Guardian Angel Anthony Bell, 2011-01-07 When Aufero gets punished in Heaven he discovers a side of Heaven he never knew existed. In his attempt to get back in the good graces of God, he discovers love, an awkward partnership, and his dark side. Satan has discovered a new way to defeat the guardian angels and is eager to take the throne of God for himself. Determined to change the course of battle Aufero guides his fellow angels into a battle meant to change Satan's mind about attacking the Gates of Heaven. The battle doesn't go as planned and the object of Aufero's affection (Aphasia) is abducted and taken to Hell. Now against the wishes of God he must find a way to retrieve her and escape banishment from Heaven. Things don't go as well as he plans when he meets his match in battle. He finds himself helpless, hopeless, and in Hell. Unwilling to accept defeat Aufero challenges Satan and discovers a side of the fallen angel he hadn't expected. When Satan offers him paradise, he must make a tough decision that could find him in a no win situation. Forced to fight to the death he must find the will and strength to defeat a demon that's never been bested. Should he succeed in his action against the devil he is faced with another dilemma. Will his success in Hell lead to his failure in Heaven?

Witches of America Alex Mar, 2015-10-20 Witches are gathering. When most people hear the word witches, they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, witchcraft is a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day magic. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing mystery cult whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying every faith: Why do we choose to believe in anything at all? Whether evangelical Christian, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

Angels of the Resistance Noelle Salazar, 2022-11-29 "Angels of the Resistance brings to life a deadly-effective and deeply moving sisterhood." —Kate Quinn, New York Times bestselling author of *The Rose Code* From the bestselling author of *The Flight Girls* comes a story inspired by true events, about courageous women who risked everything for country, for family, and for each other. Netherlands, 1940 As bombs fall across Europe, fourteen-year-old Lien Vinke fears that the reality of war is inescapable. Though she lives a quiet life with her mother and older sister, Elif, in their small town of Haarlem, they are no strangers to heartache, having recently suffered an immeasurable loss. And when the Nazis invade the Netherlands, joining the Dutch resistance with Elif offers just the atonement Lien craves. Trained to shoot by their late father, the sisters are deadly wolves in sheep's clothing. They soon find themselves entrenched in the underground movement, forging friendships with the other young recruits, and Lien even discovers a

kindred spirit in a boy named Charlie. But in wartime, emotional attachments are a liability she can't afford, especially when a deeply personal mission jeopardizes everything she holds dear—her friendships, her family, and her one shot at redemption. "This story of two teenage sisters who risk everything to join the Dutch Resistance is a dazzling tour-de-force." —Karen Robards, bestselling author of *The Black Swan of Paris*

A Chaos of Angels Lois P. Jones, Alice Pero, 2006-11-01 There Is No Gene For The Human Spirit. A clever tag from the 1992 film *Gattica* is a statement which each of us knows inherently to be true. If you've read the startling portrayal of a utopian society gone wrong in Aldous Huxley's *Brave New World* (1932), you are acquainted with the author's prophetic predictions of a world addicted to chemically driven happiness. In a culture where biochemistry has become its own religion, spirituality is being replaced by serotonin manipulation and mood enhancement. These works delve into the very nature of what ails us and why a pill for spiritual pain just might not be the answer. Friends, family, ex-patients, doctors write about the dumbing down of the self and the fight to stay alive. The book offers a list of resources for alternative mental health. We hope these poems will help raise awareness about the true nature of man and the importance of the spirit as a source of healing. -The Editors

