Kylie Gilmore, 2020-07-21 A slow burn friends-to-lovers romance! Chloe Friends with benefits isn't a real thing. Nope. Once you cross the line, that friendship is over. Ask me how I know. So I'm keeping my head down, focused on getting into medical school and ultimately working to find the cure for cancer. I want my life to mean something, to give back something significant to the world. Guys are a distraction I can't afford. Brendan From the moment I met Chloe Travers, a protective streak I never knew I had took over. Despite my raging lust, I kept her at arm's length. We have a family connection, which means casually hooking up is out. Too much potential fallout and awkward future encounters. And then she moves in next door for the summer. Awkward? More like the ultimate test of my willpower. We're spending every spare moment together as friends, and it's driving me insane. I want to cross that line, but what if I make a move and lose her?
