What's Up with White Women? Ilsa Govan,Tilman Smith,2021-10-19 As a white woman, ask yourself: are you upholding or fighting racism? What's Up with White Women? is a practical guide for white women who are interested in becoming more effective in their cross-cultural, anti-racist practices. Blending real-life stories, theory, and anti-racism practices from decades of on-the-ground work, the authors invite white women to understand their gendered role in systemic racism and their unique opportunity for action. Both frank and compassionate, coverage includes: Stories of white women's experiences with sexism, racism, and white privilege How white women harm BIPOC and ourselves by colluding with systems of oppression Why and how white women often hijack race conversations A powerful six-stage identity development model for self-reflection and growth Guiding questions and practical actions for strengthening anti-racism practices Tools to cultivate genuine partnerships with BIPOC individuals and groups. White women are positioned in a power hierarchy between white men and BIPOC. It is time for white women to step up and undertake deep reflection on their role in systemic racism and take concrete actions that support equity and justice for all people. Working on a Song Anaïs Mitchell,2020-10-06 Working On A Song is one of the best books about lyric writing for the theater I've read.—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hometown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as “The best new musical of the season,” by The Wall Street Journal, and “Sumptuous. Gorgeous. As good as it gets,” by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anaïs Mitchell takes readers inside her more than decade’s-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hometown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from “the underground” evolved, and became the songs we sing again and again.

Burn It Down Lilly Dancyger,2019-10-08 A rich, nuanced exploration of women's anger from a diverse group of writers Women are furious, and we're not keeping it to ourselves any longer. We're expected to be composed and compliant, but in a world that would strip us of our rights, disparage our contributions, and deny us a seat at the table of authority, we're no longer willing to quietly seethe behind tight smiles. We're ready to burn it all down. In this ferocious collection of essays, twenty-two writers explore how anger has shaped their lives: author of the New York Times bestseller The Empathy Exams Leslie Jamison confesses that she used to insist she wasn't angry -- until she learned that she was; Melissa Febos, author of the Lambda Literary Award-winning memoir Abandon Me, writes about how she discovered that anger can be an instrument of power; editor-in-chief of Bitch Media Evette Dionne dismantles the angry Black woman stereotype; and more. Broad-ranging and cathartic, Burn It Down is essential reading for any woman who has scorched with rage -- and is ready to claim her right to express it.

Dancing Lessons Mark St. Germain,2015-05-15 DANCING LESSONS centers on Ever, a young man with Asperger’s syndrome, who seeks the instruction of a Broadway dancer to learn enough dancing to survive an awards dinner. The dancer, Senga, however, is recovering from an injury that may stop her dancing career permanently. As their relationship unfolds, they’re both caught off-guard by the discoveries—both hilarious and heartwarming—that they make about each other and about themselves.

Papergirl Melinda McCracken,2019-04-29T00:00:00Z Ten-year-old Cassie lives with her working-class family in 1919 Winnipeg. The Great War and Spanish Influenza have taken their toll, and workers in the city are frustrated with low wages and long hours. When they orchestrate a general strike, Cassie — bright, determined and very bored at school — desperately wants to help. She begins volunteering for the strike committee as a papergirl, distributing the strike bulletin at Portage and Main, and from her corner, she sees the strike take shape. Threatened and taunted by upper-class kids, and getting hungrier by the day, Cassie soon realizes that the strike isn’t just a lark — it’s a risky and brave movement. With her impoverished best

friend, Mary, volunteering in the nearby Labour Café, and Cassie's police officer brother in the strike committee's inner circle, Cassie becomes increasingly furious about the conditions that led workers to strike. When an enormous but peaceful demonstration turns into a violent assault on Bloody Saturday, Cassie is changed forever. Lively and engaging, this novel is a celebration of solidarity, justice and one brave papergirl.

Illustrated by Tanya Zabinski in her characteristic earthy style, each action comes with an inspirational mini-bio of a real hero who exemplifies that action, from Thich Nhat Hanh (breathe) to Wangari Maathai (plant), and follows with a set of What You Can Do prompts. With a foreword by singer-songwriter and activist legend, Ani DiFranco.

Empire Michael Hardt, Antonio Negri, 2001-09-15 Imperialism as we knew it may be no more, but Empire is alive and well. It is, as Michael Hardt and Antonio Negri demonstrate in this bold work, the new political order of globalization. It is easy to recognize the contemporary economic, cultural, and legal transformations taking place across the globe but difficult to understand them. Hardt and Negri contend that they should be seen in line with our historical understanding of Empire as a universal order that accepts no boundaries or limits. Their book shows how this emerging Empire is fundamentally different from the imperialism of European dominance and capitalist expansion in previous eras. Rather, today's Empire draws on elements of U.S. constitutionalism, with its tradition of hybrid identities and expanding frontiers. Empire identifies a radical shift in concepts that form the philosophical basis of modern politics, concepts such as sovereignty, nation, and people. Hardt and Negri link this philosophical transformation to cultural and economic changes in postmodern society—to new forms of racism, new conceptions of identity and difference, new networks of communication and control, and new paths of migration. They also show how the power of transnational corporations and the increasing predominance of postindustrial forms of labor and production help to define the new imperial global order. More than analysis, Empire is also an unabashedly utopian work of political philosophy, a new Communist Manifesto. Looking beyond the regimes of exploitation and control that characterize today's world order, it seeks an alternative political paradigm—the basis for a truly democratic global society.

