Poison, Medicine, and Disease in Late Medieval and Early Modern Europe Frederick W Gibbs, 2018-07-20 This book presents a uniquely broad and pioneering history of premodern toxicology by exploring how late medieval and early modern (c. 1200–1600) physicians discussed the relationship between poison, medicine, and disease. Drawing from a wide range of medical and natural philosophical texts—with an emphasis on treatises that focused on poison, pharmacotherapeutics, plague, and the nature of disease—this study brings to light premodern physicians' debates about the potential existence, nature, and properties of a category of substance theoretically harmful to the human body in even the smallest amount. Focusing on the category of poison (venenum) rather than on specific drugs reframes and remixes the standard histories of toxicology, pharmacology, and etiology, as well as shows how these aspects of medicine (although not yet formalized as independent disciplines) interacted with and shaped one another. Physicians argued, for instance, about what properties might distinguish poison from other substances, how poison injured the human body, the nature of poisonous bodies, and the role of poison in spreading, and to some extent defining, disease. The way physicians debated these questions shows that poison was far from an obvious and uncontested category of substance, and their effort to understand it sheds new light on the relationship between natural philosophy and medicine in the late medieval and early modern periods.

Lumberjanes #14 Shannon Watters, Noelle Stevenson, 2015-05-20 When a freak snow storm hits the camp, Jen gets lost! It's up to Rosie and the girls to find their Roanoke cabin leader. As they search, Jen comes across the path of a mysterious taxidermist who rides a moose. What the junk is she up to?

*Straight Arrow #14* Magazine Enterprises, 2016-07-23 Straight Arrow was the son of a Comanche warrior, but was orphaned when his village was massacred. He was the lone survivor, and was raised in the white man's world. He is, most of the time, small rancher Steve Adams, but when evil raises its head, he emerges from his secret cave, on his faithful horse Fury, as STRIAGHT ARROW! STRAIGHT ARROW began as a popular radio series, and then enjoyed a great 55-issue series in the comics! We have all those comics for you: As individual Issues; In a great 18-Volume Collection All the STRAIGHT ARROW stories in three giant books: CLASSIC COMICS LIBRARY #420, #421 & #422! Our books are reprinted from the best available images. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time! ALL STORIES - NO ADS Get the complete catalog by contacting classiccomicslibrary@yahoo.com OR VISIT OUR WEB STORE AT [www.classiccomicslibrary.biz](http://www.classiccomicslibrary.biz)

Collectors can accurately evaluate and value their collections with the grading guide, current market report and tips for buying, selling, and preserving comic books.

*Norms of Word Association* Leo Postman, Geoffrey Keppel, 2014-05-10 Norms of Word Association contains a heterogeneous collection of word association norms. This book brings together nine sets of association norms that were collected independently at different times during a 15-year period. Each chapter is a self-contained unit. The order in which the norms are presented is arbitrary, although an attempt is made to group together norms that seem to belong together. The 1952 Minnesota norms are presented first, due to age and in recognition of the fact that a number of the norms that follow are direct outgrowths of this work. The next three norms in this collection are responses to the Russell-Jenkins stimuli obtained from subjects representing different linguistic communities. A summary of association norms collected from British and Australian subjects are reported along with association norms from German and French college students and French workmen. Four sets of norms that are not directly related to the 1952 Minnesota collection are included. The text will be of interest to historians and researchers in the field of verbal learning and verbal behavior.

*The Complete Big Nate: #14* Lincoln Peirce, 2016-01-19 The Complete Big Nate collects every daily and Sunday cartoon ever syndicated. Presented in a numbered series of e-books, each containing one year's worth of strips, this is a goldmine for all Big Nate fans to see many cartoons that have never been published in books. Aspiring cartoonist Nate Wright is the star of Big Nate. As a popular middle-grade book character, Nate is 11 years old, four-and-a-half feet tall, and the all-time record holder for detentions in school history. He's a self-described genius and sixth grade Renaissance Man. Nate, who lives with his dad and older sister, has a habit of annoying his family, friends, and teachers with his sarcasm.

*The Essential Guide to Children's Books and Their Creators* , Upon publication, Anita Silvey’s comprehensive survey of contemporary children’s literature, *Children’s Books and Their Creators*, garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children’s Books and Their Creators* assembles the best of that volume in one handy, affordable reference, geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children’s literature by focusing on the essentials – the best books for children, the ones that inform, impress, and, most important, excite young readers. Updated to include newcomers such as J. K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children’s authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children’s Books and Their Creators* summarizes the canon of contemporary children’s literature, in a practical guide essential for anyone choosing a book for or working with children.

**Beggars, Iconoclasts, and Civic Patriots** Peter Arnade,2018-09-05 The Dutch Revolt has long been hailed as the triumph of political freedom over monarchical tyranny. In 1781, John Adams observed that the American Revolution was its transcript. Known for its many protagonists—King Philip II, the Duke of Alba, the counts of Egmont and Hornes, radical Calvinists, obstreperous townspeople, and William of Orange—the Dutch Revolt brought into relief conflicts among civic freedoms, religious dissent, representative institutions, and royal authority. Drawing on a vast array of sources—including archival documents, political and religious pamphlets, ballads, chronicles and letters, and a rich store of popular prints—Peter Arnade gives us a new history of the core years of the revolt between 1566 and 1585, showing how the act of rebellion forged a political identity through ritual, symbol, and public action. In *Beggars, Iconoclasts, and Civic Patriots*, Arnade focuses on the political culture that took shape during the Revolt, a culture that itself fueled decades of turmoil. He sees the pulse of the Revolt in its public dramatization—the acts, words, and cultural representations that were its daily bread and popular voice. The violent wave of radical iconoclasm that swept the southern Netherlands in 1566 is the book's pivot, setting the stage for the Duke of Alba's brutal effort to restore the authority of the Spanish crown. Arnade details the sieges and violent sacks of Dutch cities by the Army of Flanders, and the response of Dutch rebels, who touted defiant cities as the seats and guarantors of unassailable rights and freedoms. This civic patriotism hailed William of Orange as father of the fatherland, his apotheosis hearkening back to late medieval princely ritual even as it invoked new republican imagery.
