The Ultimate Guide to Antiaging - Look 10 Years Younger in 10 Weeks Rosi Thomas,2014-11-13 The Ultimate Guide to Antiaging - Look 10 Years Younger in 10 WeeksThe inside story from an ex-nurse on antiaging diet strategies and antiaging tips for skincareThe message at the very heart of the book is this - that our skin is the mirror of our overall health, and the only way to keep your skin looking radiant, regenerated and relaxed is from the inside out, not from expensive anti ageing creams which only temporarily mask the problems of ageing, rather like papering over the cracks in a wall.It is pointless wasting your hard-earned cash on expensive lotions and potions to plaster on top of dull, lifeless or poorly nourished skin, because as you have now covered up the blemish you are blind to the rot that continues to eat away underneath. This is the most important fundamental concept of good skincare.Not all of the subject matter in this book is new, however its approach is inspirational, showing you not only what and how, but also why - information often given scanty consideration in other books and publications relating to antiaging and skincare, but which level of understanding is crucial to your long-term success.You will discover:*The fascinating world that is your skin, and what makes it tick - information that is crucial to you making an informed decision about any aspect of your lifestyle/antiaging skincare*How and Why wrinkles develop in your once flawless skin, and 15 major factors (there could be one or two you hadn't thought of) that can accelerate the rate of your skin's natural aging process by as much as 100%. If this doesn't shock you into action then nothing will!*NICHE SECRET REVEALED! The one underlying issue which is the fundamental key to all your health and beauty issues - the holistic link between every system and organ in your body that affects both your health and looks at the most fundamental level. Address this and everything else will fall into place. Want to know what it is? You will find the answer in Section One...*The underground world of Free Radicals clearly explained: how the ensuing state of emergency in your body leaves the pathways to aging and disease wide open, and how the power to break this chain of destruction lies in your hands and your hands alone. Discover lots of antiaging tips and antiaging diet strategies to help you do this *How the 4 most compelling emotions of women with regard to their looks are shamelessly exploited by large skincare companies, whose clever advertising cons them into buying products that - for a very specific reason which you'll later discover - cannot possibly do what they claim. Read Section Two to find out why...*The frightening truths behind botox and cosmetic surgery - how they can become an obsession, a lifetime's commitment. And for what? Discover the answer to this in Section Two...*How chemicals used in oven cleaners and anti-freeze are turning up in organic skincare - and how instead, you can boost your skin's natural properties to tighten and tone from within*NICHE SECRET REVEALED! Why applying daily moisturizer can actually be a death sentence for your skin (this is not what you think, and is intended to slightly agitate your ideas about skincare and

10 Minutes/10 Years Frederic Brandt,2007-04-17 If you find yourself lost and alone in the skin-care aisle; if you're thinking of going under the knife, but hoping you won't have to; if you need specific, detailed information about how to get rid of the bags under your eyes or those ever-deepening furrows in your brow; if you've gone to your girlfriends, women's magazines, cosmetics counters, facialists, and plastic surgeons and gotten lots of conflicting answers; then Dr. Fredric Brandt's simple, streamlined system is for you. With 10 Minutes/10 Years, one of the world's most famous cosmetic dermatologists offers a breakthrough skin-care program that will take you only ten minutes a day -- and will reverse your skin's aging process by ten years. There is a skin-care revolution taking place; the days of washing your face with soap and water and slapping on some cream are long gone. But this means that skin care isn't simple anymore. As new products appear, seemingly overnight, it becomes harder to know what's right for your skin. With warmth and humor, Dr. Brandt cuts through the information overload to provide concrete information and advice for women of all ages and of every skin type. He helps you determine who to go to and who not to go to as well as what to ask. 10 Minutes/10 Years is a uniquely formatted, problem/solution-driven guidebook that reveals many unknown threats to the skin which age it before its time, such as sugar and diet (Chapter 3). Need to know about the brown spots on your cheeks?

Turn to Chapter 6. Sick of your drooping chin? Read Chapter 14. Driven to despair by your thinning hair? Look at Chapter 19. But before you decide what system you need, consult Chapter 4 for a comprehensive list of the best products, treatments, and procedures available. Dr. Brandt explains what they are and how they work -- from the least invasive, over-the-counter creams to the most cutting-edge injectibles. Once you understand the basics, you can move on to your specific area of concern in the book's final section, which offers precise information for every skin type. There is no one-shot solution -- we are constantly aging, and we have to keep maintaining ourselves. 10 Minutes/10 Years is Dr. Brandt's targeted approach to this maintenance. His system has already helped thousands of people look younger, and now readers will have their own one-way ticket back to a youthful appearance.