In Praise of Wasting Time Alan Lightman, 2018-05-15 In this timely and essential book that offers a fresh take on the qualms of modern day life, Professor Alan Lightman investigates the creativity born from allowing our minds to freely roam, without attempting to accomplish anything and without any assigned tasks. We are all worried about wasting time. Especially in the West, we have created a frenzied lifestyle in which the twenty-four hours of each day are carved up, dissected, and reduced down to ten minute units of efficiency. We take our iPhones and laptops with us on vacation. We check email at restaurants or our brokerage accounts while walking in the park. When the school day ends, our children are overloaded with "extras." Our university curricula are so crammed our young people don't have time to reflect on the material they are supposed to be learning. Yet in the face of our time-driven existence, a great deal of evidence suggests there is great value in "wasting time," of letting the mind lie fallow for some periods, of letting minutes and even hours go by without scheduled activities or intended tasks. Gustav Mahler routinely took three or four-hour walks after lunch, stopping to jot down ideas in his notebook. Carl Jung did his most creative thinking and writing when he visited his country house. In his 1949 autobiography, Albert Einstein described how his thinking involved letting his mind roam over many possibilities and making connections between concepts that were previously unconnected. With *In Praise of Wasting Time*, Professor Alan Lightman documents the rush and heave of the modern world, suggests the technological and cultural origins of our time-driven lives, and examines the many values of "wasting time"—for replenishing the mind, for creative thought, and for finding and solidifying the inner self. Break free from the idea that we must not waste a single second, and discover how sometimes the best thing to do is to do nothing at all.

Freedom of Expression® Kembrew McLeod, 2007 In 1998 the author, a professional prankster, trademarked the phrase freedom of expression to show how the expression of ideas was being restricted. Now he uses intellectual property law as the focal point to show how economic concerns are seriously eroding creativity and free speech.

Yellowman Dael Orlandersmith, 2009-08-19 These two raucously acclaimed new plays by Dael Orlandersmith, whom The New York Times has called an otherworldly messenger, perhaps the sorcerer's apprentice, or a heaven-sent angel with the devil in her, confirm her reputation as one of the truly unique voices in contemporary American drama. In *Yellowman*, a finalist for the 2002 Pulitzer Prize in Drama, Alma and Eugene have known each other since they were young children. As their friendship blossoms into love, Alma struggles to free herself from her mother's poverty and alcoholism, while Eugene must contend with the legacy of being yellow—lighter-skinned than his brutal and unforgiving father. In *My Red Hand, My Black Hand*, a

young woman explores her heritage as the child of a blues-loving Native American man and a black sharecropper's daughter from Virginia. Alternately joyous and harrowing, both plays are powerful examinations of the racial tensions that fracture communities and individual lives.

Birth Matters Ina May Gaskin,2011-01-04 Renowned for her practice's exemplary results and low intervention rates, Ina May Gaskin has gained international notoriety for promoting natural birth. She is a much-beloved leader of a movement that seeks to stop the hyper-medicalization of birth—which has lead to nearly a third of hospital births in America to be cesarean sections—and renew confidence in a woman's natural ability to birth. Upbeat and informative, Gaskin asserts that the way in which women become mothers is a women's rights issue, and it is perhaps the act that most powerfully exhibits what it is to be instinctually human. Birth Matters is a spirited manifesta showing us how to trust women, value birth, and reconcile modern life with a process as old as our species.

The Good Mother Myth Avital Norman Nathman,2013-12-31 In an era of mommy blogs, Pinterest, and Facebook, The Good Mother Myth dismantles the social media–fed notion of what it means to be a “good mother.” This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories, each adding to the narrative of motherhood we don’t tend to see in the headlines or on the news. From tales of mind-bending, panic-inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos, the honesty of the essays creates a community of mothers who refuse to feel like they’re in competition with others, or with the notion of the ideal mom—they’re just trying to find a way to make it work. With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti, Sharon Lerner, Soraya Chemaly, Amber Dusick, and many more, this remarkable collection seeks to debunk the myth and offer honest perspectives on what it means to be a mother.

The Sharp Edges of Water Angelique Jamail,2019-01-08 In this collection of poems, the characters swerve between the rain-drenched, tree-lined, concrete plains of Houston and the voluptuous, dynamic terrain of Los Angeles. They face multiple realities, and though they're earnestly grounded, they sometimes swim in the waters of magic realism. Their story is both relatable and a little bit surreal.

New Sounds John Schaefer,1987 All kinds of modern music from minimalism to electronic jazz are described and discographies of each are provided.

Direct Action David Graeber,2009-09-01 A radical anthropologist studies the global justice movement.

Beyond Revenge Michael McCullough,2008-03-31 Why is revenge such a pervasive and destructive problem? How can we create a future in which revenge is less common and forgiveness is more common? Psychologist Michael McCullough argues that the key to a more forgiving, less vengeful world is to understand the evolutionary forces that gave rise to these intimately human instincts and the social forces that activate them in human minds today. Drawing on exciting breakthroughs from the social and biological sciences, McCullough dispenses surprising and practical advice for making the world a more forgiving place. Michael E. McCullough (Miami, Florida), an internationally recognized expert on forgiveness and revenge, is a professor of psychology at the University of Miami in Coral Gables, Florida, where he directs the Laboratory for Social and Clinical Psychology.
