Stephen Hunter

The Breadwinner Deborah Ellis, 2004-03-04 Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

City Spies James Ponti, 2021-01-26 A New York Times bestseller! A GMA3 Summer Reading Squad Selection! "Ingeniously plotted, and a grin-inducing delight." —People "Will keep young readers glued to the page...So when do I get the sequel?" —Beth McMullen, author of *Mrs. Smith's Spy School for Girls* In this thrilling new series that Stuart Gibbs called "a must-read," Edgar Award winner James Ponti brings together five kids from all over the world and transforms them into real-life spies—perfect for fans of *Spy School* and *Mrs. Smith's Spy School for Girls*. Sara Martinez is a hacker. She recently broke into the New York City foster care system to expose her foster parents as cheats and lawbreakers. However, instead of being hailed as a hero, Sara finds herself facing years in a juvenile detention facility and banned from using computers for the same stretch of time. Enter Mother, a British spy who not only gets Sara released from jail but also offers her a chance to make a home for herself within a secret MI6 agency. Operating out of a base in Scotland, the *City Spies* are five kids from various parts of the world. When they're not attending the local boarding school, they're honing their unique skills, such as sleight of hand, breaking and entering, observation, and explosives. All of these allow them to go places in the world of espionage where adults can't. Before she knows what she's doing, Sara is heading to Paris for an international youth summit, hacking into a rival school's computer to prevent them from winning a million euros, dangling thirty

feet off the side of a building, and trying to stop a villain...all while navigating the complex dynamics of her new team. No one said saving the world was easy...

Strange Glory Charles Marsh, 2015-04-28 Winner, Christianity Today 2015 Book Award in History/Biography Shortlisted for the PEN/Jacqueline Bograd Weld Award for Biography In the decades since his execution by the Nazis in 1945, Dietrich Bonhoeffer, the German pastor, theologian, and anti-Hitler conspirator, has become one of the most widely read and inspiring Christian thinkers of our time. With unprecedented archival access and definitive scope, Charles Marsh captures the life of this remarkable man who searched for the goodness in his religion against the backdrop of a steadily darkening Europe. From his brilliant student days in Berlin to his transformative sojourn in America, across Harlem to the Jim Crow South, and finally once again to Germany where he was called to a ministry for the downtrodden, we follow Bonhoeffer on his search for true fellowship and observe the development of his teachings on the shared life in Christ. We witness his growing convictions and theological beliefs, culminating in his vocal denunciation of Germany's treatment of the Jews that would put him on a crash course with Hitler. Bringing to life for the first time this complex human being—his substantial flaws, inner torment, the friendships and the faith that sustained and finally redeemed him—*Strange Glory* is a momentous achievement.

United We Spy Ally Carter, 2015-02-05 Who won't survive to see graduation? Cammie Morgan has lost her father and her memory, but her last mission could be her greatest mission yet. Cammie and her friends finally know why the terrorist organisation called the Circle of Caven has been hunting her. Now the spy girls and Zach must track down the circles leaders and stop them before they

can implement a master plan that will change Cammie - and her country - forever.

The Master Sniper Stephen Hunter, 2010-08-18 In the death throes of World War II, one man is still at war, and he's got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germany's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* “Mesmerizing suspense.”—Kirkus Reviews “Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse.”—The Washington Post “Stephen Hunter is the best writer of straight-out thrillers working today.”—Rocky Mountain News

Chinese Children's Favorite Stories Mingmei Yip, 2020-08-04 Chinese Children's Favorite Stories is a delightful selection of thirteen Chinese folktales as retold by author and illustrator Mingmei Yip. Inspired by her beloved father's nightly story-telling when she was a child, Yip hopes that by retelling some of these thousand-year-old Chinese stories she can pass along Chinese folklore and fables to international readers of all ages. These beautifully illustrated tales give children in other countries a glimpse into the traditions and culture of China, while emphasizing universal lessons about being kind and successfully overcoming obstacles. Readers will encounter many delightful characters--from an angry dragon to a wise cow--in stories such as: The Dream of the Butterfly--A sweet tale about accepting who you are and fully appreciating the world around you Carp Jumping Over the Dragon Gate--A popular story about the rewards of hard work Playing the Qin for the Water Buffalo--A musical tale that highlights empathy and

understanding And many more! Recommended for children ages five to ten.

Law and Politics in Jacobean England Louis A. Knafla, Sir Thomas Egerton, 1977-09-22 This study is devoted chiefly to Ellesmere's career and writings as Lord Chancellor, 1603-1617. After an introduction to his life and career from 1541 to 1603, Part One is a study of his role in the legal and political history of Jacobean England. In order to place the analysis of law and politics in a broader context, topics discussed include economics, religion, social customs and thought, in addition to questions concerning the forms of action at common law, disputes between the courts, law and equity, and the political activities of Parliament, the Privy Council, and the Crown. Part Two consists of a critical edition of eight of Ellesmere's little known or unidentified tracts on the royal prerogative, Anglo-Scots Union, the Parliament of 1604-1610, the administration of government, law reform, the ecclesiastical courts, Coke's Law Reports and the Chancery-Common Law conflict.

Day Of Deceit Robert Stinnett, 2001-05-08 Using previously unreleased documents, the author reveals new evidence that FDR knew the attack on Pearl Harbor was coming and did nothing to prevent it.

The New Cambridge Bibliography of English Literature: Volume 5, Index George Watson,J. D. Pickles,Ian R. Willison,1977-06-16 More than fifty specialists have contributed to the new edition of volume 5 of the Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised

to give greater clarity and consistency to the entries.
