the Angel Auberon, edited by Barberi P

The Angel Chronicles the Angel Auberon, edited by Barberi P, 2002-01-07 The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon The Angel Chronicles tells the romantic tale of the beginning of human life and of the angels' concern for human beings that resulted in their forming an assembly of Guardian Angels. If you believe in angels, all the better. But, even if you do not believe in angels, and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone.

Hemmings P.G. Knight*** The Angel Chronicles is magic. It is a small book of big believing...it can change your life. Micheline Renauld*** The Angel Chronicles Books I-V The Guardian Angels by the Angel Auberon *** Auberon's Words of Introduction At the very beginning God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001 Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook (R) Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled The Angel Chronicles. In his book, Auberon describes how the world was created, how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings, with intelligent optimism and, for many of us, a return to hopefulness.

*** We have listed for you below the Table of Contents and synopsis related to Book I. Book I The Primary Angels The Existence of Angels God Creates the Earth Silvond Names the Constellations The Twin Angels The Assignment of Guardian Angels The Guardian Angels According to Day of Birth The Angels

in *Guardiance of Domestic Pets* The Primary Angels God decided that the time had come to create a universe of worlds. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth the angels next sang into being, the mountains and rivers, and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world emanated from purely spiritual beings: God and His angel emissaries. The angels thought they might rest. But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures, the human beings. The angels were astonished. Nonetheless, they sang the most beautiful of alleluias and human beings were brought into existence. When the angels saw the first human beings walk about the Earth, they fell in love. It was inevitable that the angels would fall in l

Hearing the Angels Sing Peter Sterling, 2012-04-27 *Hearing the Angels Sing* is a wonderfully inspiring book. Peter Sterling, in telling his uplifting story of encountering the angels and being shown his destiny as one of God's harpists, encourages readers to open to the deeper dimensions of life for themselves. There is authentic humility in suggesting that if the author seeks and receives such profound guidance from the angels, anyone can do it. In writing so openly and courageously about his life, Peter demonstrates the commitment required to work with angels as well as the rich spiritual rewards of finding one's true path. In a troubled world, reuniting with the angels is becoming a potent way

for people to reconnect and reclaim their spiritual essences. Peter's exquisite Harp Magic provides a portal through which the reality of the angels can be felt and experienced. One of the pleasures of reading his book is following the author's trail of synchronicities and angelic guidance through the challenges, distractions, revelations, and obstacles to emerge as a world-class harpist in service to the angels. It is exhilarating and deeply encouraging to learn how intimately and creatively the angels can interact with our lives if we just let them. Hearing the Angels Sing is a must-read for anyone drawn to the angels, and for those who already know what a salve Peter's music is to the souls of the openhearted and the spiritually minded, the book will yet further deepen your enjoyment of Harp Magic. --Timothy Wyllie Author of Dolphins, ETs & Angels, The Return of the Rebel Angels, and coauthor of Ask Your Angels

Unlikely Angel Lydia R. Hamessley, 2020-10-12 Dolly Parton's success as a performer and pop culture phenomenon has overshadowed her achievements as a songwriter. But she sees herself as a songwriter first, and with good reason. Parton's compositions like I Will Always Love You and Jolene have become American standards with an impact far beyond country music. Lydia R. Hamessley's expert analysis and Parton's characteristically straightforward input inform this comprehensive look at the process, influences, and themes that have shaped the superstar's songwriting artistry. Hamessley reveals how Parton's loving, hardscrabble childhood in the Smoky Mountains provided the musical language, rhythms, and memories of old-time music that resonate in so many of her songs. Hamessley further provides an understanding of how Parton combines her cultural and musical heritage with an artisan's sense of craft and design to compose eloquent, painfully honest, and gripping songs about women's lives, poverty, heartbreak, inspiration, and love. Filled with insights on hit songs and less familiar gems, *Unlikely Angel* covers the full arc of Dolly Parton's career and offers an unprecedented look at the creative force behind the image.

The Angel of My Dreams Henry E. Pether,1904

Angel Song Sheila Walsh,Kathryn Cushman,2010-08-01

Angels eagerly watch over Ann Fletcher's every move. She just doesn't know it yet. Ann Fletcher has returned to Charleston to see her younger sister Sarah receive her master's degree. But she soon finds herself riding in the back of an ambulance, watching helplessly as Sarah fights for her life. As they race to the hospital, Sarah talks to someone who is not there...and hums a melody Ann has never heard before. That unfamiliar, unearthly beautiful melody keeps finding Ann--first in the hospital chapel, then in her dreams, and finally in Sarah's empty house. Two neighbors have a profound effect on Ann. Ethan McKinney lends her a shoulder to lean on. And as a carpenter, he volunteers to help Ann get the Fletcher family home into shape for selling. His strong presence is a pleasing distraction. Ann's twelve-year-old neighbor, Keith, has Down Syndrome and the guile to believe he can actually see and hear angels. In fact, he insists they are looking out for her in ways she's never imagined. God begins to reveal himself to Ann--both in her newfound friends and through supernatural events. As she discovers the very real presence of angels around her, will she finally open her heart to receive God's healing love?

Snow Angel Thomas Moore,Lisa Helps,2017-03-16 for SATB, solo cello, djembe, and piano Snow Angel is an evocative five-movement choral work that explores themes of love, rebirth, and beauty through the eyes of children and the heavenly army of angels that watch over them, yearning to make a difference to their lives. The work may be performed with narration, in which three angels present their perspectives on their earthly charges. Quartel weaves a haunting and poignant cello line throughout the work, and a vibrant part for djembe in movement four, 'Sweet child', carries the listener from the ethereal and mystical realm the

work predominantly inhabits into an emphatic anthem with a distinctly African feel. The musical language is emotive and pictorial, allowing performers to play an active role in the storytelling. Snow Angel is also available in a version for SSAA.

Angel Workshop ,

A concert of angels Edel Staff,2006-11-06 Angels have fascinated people for hundreds of years. Throughout the ages angels have embodied humanity's longing for supernatural, divine

companionship, inspiration and solace. In the Renaissance and Baroque period artists captured these winged creatures as sacred beings, guardians, servants or children of God, in countless paintings. A Concert of Angels presents the most beautiful and famous of these celestial masterworks in loving detail. Music CDs The magical sounds of ecclesiastical music from J.S. Bach to A. Bruckner are joined for a heavenly concert.
