**The 1902 Pittsburgh Pirates** Ronald T. Waldo,2015-05-26 After many years of being an also-ran in the National league, the Pittsburgh Pirates' fortunes changed dramatically following the 1899 season after a monumental deal with the Louisville Colonels. The addition of star players such as Fred Clarke, Honus Wagner, Tommy Leach and Deacon Phillippe allowed Pittsburgh to become the first baseball dynasty of the twentieth century as they won National League pennants in 1901, 1902 and 1903. Without question, the 1902 Pirates aggregation was the greatest of those three squads. This

definitive historical account examines the record-breaking 1902 Pittsburgh season, the politics that shaped baseball's landscape during that era and the players responsible for that squad's claiming its rightful place in baseball history.

*The Black River Pirates* Don Clark,2003 One adventure leads to another as Peter and Polly search the Spice Islands for their lost parents. The evil Black River Pirates are never more than minutes behind the youngsters as the cutthroats try over and over to steal the map that leads to the hiding place of the fabulous Sunrise Ruby.

*A Gross of Pirates* Terry Breverton,2018-12-15 From anti-slavery heroes and privateers to evil murderers, from Viking longships to Somali raiders today, the 1000-year roll call of the pirates.

**The Good, the Bad, & the Ugly: Pittsburgh Pirates** John McCollister,2008-03-01 Genuine fans take the best team moments with the less than great, and know that the games that are best forgotten make the good moments truly shine. This monumental book of the Pittsburgh Pirates documents all the best moments and personalities in the history of the team, but also unmask the regrettably awful and the unflinchingly ugly. In entertaining—and unsparing—fashion, this book sparkles with Pirates highlights and lowlights, from wonderful and wacky memories to the famous and infamous. Such moments include the final homerun hits of the 1960 World Series by Hal Smith and Bill Mazeroski as well as the drug scandal of the early 1980s. Whether providing fond memories, goose bumps, or laughs, this portrait of the team is sure to appeal to the fan who has been through it all.

Tales from the Pittsburgh Pirates Dugout John McCollister,2013-05-07 This is a love story. It's a collection of tales about a life-long relationship between the Pittsburgh Pirates and its fans. The story of the five-time World Championship team overflows with anecdotes and illustrations that tell us a great deal about the team, about the city, and about the people who call Pittsburgh their home. In a sense, the history of the Pirates is a mirror image of the people who were schooled in the "steel-mill mentality." The Pirates have been blessed over the past 100-plus years with a colorful cast of characters who have never been shy about revealing their true feelings. From Babe Adams to Joe Cronin to Roberto Clemente, and on to John Candelaria, Danny Murtaugh, and Willie Stargell, the players and coaches profiled share with their fans a focus on never giving up until the last out is recorded. Some stories will make readers laugh, some will bring a tear, and all are endlessly fascinating. This book is a must-have for fans of the Bucs, and fans of stellar baseball writing.

The Pirates! in an Adventure with the Romantics Gideon Defoe,2013-01-01 Whilst visiting their bank manager on the shores of Lake Geneva, the Pirate Captain and his crew encounter no less than the literary giants of their age: the swaggering Lord Byron, the oddly shifty Percy Shelley - and his beautiful young fiancée, Mary. Together they embark upon a journey that leads them away from Switzerland into the bowels of Oxford, and finally to the forbidding heart of eastern Europe. It is an adventure that will force the Pirate Captain to confront some important questions, namely: what is the secret behind his mysterious belly tattoo? Is 'Zombuloid, the corpse-beast' a better name for a monster than 'Gorgo: Half-man, half-seaweed'? And, most importantly - what happens when a pirate finally falls in love? Women in diaphanous nighties running down corridors! Brooding men with dark hair! Sinister taxidermy! Ghostly banging noises! The Pirates! In An Adventure with the Romantics contains all these things, as well as a bit where the Captain dresses up as a sexy fireman.

How History's Greatest Pirates Pillaged, Plundered, and Got Away With It Benerson Little,2010-12-01 Who were the world's most successful pirates, and why? "Interesting and very readable . . . Little clearly knows his subject well." —International Journal of Naval History More than just simple retellings of tried-and-true stories of buccaneers on the high seas, this book focuses on pirating tactics of the 1500s through the 1800s to give an in-depth view of how pirates functioned through history. Stories of the thirteen most famous pirates as they raid major ships and pillage coastal villages reveal how the pirates approached such invasions—and how they managed to elude authorities and sometimes whole navies. In addition, vivid firsthand descriptions recreate the excitement, fear, and fury of the most famous raids by these outlaws of the ocean. Delving deep to show piracy's profound impact on trade, politics, military strategy, culture, and individual lives, the book sifts truth from myth, carefully reconstructs the geopolitical context of each story, and analyzes the tactics that brought the pirates glory, or led to their downfall. Also included are archival images gathered from around the world by the author, a former Navy SEAL and consultant on maritime security.

He soon rethinks his daydreams of pirates once he finds himself among them! In this epic adventure of a moral boy trapped in a world driven by greed, he sees the true will of the pirates, leading him to ask the most important question about his life's adventure. Will of the Pirates is the kind of book I wish I'd had as a kid, and I loved it as an adult! For anyone who has ever imagined what it was like to sail and explore during the Golden Age of Piracy, diver/explorer/writer Scott Mitchen has provided us with a look through his historical spyglass. ~Pat Croce, best-selling author, motivational speaker, and serial entrepreneur Pirates, action, adventure, and history - this is a pirate's treasure chest in book format. It glitters with real historical accounts of the 1680's pirate ship La Trompeuse. Will of the Pirates gleams with gems in the positive messages about good triumphing over treachery and greed.
