CD-ROMs in Print ,1995

The Cambridge History of the Byzantine Empire c.500-1492 Jonathan Shepard,2019-06-30 Byzantium lasted a thousand years, ruled to the end by self-styled 'emperors of the Romans'. It underwent kaleidoscopic territorial and structural changes, yet recovered repeatedly from disaster: even after the near-impregnable Constantinople fell in 1204, variant forms of the empire reconstituted themselves. The Cambridge History of the Byzantine Empire c.500-1492 tells the story, tracing political and military events, religious controversies and economic change. It offers clear, authoritative chapters on the main events and periods, with more detailed chapters on outlying regions and neighbouring societies and powers of Byzantium. With aids such as maps, a glossary, an alternative place-name table and references to English translations of sources, it will be valuable as an introduction. However, it also offers stimulating new approaches and important findings, making it essential reading for postgraduates and for specialists. The revised paperback edition contains a new preface by the editor and will offer an invaluable companion to survey courses in Byzantine history.

Handbook of Religion and Social Institutions Helen Rose Ebaugh,2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub-disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest. The handbook focuses on several major themes: - Social Institutions such as Politics, Economics, Education, Health and Social Welfare - Family and the Life Cycle - Inequality - Social Control - Culture - Religion as a Social Institution and in a Global Perspective This handbook

will be of interest to social scientists including sociologists, anthropologists, political scientists, and other researchers whose study brings them in contact with the study of religion and its impact on social institutions.

Aesthetic Evaluation and Film ANDREW. KLEVAN, Anw Klevan, 2018

The Economic Research Service in ... United States. Dept. of Agriculture. Economic Research Service, 1984

The Oxford Handbook of Russian Religious Thought George Pattison, Caryl Emerson, Randall A. Poole, 2020-06-13 The Oxford Handbook of Russian Religious Thought is an authoritative new reference and interpretive volume detailing the origins, development, and influence of one of the richest aspects of Russian cultural and intellectual life - its religious ideas. After setting the historical background and context, the Handbook follows the leading figures and movements in modern Russian religious thought through a period of immense historical upheavals, including seventy years of officially atheist communist rule and the growth of an exiled diaspora with, e.g., its journal *The Way*. Therefore the shape of Russian religious thought cannot be separated from long-running debates with nihilism and atheism. Important thinkers such as Losev and Bakhtin had to guard their words in an environment of religious persecution, whilst some views were shaped by prison experiences. Before the Soviet period, Russian national identity was closely linked with religion - linkages which again are being forged in the new Russia. Relevant in this connection are complex relationships with Judaism. In addition to religious thinkers such as Philaret, Chaadaev, Khomiakov, Kireevsky, Soloviev, Florensky, Bulgakov, Berdyaev, Shestov, Frank, Karsavin, and Alexander Men, the Handbook also looks at the role of religion in aesthetics, music, poetry,

art, film, and the novelists Dostoevsky and Tolstoy. Ideas, institutions, and movements discussed include the Church academies, Slavophilism and Westernism, theosis, the name-glorifying (imiaslavie) controversy, the God-seekers and God-builders, Russian religious idealism and liberalism, and the Neopatristic school. Occultism is considered, as is the role of tradition and the influence of Russian religious thought in the West.

Nepal Mandala ,1982

Passions of the Tongue Sumathi Ramaswamy,2023-09-01 Why would love for their language lead several men in southern India to burn themselves alive in its name? *Passions of the Tongue* analyzes the discourses of love, labor, and life that transformed Tamil into an object of such passionate attachment, producing in the process one of modern India's most intense movements for linguistic revival and separatism. Sumathi Ramaswamy suggests that these discourses cannot be contained within a singular metanarrative of linguistic nationalism and instead proposes a new analytic, language devotion. She uses this concept to track the many ways in which Tamil was imagined by its speakers and connects these multiple imaginings to their experience of colonial and post-colonial modernity. Focusing in particular on the transformation of the language into a goddess, mother, and maiden, Ramaswamy explores the pious, filial, and erotic aspects of Tamil devotion. She considers why, as its speakers sought political and social empowerment, metaphors of motherhood eventually came to dominate representations of the language.

Cubism and Abstract Art Museum of Modern Art (New York, N.Y.), Alfred H. Barr (Jr.), 1966 Cubism and abstract art, by A.H. Barr, Jr. Catalog, by Dorothy C. Miller and Ernestine M. Fantl. Bibliography, by Beaumont Newhall (p. 234-249). Also contains a catalogue, compiled by Dorothy C. Miller and Ernestine M. Fantl, of an exhibition held at the Museum of Modern Art, New York, and a bibliography by Beaumont Newhall.

Shamanhood Juha Pentikäinen, Hanna Saressalo, 2001 Presumably people who were involved in it discuss the philosophy behind the exhibition Shamans--The Secret World of Siberia's Peoples, on display at the Vapriiki Museum Centre in Tampere, Finland, between May 1998 and January 1999. It was the most extensive display so far of the shamanic collections of Kunstkamera, Museum

of Anthropology and Ethnography, founded in the 1720s by Peter the Great. In addition to exploring aspects of Siberian shamanhood, the 19 essays also show links to similar traditions elsewhere in the world. There are a few monochrome illustrations. No index is provided. Distributed in the US by ISBS. Annotation copyrighted by Book News, Inc., Portland, OR.

Windows to Heaven Elizabeth Zelensky, Lela Gilbert, 2005-02 In this useful guidebook, the authors debunk common misconceptions about Orthodox icons and explain how they might enrich the devotional lives of non-Orthodox Christians.

Handbook of Easy Languages in Europe Ulla Vanhatalo, 2021-07-26 The Handbook of Easy Languages in Europe describes what Easy Language is and how it is used in European countries. It demonstrates the great diversity of actors, instruments and outcomes related to Easy Language throughout Europe. All people, despite their limitations, have an equal right to information, inclusion, and social participation. This results in requirements for understandable language. The notion of Easy Language refers to modified forms of standard languages that aim to facilitate reading and language comprehension. This handbook describes the historical background, the principles and the practices of Easy Language in 21 European countries. Its topics include terminological definitions, legal status, stakeholders, target groups, guidelines, practical outcomes, education, research, and a reflection

on future perspectives related to Easy Language in each country. Written in an academic yet interesting and understandable style, this Handbook of Easy Languages in Europe aims to find a wide audience.
