**Beginning Learner's Egyptian Arabic Dictionary** Matthew Aldrich, Heba Salah Ali, 2022-02-06 The Beginning Learner's Egyptian Arabic Dictionary is perfect for anyone looking to build their core vocabulary and understanding of the language. With over 1,400 common words, phrases, and expressions, plus 1,700 example sentences with translations, this dictionary is not just a reference but also a self-study tool. Learners can benefit from the grammar and usage notes, and the English-Arabic Index and Phonemic Transcription Index make it easy to find what you're looking for. On the publisher's website, you can download or stream the free accompanying audio, which includes all the headwords and example sentences from the dictionary.

**Arabic Vocabulary Book** Pinhok Languages, 2022-04-29 Arabic vocabulary book + Arabic dictionary This Arabic vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Arabic-English as well as English-Arabic dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Arabic learning resource is a combination of Arabic vocabulary book and a two-way basic Arabic dictionary: Part 1 - Topic based Arabic vocabulary book: This is the main part of the book and represents a list of chapters each containing Arabic vocabularies for a certain topic. The Arabic vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Arabic dictionary: The index in the second half of the book can be used as a basic Arabic dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Arabic-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Arabic words and directly find the English translation How to use this Arabic vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Arabic dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Arabic translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Arabic dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Arabic and comes in particularly handy at times when there is no internet to look up words and phrases.

**Lingualism Arabic Learner's Dictionary** Matthew Aldrich, 2013-12-20 Specifically designed for learners of Modern Standard Arabic, the Lingualism Arabic Learner's Dictionary presents the language as it is actually used by Arabs today. The dictionary includes recent additions to Modern Standard Arabic, as well as foreign borrowings. The vocabulary covered in the dictionary has been taken from a variety of sources to include words and phrases likely to appear in learners' course books, as well as modern literature and the media, for a total of over 17,000 Arabic words and phrases. One of the significant advantages of this dictionary is its user-friendliness. Although entries are arranged according to their roots, which can prove challenging for learners, various aids and strategies are presented to assist in finding the sought entry efficiently, including an alphabetical index of hard-to-find roots and a table on the back cover to assist in pinpointing a root's page number quickly. A wealth of information related to the headword is included: plural and relative forms, conjugations, grammatical structures, compound nouns, common phrases, idioms, and proverbs, as well as example sentences when required to make the usage or meaning clear. Dozens of photos illustrate cultural and religious concepts. The dictionary also contains geographical information, including maps for each Arabic-speaking country, as well as entries for most countries, their capitals, and large cities throughout the world. Verb entries contain table references, which can be found in the dictionary's companion book Modern Standard Arabic Verbs Conjugation Tables.

**Arabic-English Bilingual Visual Dictionary**, 2009-04-20 The newest edition to the Visual Bilingual Dictionary series, this title will help the international visitor-whether for business or recreational-adsorb essential vocabulary in Portuguese.

**Beginning Learner's Russian Dictionary** Matthew Aldrich, Oksana Baranova, 2016-06-16 The Beginning Learner's Russian Dictionary is designed for beginning learners of the Russian language, including those who are going to take the Test of Russian as a Foreign Language (TORFL) at the elementary (A1) level. Bonus: Free audio tracks available to download and stream from [www.lingualism.com/blrd](http://www.lingualism.com/blrd). The dictionary is based on the official Lexical Minimum for the standardized test, which was developed by the Russian Ministry of Education and Science and includes 780 items that learners are expected to know at the A1 level. To these, the names of countries, common Russian personal names, and grammatical terms have been added, bringing the total number of headwords in the dictionary to just over 1,000. Whether or not you plan to take the TORFL test, this selection of vocabulary will provide a solid base upon which to build your competency in Russian. This dictionary offers many advantages for beginning learners over other Russian-English dictionaries. It offers a reader-friendly, uncluttered layout. Only

senses appropriate to the A1 level appear in the entries. Grammatical information is presented clearly in tables along with invaluable usage notes. Example sentences contain only A1-level vocabulary. Beginning learners may find other dictionaries overwhelming, as entries contain multiple senses, many of which are uncommon and make it difficult to determine which sense is intended. Such dictionaries present limited grammatical information, often in abbreviated form, under the assumption that the reader is proficient in Russian grammar. Likewise, example sentences may contain too many higher-level vocabulary words to be of use to beginning learners. An English-Russian index makes it easy to locate the Russian word you need and learn more about its pronunciation, grammar, and usage. The Beginning Learner's Russian Dictionary is meant to be more than a reference in which to look up unknown words. It is a study tool to expand your lexicon and build a solid base in both vocabulary and grammar. You are encouraged to read through entry after entry, studying the structure of the example sentences, noticing the inflections of nouns, adjectives, and verbs, and practicing your listening skills and pronunciation while listening to the accompanying audio tracks.

**Sudanese Arabic-English - English-Sudanese Arabic** Janet Persson,Rianne Tamis,2013-05 This dictionary has been produced specifically as a resource for foreign learners of Sudanese Arabic. The language is spoken in Khartoum and throughout most of the Republic of Sudan, but it is essentially an unwritten language, since Modern Standard Arabic is almost always used for written communications. Foreigners therefore do not find it easy to learn the spoken language, though some coursebooks do exist. So this dictionary will be invaluable for both beginning language learners and those who have already made progress in learning the language. It should supply all the vocabulary needed for everyday conversations and many working situations. Rianne Tamis holds an M.A. in Semitic Languages from the Catholic University of Nijmegen. She has worked at the Catholic Language Institute of Khartoum since 2002 as assistant director, course editor and teacher of Sudanese Arabic. Janet Persson has an M.A. in Linguistic Science from Reading University. For many years she has been involved in linguistic research with SIL International in a number of languages, including Sudanese Arabic. She and her husband Andrew are the authors of Sudanese colloquial Arabic for beginners.