Piranesi Susanna Clarke, 2020-09-15 New York Times Bestseller Winner of the Women's Prize for Fiction World Fantasy Awards Finalist From the New York Times bestselling author of *Jonathan Strange & Mr Norrell*, an intoxicating, hypnotic new novel set in a dreamlike alternative reality. Piranesi's house is no ordinary building: its rooms are infinite, its corridors endless, its walls are lined with thousands upon thousands of statues, each one different from all the others. Within the labyrinth of halls an ocean is imprisoned; waves thunder up staircases, rooms are flooded in an instant. But Piranesi is not afraid; he understands the tides as he understands the pattern of the labyrinth itself. He lives to explore the house. There is one other person in the house—a man called The Other, who visits Piranesi twice a week and asks for help with research into A Great and Secret Knowledge. But as Piranesi explores, evidence emerges of another person, and a terrible truth begins to unravel, revealing a world beyond the one Piranesi has always known. For readers of Neil Gaiman's *The Ocean at the End of the Lane* and fans of Madeline Miller's *Circe*, Piranesi introduces an astonishing new world, an infinite labyrinth, full of startling images and surreal beauty, haunted by the tides and the clouds.

Queer Angels in Post-1945 American Literature and Culture David Deutsch, 2021-07-29 From Allen Ginsberg's 'angel-headed hipsters' to angelic outlaws in Essex Hemphill's *Conditions*, angelic imagery is pervasive in queer American art and culture. This book examines how the period after 1945 expanded a unique mixture of sacred and profane angelic imagery in American literature and culture to fashion queer characters, primarily gay men, as embodiments of 'bad beatitudes'. Deutsch explores how authors across diverse ethnic and religious backgrounds, including John Rechy, Richard Bruce Nugent, Allen Ginsberg, and Rabi Alameddine, sought to find the sacred in the profane and the profane in the sacred. Exploring how these writers used the trope of angelic outlaws to celebrate men who rebelled wilfully and nobly against religious, medical, legal and social repression in American society, this book sheds new light on dissent and queer identities in postmodern American literature.

Angels in America at the British National Theatre Emily Garside, 2022-10-14 *Angels in America* was one of the most

significant pieces of American theatre in the 20th Century. Much has been written on Tony Kushner's epic drama. However, the National Theatre of Great Britain's productions of the show are relatively under-discussed. Not only was the National Theatre responsible for helping to originate the play in the early 1990s, but it helped revitalize interest in 2018 with Marianne Elliott's reimagined version starring Andrew Garfield and Nathan Lane. This book considers the role of the National in the play's history, and how Elliott's production reframed the play 25 years after the original; it chronicles the tumultuous first production and the play's successes in London and New York. The book also looks at the key features of the play: its representation of AIDS, its status as an iconic gay play and its searing political commentary. Concluding with an in-depth analysis of Marianne Elliott's reimagining of the play, this book is an up-to-date history of *Angels in America* and a reflection on its continued importance.

OF DEMONS AND ANGELS: The Story of a Reluctant Exorcist and Ex – Priest Francis Chanda, 2022-08-24 *Of Demons and Angels* is a book that takes the reader into a unique life experience of an ex-catholic priest. This is a story of faith that gives an insight into the peculiar, complex, and most intriguing aspects of priesthood like celibacy and the difference between a real Christian and a pseudo one. By adopting an informal writing and a deeply personal tone, the author chooses not to hide but to treat such thorny issues with humility, honesty, lived experience, faith, and a deep sense of soul searching both as a Catholic Christian and as a former Catholic priest. Francis Chilufya Chanda is currently Head of Section at St. Mary's College of Education in Mbala, Northern Province. Before becoming a lecturer, he was a Catholic priest for ten years in the Archdiocese of Lusaka, Zambia. After leaving priesthood, he taught at Kasama Girls' Secondary School in Kasama and St. John's Secondary School where he was Head of Languages Department in an acting capacity in Malole, Mungwi District. He holds a Master's Degree in Communication for Development (UNZA - Lusaka), Degree in Theology (St. Dominic's Major Seminary, affiliated to Urbaniana University - Rome), Diploma in Philosophy/Religious Studies (Mpima Philosophic ate Seminary - Kabwe), Certificate in Public Relations under Adult Extension Studies (UNZA) and an Advanced Certificate in Teaching Methodology (TVTC - Luanshya).