The Youth Equation Jeffrey Dover, Cara Birnbaum, 2008-12-05 From one of the world's leading dermatologists, a major new guide to skin health and beauty that helps readers look ten years younger without surgery. Renowned dermatologist Jeffrey Dover and his expert skincare advice have been featured everywhere from the Today show, Good Morning America, and CNN to the New York Times, Vogue, Self, and many other publications. Known for providing high-end yet affordable skincare advice and products, Dr. Dover is the creator of the highly successful Skin Effects line. Now Dr. Dover shares his secrets with the rest of us. The Youth Equation first proves that it's not people's real age that matters, it's their skin's virtual age, or SVA, that reflects the way their complexion is behaving. The book then reveals Dr. Dover's unique program for looking ten years younger--at any age. The Youth Equation includes a revealing quiz to calculate readers' SVA scores. Dr. Dover then walks readers through the world of skincare ingredients to create a customized do-at-home plan anyone at any age can follow simply by picking up a few products at the local drugstore. Dover's comprehensive product guide includes many popular brands and shows which cleansers, treatment creams, and sunscreens really live up to their promises, offering options to suit a range of skin types and budgets. For those who want to jumpstart their progress with a more aggressive approach, Dr. Dover demystifies injectable fillers, Botox, lasers and light sources, anti-cellulite treatments, chemical peels, cosmetic surgical procedures, and more with a combination of intelligence, warmth, and refreshing candor. The Youth Equation is a fresh and indispensable guide to better skin health and beauty.

DIY Anti-Aging Beauty Checklist Helena Schaar, 2019-02-05 This booklet covers beginner to intermediate level anti-aging products & procedures for at-home use. These are placed into a concise calendar-style checklist to easily keep track of progress. This contains the best lotions and tools including facial exercise, dermaroller microneedling, dermaplaning, peels, hydration, exfoliation, collagen stimulation, next level devices, and much more. There are multitudes of anti-aging products on the market. It can be overwhelming to figure out which to choose, and when to use them. After sorting through the numerous products, those that are consistently ranked high in reviews are listed here in a simple calendar-style checklist. Also provided is a shopping list of supplies, which are surprisingly inexpensive. When these products are used in conjunction with a daily schedule, they will help to minimize the signs of aging, hydrate the skin, stimulate collagen, diminish wrinkles, and improve skin texture and overall appearance.

Skin Care And Repair Tom Calta, 2021-05 What is Cosmeceutical Skincare? Cosmeceuticals are a class of skincare products that contain biologically active ingredients capable of exerting physiologic changes to the skin. Simply put, cosmeceutical skincare products don't just make your skin look better temporarily, they can actually create changes in your skin. This book discusses the most effective cosmeceutical ingredients, how they work, evidence for their effectiveness based on published clinical trials, and why many anti-aging skin creams produce no results despite having the right ingredients. You will also learn how to make your own effective anti-aging products using identical cosmeceutical ingredients to those used in commercial products, improving your chances of seeing real results while saving a significant amount of money.

Anti Aging Made Easy Dorothy Mason,2021 When it comes to reducing wrinkles, you really have to take your needs seriously. There are a number of factors that play a role in the health and well-being of your skin. It is often hard to understand how products work and why they may not work even if they promise to do so. If you are considering wrinkle creams and a regimen of facelifts, you may go broke in the process.Before you do all of that, consider going through a process of determine the very best solution for your needs. The first thing to consider is the health of your skin. Your skin needs to be healthy if you are to keep it from looking old too fast. In addition, it will allow you to look young and healthy. Just because you have wrinkles, though, does not mean that your skin is unhealthy. In fact, it just means that your need to take a closer look at your overall health. The place to start is with your diet. • Do you eat healthy foods such as a diet that is rich in deep colored vegetables?• Do you eat a lot of foods that you know are not healthy for you?• Do you eat foods that are overly greasy? All of these things can cause many areas of your body to not function in the right way. If you are looking for a solution to your wrinkles first start with improving your overall diet. This means giving your body the necessary nutrients through the food that you consume. Many people make the mistake of assuming that what they eat doesn’t matter. If you are getting wrinkles early on, it could be caused by your lack of a healthy diet. Improve your diet and improve your overall health as well as your skin’s look.
