In Search of Song: The Life and Times of Lucy Broadwood Dr Dorothy de Val,2013-01-28 Born into the famous family of piano makers, Lucy Broadwood (1858-1929) became one of the chief collectors and scholars of the first English folk music revival in the late nineteenth and early twentieth centuries. Privately educated and trained as a classical musician and singer, she was inspired by her uncle to collect local song from her native Sussex. The desire to rescue folk song from an aging population led to the foundation of the Folk Song Society, of which she was a founder member. Mentor to younger collectors such as Percy Grainger but often at loggerheads with fellow collector Cecil Sharp and the young Ralph Vaughan Williams, she eventually ventured into Ireland and Scotland, while remaining an eclectic contributor and editor of the Society's Journal, which became a flagship for scholarly publication of folksong. She also published arrangements of folk songs and her own compositions which attracted the attention of singers such as Harry Plunket Greene. Using an array of primary sources including the diaries Broadwood kept throughout her adult life, Dorothy de Val provides a lively biography which sheds new light on her early years and chronicles her later busy social, artistic and musical life while acknowledging the underlying vulnerability of single women at this time. Her account reveals an intelligent, generous though reserved woman who, with the help of her friends, emerged from the constraints of a Victorian upbringing to meet the challenges of the modern world.

Exposing the "Culture of Arrogance" in the Academy Gail L. Thompson,Angela C. Louque,2023-07-12 There generally remains a gulf between the way most Black faculty perceive the racial climate at their institutions and the recognition by non-Black faculty and administrators that there are problems and that these perceptions have merit. This book is intended to promote a productive dialogue.This book weaves the authors' own experiences with the responses of 136 Black faculty to a questionnaire, and a smaller sample who were interviewed, to identify the factors that determine Black faculty's satisfaction or dissatisfaction with their jobs and institutions.Recurring themes underscore the importance of a supportive work environment that is built on mutual respect, full inclusion in the decision-making process, and an institutional climate that does not tolerate cultural insensitivity or racism. The qualitative and quantitative information and the authors' conclusions can help postsecondary institutions improve Black faculty satisfaction levels, and ultimately, retention rates.This book will resonate with any Black faculty who have felt frustrated enough to consider leaving a postsecondary institution and with those who are content at their current institutions. For non-Black faculty and for administrators of all races, the book illuminates the sources of job satisfaction and dissatisfaction, explains the reasons their Black colleagues leave or stay, and offers valuable recommendations for change. For anyone, at any level, interested in the issue of the racial climate at his or her institution, this book offers a constructive framework for discussion and action

Proverbs, Ecclesiastes, and Song of Songs for Everyone John Goldingay,2014-01-01 Westminster John Knox Press is pleased to present the seventeen-volume Old Testament for Everyone series. Internationally respected Old Testament scholar John Goldingay addresses Scripture from Genesis to Malachi in such a way that even the most challenging passages are explained simply and concisely. The series is perfect for daily devotions, group study, or personal visits with the Bible. In this volume, Goldingay explores three books of the Old Testament in the wisdom literature genre. These three books are all associated with Solomon and his wisdom, yet unlike other books, they do not mention the Torah, the exodus, or the covenant. As Goldingay says, The basis of their teaching is the way life actually works. They look at life and reflect on experience and encourage people to live on the basis of how life works. Proverbs, Ecclesiastes, and Song of Songs for Everyone explores three practical, down to earth, and hopeful books.

Parker,Erika Hill,2022 In this book, Africana biblical scholars argue that race, class, gender, and sexuality still matter for doing biblical interpretation/translation, centering the socio-political and cultural contexts of Africana peoples negotiating life, death, and hope in the age of #BLM, #SayHerName, #MeToo, and a global pandemic.

