Band of Angels Lester Monroe,2022-06-22 Band of Angels is mainly about three individuals—John Wesley Thomas, a pastor; Jason McLeod, a husband and father; and Thirkiel, a leader of a Band of Angels of the Heavenly Host. The pastor tries desperately to impart what the Bible teaches and The Lord Jesus, has left here, on what is necessary for each Christian to live forever in Heaven, in the Kingdom of God. Through many teachings each Sunday, the pastor goes into the depths of the Word of God. Jason’s upbringing did not teach him what it actually meant to be a Christian, only that to him, it was enough for him to be called himself a Christian by going to church every Sunday and believing that Mary had a Son named Jesus, who was the Christ. Thirkiel, is an Angel of the Heavenly Host! He is the leader of the Band of Angels whose headquarters was in the attic of the pastor’s church, unknown and unseen by the pastor and the congregation. Jason finally learns what it really means to be a born-again believer one day too late.

Leveraging Mobile Media Valerie Feldmann,2006-03-30 Mobile communications and next generation wireless networks emerge as new distribution channels for the media. This development offers exciting new opportunities for media companies: the mobile communication system creates new usage contexts for media content and services; the social use of mobile communications suggests that identity representation in social networks, impulsive access to trusted media brands, and micro-coordination emerge as new sources of value creation in the media industries. In the light of this background, this book takes two different viewpoints on the development of mobile media: from a competitive strategy point of view it analyzes the extension of cross-media strategies and the emergence of cross-network strategies; from a public policy point of view it develops demands and requirements for an innovation policy that fosters innovation in mobile media markets.
