancy Robinson unites all people of the globe through a single common bond- the love of delicious food! In its pages you'll find authentic recipes all free of animal products and featuring chefs' specialties, all sure to please your palate and increase your appreciation for global cuisine. Let Around the World Vegan Style turn your kitchen into a travel adventure for your tongue, while healthfully nourishing yourself, your family, and friends. Welcome aboard. The journey to worldwide taste delights starts here! Michael Klaper, M.D. Author: Vegan Nutrition: Pure and Simple Nancy Robinson's cookbook could not come at a better time. The whole world is beginning to realize that animal agriculture-a major source of water pollution and deforestation-is one of the biggest culprits in global warming. The 2007 United Nations report shows that farmed animals are a top contributor to today's serious environmental problems, including greenhouse gases. The global increase in meat consumption also causes rates of obesity, diabetes, heart disease, and other diet-related illnesses to soar. If we're going to reverse the damage we've done to our health and the environment, we have to begin now. Around the World Vegan Style is a step in that direction. Patrice Green, M.D., J.D. Assistant Professor, University of Maryland School of Medicine Faculty Member, Union Memorial Hospital Internal Medicine Fellow, American College of Legal Medicine There is just food and the land to grow that food. If we can all just realize this simple fact for one moment, and stop fighting over the land that holds the roots that support the tree that bears the fruit that feeds the child, then maybe, just maybe...peace. Around the World Vegan Style is more than a cookbook. Nancy Robinson shares how the vegan lifestyle embraces all facets of just food for all life. George Eisman, Registered Dietitian, Teacher, and Clinician Author, The Most Noble Diet I'm delighted to recommend Around the World Vegan Style. Nancy Robinson's cooking is out of this world. Luckily, her superb recipes from around the world are right here in this book. Nancy combines exquisite flavors with the most sumptuous dining experience. There is just one thing to do-dig in and enjoy! Karen Davis, PhD, President, United Poultry Concerns Author, Prisoned Chickens, Poisoned Eggs: An Inside Look at the Modern Poultry Industry

Native American Women Leaders Edward J. Rielly, 2022-02-08 There is insufficient recognition given to Native American women, many of whom have made enormous contributions to their respective tribal nations and to the broader United States. The 14 stories in this book are representative of the countless Native American women who have excelled as leaders (including Debra Haaland and her history-making role as Secretary of the Interior). They come from across the centuries and from a range of tribal nations, and represent

a wide range of society, including politics, the arts, health care, business, education, wellness, feminism, environmentalism, and social activism. Most of these women have made their mark in more than one area. Each chapter includes personal biographical and public life information. Some of the women have given us much in writing, including memoirs, while others have left behind little or nothing written. Even in the absence of their own words, though, their actions still speak eloquently.

Cowboy for Hire (The Dream Maker Series, Book 1) Alice Duncan,2014-10-23 A charming tale of a couple of young people in the early 1900's and the beginning of motion pictures. Complete with romance, peril, and a villain. ~May, Verified Reviewer It's 1905, early in the Silent Film era, and orphan Amy Wilkes is discovered by producer Martin Tafft at a Pasadena Health Spa. Whisked away to the movie-making set, Amy is glamorized and placed before her leading man: a rugged, oh-so-handsome Arizona cowboy named Charlie Fox. Charlie, another natural, needs money for his ranch, not the naive attentions of a beautiful starlet no matter how far she turns his head. On screen, sparks fly between Amy and Charlie, as the pair struggle to act like people they're not. Off screen, they face the scuttling machinations of the other actors and Charlie realizes what Amy truly dreams of--love and security. He offers her both. But first, Amy must open her heart.
