Arthur Fantastic Olivia Audrey,Sarah Ferguson,2018-11-14 In a world of sameness and safety, Arthur has been taught to fear not only what makes him different but also his own magic. King Arthur's Modern Return Debra N. Mancoff,2014-04-23 The Arthurian legend closes with a promise: On a distant day, when his country calls, the king will return. His lost realm will be regained, and his shattered dream of an ideal world will, at last, be realized. This collection of original essays explores the issue of return in the modern Arthurian legend. With an Introduction by noted scholar Raymond H. Thompson and 13 essays by authors from the fields of literature, art history, film history, and folklore, this collection reveals the flexibility of the legend. Just as the modern legend takes the form current to its generation, the myth of return generates a new legend with each telling. As these authors show, return can come in the form of a noble king or a Caribbean immigrant, with the mystery of an art theft or a dying boy's dream.
