*Chasing Windmills* Catherine Ryan Hyde,2009-03-10 From the bestselling author of Pay It Forward comes a provocative and unlikely love story that starts on a New York subway car and blossoms under the windmills of the Mojave Desert.Both Sebastian and Maria live in worlds ruled by fear. Sebastian, a lonely seventeen-year-old, is suffocating under his dominant father's control; Maria, a young mother of two, is trying to keep peace at home despite her boyfriend's abuse. When their eyes meet across a subway car one night, these two strangers find a connection that neither can explain or ignore. They dream of a new future and agree to run away together, only to find that each has kept a major secret from the other. In this tremendously moving novel, Catherine Ryan Hyde shows us how two people trapped by life's circumstances can break free and find a place in the world where love is genuine and selfless.

*Daydreams of Angels* Heather O'Neill,2015-10-06 Inventive, outlandish, and tender fairy tales from a bestselling author The fantastic has always been at the edges of Heather O'Neill's work. In her bestselling novels Lullabies for Little Criminals and The Girl Who Was Saturday Night, she transformed the shabbiest streets of Montreal with her beautiful, freewheeling metaphors. She described the smallest of things—a stray cat or a second-hand coat—with an intensity that made them otherworldly. In *Daydreams of Angels*, O'Neill's first collection of short stories, she gives free reign to her imaginative gifts. In *The Ugly Ducklings*, generations of Nureyev clones live out their lives in a grand Soviet experiment. In *Dear Piglet*, a teenaged cult follower writes a letter to explain the motivation behind her crime. And in another tale, a grandmother reveals where babies come from: the beach, where young mothers-to-be hunt for infants in the surf. Each of these beguiling stories twists the beloved narratives of childhood—fairy tales, storybooks, Bible stories—to uncover the deepest truths of family life.

**The Return of the Chaos Monsters** Gregory Mobley,2012-01-31 Gregory Mobley plunges beneath the Bible's surface to reveal its backstories -- the tales that constitute the backbone of the people Israel and of the body of Christ. Viewing the Bible as essentially, relentlessly story, Mobley provides an easy-to-understand sevenpart thematic overview of the Bible that guides readers through the drama of the Hebrew Bible, highlighting the interconnectedness of biblical stories. Each story is a variation on a single theme -- the dynamic interplay between order and chaos. Intriguing Ancient Near Eastern myths, personal anecdotes, and popular cultural references from movies, musical theater, and writers ranging from Dr. Seuss to William Blake pepper the book throughout. Arresting chapter and section titles such as *It's Love That Makes the World Go 'Round* and *Lord Bezek's Big Toes* capture the imagination, and Mobley's own lyrical, energetic writing style -- exercised on vibrant biblical material -- propels the reader forward. Readers will find his enthusiasm contagious!

*English-Haitian Creole Bilingual Dictionary* Albert Valdman,Marvin D. Moody,Thomas E. Davies,2017-04-06 Haitian Creole (HC) is spoken by approximately 11,000,000 persons in Haiti and in diaspora communities in the United States and throughout the Caribbean. Thus, it is of great utility to Anglophone professionals engaged in various activities—medical, social, educational, welfare— in these regions. As the most widely spoken and best described creole language, a knowledge of its vocabulary is of interest and utility to scholars in a variety of disciplines. The English-Haitian Creole Bilingual Dictionary (EHCBD) aims to assist anglophone users in constructing written and oral discourse in HC; it also will aid HC speakers to translate from English to their language. As the most elaborate and extensive linguistic tool available, it contains about 30 000 individual entries, many of which have multiple senses and include subentries, multiword phrases or idioms. The distinguishing feature of the EHCBD is the inclusion of translated sentence-length illustrative examples that provide important information on usage.
