A Sense of the Sacred James Monti, 2012-01-01 This incomparable volume presents a comprehensive exploration and explanation of medieval liturgical celebrations. The reverent prayers, hymns and rubrics used in the Middle Ages are described in detail and interpreted through the commentary of scholars from the same time period, the era which is also known as the Age of Faith. Collected here is a wide range of ceremonies, encompassing the seven sacraments, the major feasts of the liturgical year (such as Christmas, Easter, and Corpus Christi), and special liturgical rites (from the coronation of the pope to the blessing of expectant mothers). The sacred celebrations have been drawn from countries across western and central Europe--from Portugal to Poland--but particular attention has been given to liturgical texts of medieval Spain, which until now have received relatively little attention from scholars. Historian James Monti has done exhaustive research on medieval liturgical manuscripts, early printed missals, and the writings of medieval liturgists and theologians so that the treasures they contain can inspire a sense of the sacred in future generations of Catholics.

US Foreign Policy and Iran Donette Murray, 2009-09-11 US Foreign Policy and Iran is a study of US foreign policy decision-making in relation to Iran and its implications for Middle Eastern relations. It offers a new assessment of US-Iranian relations by exploring the rationale, effectiveness and consequences of American policy towards Iran from the aftermath of the 1979 Iranian Revolution to the present day. As a key country in a turbulent region and the recipient of some of the most inconsistent treatment meted out during or after the Cold War, Iran has been both one of America's closest allies and an 'axis of evil' or 'rogue' state, targeted by covert action and contained by sanctions, diplomatic isolation and the threat of overt action. Moreover, since the attacks of 11 September 2001, Iran has played a significant role in the war on terror while also incurring American wrath for its links to international terror and its alleged pursuit of a nuclear weapons programme. US Foreign Policy and Iran will be of interest to students of US foreign policy, Iran, Middle Eastern Politics and international security in general Donette Murray is a Senior Lecturer in the Department of Defence and International Affairs at the Royal Military Academy Sandhurst. She was awarded a PhD in International History by the University of Ulster in 1997.

The Four Mindfulnesses Gelek Rimpoche, 2009-07-14 THE FIRST EXTENSIVE COMMENTARY TO BE GENERATED IN

ENGLISH ON A TEACHING DELIVERED BY MANJUSHRI TO TSONGKHAPA For generations, The Four Mindfulnesses—of guru, bodhimind, divine body and emptiness—were taught only orally. The First Panchen Lama and Seventh Dalai Lama provided written texts, on which both of them Gelek Rimpoche has taught. The result is a rare combination that illuminates topics so central to practice. Born in Lhasa, Tibet, in 1939, bestselling author and internationally renowned Tibetan Lama Kyabje Gelek Rimpoche brings his traditional Buddhist training into strong dialogue with science, psychology, medicine, metaphysics, politics and the arts; he skillfully addresses the dilemma of living a spiritual life in a material world. His collected works now include over 30 transcripts of his teachings, numerous articles as well as the national bestseller *Good Life, Good Death* (Riverhead Books, 2001) and *The Tara Box: Rituals for Protection and Healing from the Female Buddha* (New World Library, 2004). Rimpoche is a U.S. citizen and lives in Ann Arbor, Michigan. In 1988, Rimpoche founded Jewel Heart, a Tibetan Buddhist Center with chapters in the US, Europe and Asia. Jewel Heart offers a multi-layered program for spiritual development, including weekly webcasts, annual retreats and special events. The organization also supports senior lamas and the training of young monks, a children's school and orphanage, and Buddhist performing arts tours. Sales from the Jewel Heart Store support Tibetan refugees and monasteries in India and Nepal. Gelek Rimpoche has consistently shown resiliency and flexibility of character and sound understanding of selflessness. He can be an elegant lama in a formal setting . . . a wise advisor in another setting . . . a loyal and creative colleague in the endless work of seeing to the continuing usefulness of the Dharma. —Robert A.F. Thurman Gelek Rimpoche's mix of astute psychological insight, extraordinary intellect, and great compassion—plus delightful wit—makes him a wonderful, wise spiritual friend and guide. —Daniel Goleman Gelek Rimpoche constantly shows wisdom, gentleness, depth, rascality, humor, spaciousness, and the spiritual side to everyday life. —Ram Dass

Gabriel's Conspiracy Philip J. Schwarz,2012-12-24 The plans for a large slave rebellion in the Richmond area in 1800, orchestrated by a literate enslaved blacksmith named Gabriel, leaked out before they could be executed, and he and twenty-five other enslaved people were hanged. In reaction to the plot, the Virginia and other legislatures passed restrictions on free blacks, as well as on the education, movement, and hiring out of the enslaved. Although Gabriel's conspiracy is well known among historians, documents relating to it have remained relatively inaccessible. In Gabriel's Conspiracy, Philip J. Schwarz offers a valuable selection of the documents discovered to date. Together with Michael Nicholls's complementary book, *Whispers of Rebellion* (Virginia), these volumes offer a complete account of the quashed slave conspiracy.

Fortytude Sarah Brokaw,2011-03-01 In her practice as a licensed therapist and through discussion groups all across the country, Sarah Brokaw has discovered that the women who navigate midlife most smoothly--who go on to prosper and to enjoy the best years of their lives--are those who foster five Core Values in themselves. In Fortytude, she shows how any woman can nourish these qualities in herself, and evolve and thrive. The five Core Values are: Grace - when a woman lives with integrity, capitalizing on her own strengths while admiring the strengths of others Connectedness - experiencing satisfaction in connections with others Accomplishment - the sense of realizing goals and getting things done--which is necessary in today's world, when women are expected to cram 48 hours of living into every 24-hour day Adventure - a willingness to seek challenges outside the normal comfort zone Spirituality - a personal approach to religion, and an understanding that life has a meaning beyond the day-to-day details In Brokaw's reassuring voice and through the stories of incredible women from all walks of life, readers can learn how they, too, can embrace and fully enjoy their forties, fifties, and beyond.
