COVID unleashed a cascade of consequences that are now reaching far beyond the pandemic itself. Governments have begun leveraging the coronavirus and even the vaccine as a power grab, setting the stage for further intrusions in the future. These accelerants are driving the world to the precipice of fundamental, irreversible transformation. The winds of change are blowing. Tectonic shifts are underway at every level. These realities are alarming by themselves. And yet, there remains a still deeper, more sinister agenda imbedded within. According to prophecies found in the Bible, a one-world government will indeed emerge in the end times. According to the book of Revelation, a future unified government will encompass the whole earth, and Satan himself will be behind it for the ultimate purpose of ruling over all the earth and being worshipped by its inhabitants. While we aren't in the end times, we're on the edge of the precipice. In Global Reset, readers will discover: The "Great Reset" agenda that sets the stage for the end time scenario prophesied in Scripture How China and other great nations are beginning to play a dominant role in international, socioeconomic, and political dynamics Possible scenarios regarding America in the end times and what believers can do to stem the tide of decline God's great reset planned for planet earth and humanity—the millennial reign of Christ Every person's needs for an eternal personal reset that

can come only through Jesus Christ Prepare yourself spiritually and arm yourself with information. Find answers to the questions everyone should be asking about current world events and how they may be ushering in Christ's return.

**Dirty Work** Eyal Press, 2021-08-17 A groundbreaking, urgent report from the front lines of dirty work—the work that society considers essential but morally compromised. Drone pilots who carry out targeted assassinations. Undocumented immigrants who man the “kill floors” of industrial slaughterhouses. Guards who patrol the wards of the United States’ most violent and abusive prisons. In *Dirty Work*, Eyal Press offers a paradigm-shifting view of the moral landscape of contemporary America through the stories of people who perform society’s most ethically troubling jobs. As Press shows, we are increasingly shielded and distanced from an array of morally questionable activities that other, less privileged people perform in our name. The COVID-19 pandemic has drawn

unprecedented attention to essential workers, and to the health and safety risks to which workers in prisons and slaughterhouses are exposed. But *Dirty Work* examines a less familiar set of occupational hazards: psychological and emotional hardships such as stigma, shame, PTSD, and moral injury. These burdens fall disproportionately on low-income workers, undocumented immigrants, women, and people of color. Illuminating the moving, sometimes harrowing stories of the people doing society's dirty work, and incisively examining the structures of power and complicity that shape their lives, Press reveals fundamental truths about the moral dimensions of work and the hidden costs of inequality in America.

**The Difficult Words of Jesus** Amy-Jill Levine,2022-10-31 As well as telling parables and stories, giving teachings on how to discern questions of ethics and human nature, and offering beatitudes for comfort and encouragement, Jesus also spoke words and flung insults that followers then and now have found difficult, to say the least. He instructs disciples to hate members of their own families (Luke 14:26), warns that unending fire awaits some people, says body parts should be cut off if they offend. He calls a foreign woman a 'dog', the Jews 'offspring of vipers' and his closest disciple 'Satan'. Preachers often gloss over these or avoid them altogether as they are still so shocking. In *The Difficult Words of Jesus*, Amy-Jill Levine sheds vital light on understanding these

by exploring how these sayings sounded to those who first heard them. She reveals Jewish modes of expression, humour and the long tradition of Jewish insults and what they mean, and how we might interpret these sayings today within a gospel of love and reconciliation.
