Theology and Church Walter Kasper,1989 This new collection of essays by West Germany's most distinguished Roman Catholic theologian covers the two broad areas indicated in the title.The first half discusses the Christian understanding of God; the place of Christianity in the modern world; the modern sense of freedom and

history and the theological definition of human rights; christology and anthropology; and the possibilities of a new spiritual christology in a trinitarian setting. The second half discusses various aspects of the church: as universal sacrament of salvation; as the place of truth and as communion. Two final studies examine the continuing challenge of the Second Vatican Council and the fundamental form and meaning of the eucharist. An extended introduction considers systematic theology today and the tasks which confront it.

A Flamingo Under the Carousel William John Rostron,2021-12-10
A Flamingo under the Carousel is a unique view of the world through the eyes of acclaimed author William John Rostron. Its thirty individual short stories will make you laugh, cry, and feel a thousand emotions in between. Crossing over into multiple genres, these previously published short pieces are presented together for the first time. Ranging from the literary to the apocalyptic, it is a journey through the themes of crime, 1960's culture, rock music, and love. From flights of fancy in a mystical underground world discovered by young children, to a generational suite of immigrant stories, humorous travel adventures to sports tales, and finally on to timely Op-Eds...and one lonely poem. Each tale includes a distinctive introduction as to the how, when, and why of each original creation-stories unto themselves - giving the reader a one-of-a-kind insight into the author's mind and his writing process. A Flamingo under the Carousel truly has something for everyone.

Full Mortality Sasscer Hill,2010-01-01 Jockey Nikki Latrelle gets

the chance of a lifetime -- to ride the favorite in a stakes race -- only to have her dream destroyed when a mysterious intruder kills her mount the night before the race. Evil people are working at Maryland's Laurel Park race track, and when Nikki stumbles over the body of a gunshot victim, she quickly becomes the prime suspect in a murder case. Framed and facing a possible murder rap, Nikki is ruled-off the track. Even deprived of job and income, she cannot abandon a mistreated, ill-tempered racehorse doomed to the slaughter house. Nikki and the filly wind up at a seedy stable with a motley group of felons, drunks, and drug-addicts. With unexpected help from a fashion-conscious wholesale meat-seller, a recovering addict, and an ancient groom, Nicky follows a crooked trail of insurance scam and betting fraud. But with the odds against her, can she clear her name -- and put the real criminals behind bars?

A Pearl in the Storm Tori Murden McClure, 2009-04-07 In the end, writes Tori McClure, I know I rowed across the Atlantic to find my heart, but in the beginning, I wasn't aware that it was missing. During June 1998, Tori McClure set out to row across the Atlantic Ocean by herself in a twenty-three-foot plywood boat with no motor or sail. Within days she lost all communication with shore, but nevertheless she decided to keep going. Not only did she lose the sound of a friendly voice, she lost updates on the location of the Gulf Stream and on the weather. Unfortunately for Tori, 1998 is still on record as the worst hurricane season in the North Atlantic. In deep solitude and perilous conditions, she was nonetheless determined to

prove what one person with a mission can do. When she was finally brought to her knees by a series of violent storms that nearly killed her, she had to signal for help and go home in what felt like complete disgrace. Back in Kentucky, however, Tori's life began to change in unexpected ways. She fell in love. At the age of thirty-five, she embarked on a serious relationship for the first time, making her feel even more vulnerable than sitting alone in a tiny boat in the middle of the Atlantic. She went to work for Muhammad Ali, who told her that she did not want to be known as the woman who almost rowed across the Atlantic Ocean. And she knew that he was right. In this thrilling story of high adventure and romantic quest, Tori McClure discovers through her favorite way—the hard way—that the most important thing in life is not to prove you are superhuman but to fully to embrace your own humanity. With a wry sense of humor and a strong voice, she gives us a true memoir of an explorer who maps her world with rare emotional honesty.

The Mystery of the Bedouin Girl Rony Kessler, 2021-08-26

Rachel, the heroine introduced in *The Mysterious Animal Soup* and *Rachel's Gifts* returns in this story of suspense, friendship and discovery. Rachel's friend Samira is struggling in a Bedouin world that is hard and strict, and Rachel and her family become an important part of her life. Rony Kessler returns to his birth country of Israel for this chapter of Rachel's story, which makes *The Mystery of the Bedouin Girl* and *Rachel's Gifts* a compelling story of the lives of two teenagers and their families. a subject not many young people know about or have opportunities to be introduced to. He hopes that the book will motivate readers to become more aware and more informed about the Bedouin culture and its people.

Andrea Fraser Andrea Fraser,Rhea Anastas,Alejandro Cesarco,2019 This publication is a substantial archive and a singular point of entry into thinking with and understanding Andrea Fraser's work and reception. The interview format provides intimate insight into Fraser's self-positioning as a central aspect of her practice. By presenting the artist's voice as mediated through interlocutors ranging from professional peers to popular media, 'Collected Interviews, 1990-2018' uniquely contextualizes Fraser's practice in the artistic, institutional, and discursive fields in which she intervenes. As Fraser is engaged, challenged, and understood from diverse perspectives, readers learn as much about her artistic commitments from the artist's humor and affect as from her incisive analyses. The collection spans three decades, from the early 1990s to the present, and is organized chronologically with minimal editing. The collection's unmediated format allows Fraser's key ideas and themes to attain deeper resonance through repetitions and subtle differentiations over multiple conversations.
