**Ten Little Zombies** Andy Rash, 2012-07-27 A man and woman fight and count their way through a zombie horde in this twisted, illustrated parody of a children's counting book. When being chased by ten little zombies (no matter how cute they are), your only option is to systematically destroy them one by one, or else become zombie number eleven. In this love story wrapped in a tale of zombie mayhem, a resourceful couple flees from and picks off their undead pursuers with fast-paced ingenuity and an entertaining range of zombie-thwarting tools. As the zombies shuffle and stumble their way toward a variety of gruesome ends, our heroes must come up with new ways to escape sticky

situations and stay together. This darkly funny illustrated tale—think meets Edward Gorey meets Hallmark—celebrates the romantic side of a zombie plague, with plenty of BRAINS and a lot of heart.

Zombie Day Care (old) Craig Halloran, Two-Ten Book Press, 2011-09-30 He had dozed off, feeling safe and exhausted, in the middle of nowhere. He laid his head back, just for a second, listening to the madness on the satellite radio. America has fallen! Russia has fallen! The Middle East has fallen! He fell asleep. His eyes snapped open. A shuffle of dirt caught his ear. He wiped the drool from his mouth. The rear view mirror showed nothing. His heart raced. Something was out there. A flicker of movement caught his eye in the side view mirror. He jerked out of the way just as a hand clutched for his neck. He scrambled through the passenger side door and rolled outside. The Facility is what the Washington D.C. officials call it. It is a day care for zombie children, tucked deep in the east coast

hills. Is there a cure for the zombies? The children of the undead give them the best hope. There are those who think the zombie threat is harmless - and those that don't. The World Humanitarian Society wants to protect the zombies -or do they? Friends, family and colleagues are set at odds, dealing with the deadly dilemma. What about the zombies? What rights do they have in all of this? Or are they just a means to another diabolical end?

**Horrible Eschaton System** Gui GuShiGaoShou,2020-09-04 Wang Ren, an orphan without money or food, accidentally acquired the Apocalypse System. Under the outbreak of the biological crisis, relying on the Apocalypse System, he walked step by step to the peak, establishing an immortal dynasty of survivors, fighting zombies, killing the mutated beasts. **Suburban Zombie High: The Reunion** Jeremy Flagg,2017-06-17 In the five years that have passed, each of the survivors has found ways to cope with the knowledge zombies nearly killed them. A covert

team has been investigating the rising dead, quietly silencing outbreaks around the United States. The team has discovered that the next outbreak will take place just down the road from Boxford High at the King David Mall. The suburban town of Boxford remains oblivious to the heroics of a small band of high schoolers who kept the zombie apocalypse at bay. Now, the school is rebuilt, and the auditorium is being dedicated to the aloof teachers who vanished in the fire. The few survivors of the great fire have been invited as guests of honor. In need of clothes worthy of the ceremony, they head to the mall. With new additions to the cast, they fight their way through zombie hoards and flashmob sales. Angry moms and vicious mall walkers threaten to destroy mankind. While the outbreak ravishes the mall, something darker is afoot and may shake the graduates to their core.

I Kissed a Zombie, and I Liked It Adam Selzer, 2010-01-26 Algonquin “Ali” Rhodes, the high school newspaper’s music critic, meets an intriguing singer, Doug, while reviewing a gig. He’s a weird-looking guy—goth, but he seems sincere about it, like maybe he was into it back before it was cool. She introduces herself after the set, asking if he lives in Cornersville, and he replies, in his slow, quiet murmur, “Well, I don’t really live there, exactly. . . .” When Ali and Doug start dating, Ali is falling so hard she doesn’t notice a few odd signs: he never changes clothes, his head is a funny shape, and he

says practically nothing out loud. Finally Marie, the school paper's fashion editor, points out the obvious: Doug isn't just a really sincere goth. He's a zombie. Horrified that her feelings could have allowed her to overlook such a flaw, Ali breaks up with Doug, but learns that zombies are awfully hard to get rid of—at the same time she learns that vampires, a group as tightly-knit as the mafia, don't think much of music critics who make fun of vampires in reviews. . . .

**10th Conference on British and American Studies – Crossing Boundaries** Marinela Burada, Oana Tatu, 2014-06-30 This book consists of a collection of papers on specific issues centred around three broad areas of scholarly interest: native language analysis, foreign language acquisition and training, and cultural and literary studies. It provides a concise snapshot of the multiplicity of vantage points from which language, literature and culture-related phenomena can be studied and accounted for. The unifying principle behind the variety of issues and approaches illustrated here is the overarching notion

of Englishness treated as an object of intellectual inquiry (with a focus on the English-speaking communities, their cultures, English-based creole languages) and as a repository of methodological blueprints applicable in explorations of other languages and cultures. The authors of the articles included in this volume are academics and junior researchers who, on the occasion of the 10th Conference on British and American Studies, convened to share their ideas and pave the way for further work in intersecting research areas subsumed under linguistics, sociolinguistics, and cultural studies.