Will You Take Me As I Am Michelle Mercer,2009-04-07 Joni Mitchell is one of the most celebrated artists of the last half century, and her landmark 1971 album, Blue, is one of her most beloved and revered works. Generations of people have come of age listening to the album, inspired by the way it clarified their own difficult emotions. Critics and musicians admire the idiosyncratic virtuosity of its compositions. Will You Take Me As I Am -- the first book about Joni Mitchell to include original interviews with her -- looks at Blue to explore the development of an extraordinary artist, the history

of songwriting, and much more. In extensive conversations with Mitchell, Michelle Mercer heard firsthand about Joni's internal and external journeys as she composed the largely autobiographical albums of what Mercer calls her Blue Period, which lasted through the mid-1970s. Incorporating biography, memoir, reportage, criticism, and interviews into an illuminating narrative, Mercer moves beyond the making of an album genre to arrive at a new form of music writing. In 1970, Mitchell was living with Graham Nash in Laurel Canyon and had made a name for herself as a so-called folk singer notable for her soaring voice and skillful compositions. Soon, though, feeling hemmed in, she fled to the hippie cave community of Matala, Greece. Here and on further travels, her compositions were freshly inspired by the lands and people she encountered as well as by her own radically changing interior landscape. After returning home to record Blue, Mitchell retreated to British Columbia, eventually reemerging as the leader of a successful jazz-rock group and turning outward in her songwriting toward social commentary. Finally, a stint with Bob Dylan's Rolling Thunder Revue and a pivotal meeting with the Tibetan lama ChÖgyam Trungpa prompted Mitchell's return to personal songwriting, which resulted in her 1976 masterpiece album, Hejira. Mercer interlaces this fascinating account of Mitchell's Blue Period with meditations on topics related to her work, including the impact of landscape on music, the value of autobiographical songwriting for artist and listener, and the literary history of confessionalism. Mercer also provides rich analyses of Mitchell's creative achievements: her innovative manner of marrying lyrics to melody; her inventive, highly expressive chords that achieve her signature blend of wonder and melancholy; how she pioneered personal songwriting and, along with Bob Dylan and Leonard Cohen, brought a new literacy to the popular song. Fans will appreciate the previously unpublished photos and a coda of Mitchell's unedited commentary on the places, books, music, pastimes, and philosophies she holds dear. This utterly original book offers a unique portrait of a great musician and her remarkable work, as well as new perspectives on the art of songwriting itself.

China and the Silk Roads (ca. 100 BCE to 1800 CE) Angela Schottenhammer,2023-09-14 The book investigates China’s relations to the outside world between ca. 100 BCE and 1800 CE. In contrast to most histories of the Silk Roads, the focus of this book clearly lies on the maritime Silk Road and on the period between Tang and high Qing, selecting aspects that have so far been neglected in research on the history of China’s relations with the outside world. The author examines, for example, issue of 'imperialism' in imperial China, the specific role of fanbing 番兵 (frontier tribal troops) during Song times, the interrelationship between maritime commerce, military expansion, and environmental factors during the Yuan, the question of whether or not early Ming China can be considered a (proto-)colonialist country, the role force and violence played during the Zheng He expeditions, and the significance the Asia-Pacific world possessed for late Ming and early Qing rulers.

Wanted Angela Morgan,2022-12-19 Many women struggle with insecurities, loneliness, and feelings of being unwanted, but all throughout Scripture, the Lord is clearly drawing us to Himself. It is not because of anything we can do for Him or give to Him but simply because He loves us and wants us! He desires a true, deep, and intimate relationship with you. Wanted is a women’s Bible study centered upon the key verse of Song of Solomon 7:10: “I am my beloved’s and his desire is toward me” and anchored in John 4, the story of the woman at the well. It serves as an encouraging reminder of God’s love and His desire to have an intimate, redeeming relationship with all who seek Him—even those who feel unworthy of His love. This love letter from the Lord Jesus, the Victorious Champion of our souls, reveals who He is in order for us to know whose we are in Him. It is a life-changing study that shifts our gaze from wanting what Jesus can give or do for us, to understanding that He is our reward and He is what satisfies our deepest longings.
