High street brands such as Zara, Topshop and H&M have put fashion within the reach of anyone, whilst massive media attention has turned designers such as Tom Ford, Alexander McQueen and Stella McCartney into brands in their own right. This new edition of the international best-seller Fashion Brands explores the popularization of fashion and explains how marketers and branding experts have turned clothes and accessories into objects of desire. Full of first hand interviews with key players, it analyses every aspect of fashion from a marketing perspective. With its finger firmly on the fashion pulse, it also looks at the impact of blogging and the rise of celebrity-endorsed products and fashion ranges. **You Can't Be Serious** Kal Penn,2021-11-02 The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunties and guidance counselors and, instead of becoming a doctor or “something practical,” embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this “incredibly joyful and insightful” (Kiefer Sutherland) memoir. You Can’t Be Serious is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn’s idiosyncratic life. It’s about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie Van Wilder...or getting a phone call from Air Force One as Kal flew with the country’s first Black president. “By turns hilarious, poignant, and inspiring” (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, You Can’t Be Serious shows that everyone can have more than one life story. The book “is insightful, funny, and instructive for anyone who’s ever grappled with how they fit into the American dream” (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you

have many more choices than those presented to you. And okay, yes, it’s also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let’s be honest, that’s the kind of stuff you really want to hear about.
