United States Immigration, 1800-1965: A History in Documents James S. Pula, 2020-08-01 The debate over immigration has been a hallmark of the American nation since its earliest days, and it persists in generating a complex spectrum of opinions and emotions. United States Immigration, 1800-1965 provides a compact yet diverse selection of primary documents that helps to illuminate immigration as one of the defining features of the American social, cultural, and political landscape. A wide array of primary sources is included: documents written by immigrants that chronicle their own experiences; examples of pro- and anti-immigration sentiments and arguments; and government documents, including immigration laws and federal court rulings. In all, 75 documents (including 20 images) help to tell the story of United States immigration from roughly 1800 through to the Hart-Celler Act of 1965.

The Flying McCoys Glenn McCoy,2011-10-01 This zany strip enters the comic-collection scene with circus-like zeal. All that's missing is a parade of elephants and a clown-car escort. Gary and Glenn McCoy's delightfully absurd comic panel blends superheroes, office humor, huggable animals, and twisted relationships in a bizarre marriage of Gary Larson, the New Yorker, Conan O'Brien, and Mad Magazine. Put succinctly, the brothers McCoy present comics for a bold new world. Creating a world where greeting cards heal hospital patients, police officers pull over children driving bumper cars, babies use the patch to quell the pacifier habit, and nudists find out what constitutes a streaker in their colony, the St. Louis area natives alternate writing and drawing duties for the daily panel. The

brothers each have been nominated for multiple National Cartoonists Society awards, and Glenn has won in three categories. Gary McCoy's past as a comedian (he won HBO's Stand-Up Stand-Off contest for the St. Louis area in 1995) also shines through in the strip's offbeat humor. Their impressive freelance client list reads like a who's who in cartooning: Disney, DreamWorks, and Hyperion, to name just a few.
