Bilal Cooks Daal Aisha Saeed, 2019-06-04 A Kirkus Reviews Best Picture Book of 2019 An Asian/Pacific American Award for Literature Honor Book 2019 Six-year-old Bilal introduces his friends to his favorite dish--daal!--in this charming picture book that showcases the value of patience, teamwork, community, and sharing. Six-year-old Bilal is excited to help his dad make his favorite food of all-time: daal! The slow-cooked lentil dish from South Asia requires lots of ingredients and a whole lot of waiting. Bilal wants to introduce his friends to daal. They've never tried it! As the day goes on, the daal continues to simmer, and more kids join Bilal and his family, waiting to try the tasty dish. And as time passes, Bilal begins to wonder: Will his friends like it as much as he does? This debut picture book by Aisha Saeed, with charming illustrations by Anoosha Syed, uses food as a means of bringing a community together to share in each other's family traditions.

Phonics School Hana Rolles, Enabling Genius Studios, 2016-01-05 Phonics School is a fantastic cartoon series and a book teaching phonics. Phonics School is a place where the letters of the alphabet (Phonikers) come to learn who they are! Phonikers are like any other children, some spend their time avoiding trouble whilst others positively look for it. Children join Phonikers, as they discover their sounds, shapes & names. The book includes a fully animated series DVD with 16 episodes (90 minutes). Children learn to read & write or cry laughing.

Building Knowledge in Early Childhood Education Jane Murray,2017-04-27 A focal point of early childhood education is how young children build knowledge and the ways that practitioners, parents and carers can help them to do so. Many adults find it challenging to identify what knowledge young children are building and how they do so, making it difficult to support young children's learning and development in the most effective ways. This essential guide will help you to identify and develop young children's knowledge and understanding in early years settings, not only in terms of statutory requirements but far beyond them. Building Knowledge in Early Childhood Education draws on empirical research findings from the Young Children As Researchers (YCAR) project to examine everyday activities and reveal the means that young children use to build knowledge and understanding, as well as exploring the similarities between learning behaviours in early childhood and adult life. Interweaving everyday activities in practice with research and theory, this book covers: how young children construct knowledge; learning, problem-solving and exploring; concepts and conceptualising in early childhood; evidence-based decision-making; how young children behave as researchers. Offering practical advice and suggestions to create opportunities that identify and facilitate young children's own constructions of knowledge and understanding, this book is essential reading for practitioners, students and all those interested in the theories surrounding young children as researchers.

Pete the Cat 12-Book Phonics Fun! James Dean,Kimberly Dean,2020-07-14 Pete the Cat helps kids learn to read with phonics! Who knew reading could be so groovy? This set of 12 simple and fun Pete the Cat storybooks is an excellent choice to share with your beginning reader. It's a fun way to learn to read and as a supplement for activity books for children ages 3 to 6. Enter into the world of reading with My First I Can Read! Reviewed by a phonics expert, these 12 short full-color books feature repeated examples of short and long vowel sounds and common sight words. Each of the simple stories in this box

set is designed to teach kids how to master reading while rocking out with Pete the Cat. Phonics teaches children the relationship between letters and the sounds they make. A child who has mastered these relationships has an excellent foundation for learning to read and spell. According to the National Institute of Child Health & Human Development, a child who has learned phonics has a method to recognize familiar words and “decode” unfamiliar ones.
