Until the End of Time Stan Rogers,2010-08-20 I like to examine the dark side of life through my writing. Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side. This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside. Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children's stories. So please read my Anthology. It will make you smile I hope as well as make you cry. I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL. I always point out that it is not a science fiction novel as such. There are no time machines, aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life.
