Royal Ascot George James Cawthorne, Richard S. Herod, 1902

Ascot Sean Magee, 2002 This book contains stories of the many people who have contributed to Ascot over nearly 300 years and there are equine stories aplenty.

The Lady of Ascot Edgar Wallace, 2022-11-22 Edgar Wallace's crime novel *The Lady of Ascot* is a loose adaptation of William Wallace's 1921 play *M'Lady*. When a wealthy Countess and her daughter, Marie Fioli settle in the small village of Ascot, excitement spreads. The countess' plan of attempting to raise her daughter in high society, is jeopardized by the return of her husband, who has been serving a prison sentence at Broadmoor for the murder of a police officer. Even private investigator John Morlay is smitten by the young and lovely Marie Fioli. He sees an opportunity to get closer to the Countess when he is unexpectedly hired by former nanny Marie's Beschutzer. His mission, however, serves a completely different purpose.

The Black Ascot Charles Todd, 2019-02-05 Scotland Yard's Ian Rutledge seeks a killer who has eluded Scotland Yard for years in this next installment of the acclaimed New York Times bestselling series. An astonishing tip from a grateful ex-convict seems implausible—but Inspector Ian Rutledge is intrigued and brings it to his superior at Scotland Yard. Alan Barrington, who has evaded capture for ten years, is the suspect in an appalling murder during Black Ascot, the famous 1910 royal horse race meet honoring the late King Edward VII. His disappearance began a manhunt that consumed Britain for a decade. Now it appears that Barrington has returned to England, giving the Yard a last chance to retrieve its reputation and see justice done. Rutledge is put in charge of a quiet search under cover of a routine review of a cold case. Meticulously retracing the original inquiry, Rutledge begins to know Alan Barrington well, delving into relationships and secrets that hadn't surfaced in 1910. But is he too

close to finding his man? His sanity is suddenly brought into question by a shocking turn of events. His sister Frances, Melinda Crawford, and Dr. Fleming stand by him, but there is no greater shame than shell shock. Questioning himself, he realizes that he cannot look back. The only way to save his career—much less his sanity—is to find Alan Barrington and bring him to justice. But is this elusive murderer still in England?

Arsenic at Ascot Kelly Oliver, 2023-11-28 Saddle up for this first class historical mystery, perfect for fans of Helena Dixon and Verity Bright. London, 1918 Fiona Figg finds herself back in Old Blighty saddled with shuffling papers for the war office. Then a mysterious card arrives, inviting her to a fancy house party at Mentmore Castle. This year's Ascot-themed do will play host to a stable of animal defense advocates, and Fiona is tasked with infiltrating the activists and uncovering possible anti-war activity. Disguised as the Lady Tabitha Kenworthy, Fiona is more than ready for the “mane” event, but the odds are against her when both her arch nemesis, dark-horse Fredrick Fredricks, and would-be fiancé Lieutenant Archie Somersby arrive unexpectedly and “stirrup” her plans. And when a horse doctor thuds to the floor in the next guest room, Fiona finds herself investigating a mysterious poisoning with some very hairy clues. Fashion at Royal Ascot James Sherwood,Amanda Wakeley,Peregrine Andrew Morny Cavendish Duke of Devonshire,2011 Royal Ascot is a unique occasion in the British social season and arguably the last where formal day dress is still required. Ascot is attended by royals, movie stars, the international jet set, the British establishment and also every strata in society, all united in their mission to dress their best for an occasion led by the presence of HM The Queen. Fashion at Royal Ascot is a breathtaking sweep through the history of international fashion seen through the prism of this unique occasion. James Sherwood, who is not only the BBCs Royal Ascot fashion commentator but will also be acting as the fashion commentator for the Royal Wedding in April 2011, has written the text, which is arranged chronologically in five chapters interspersed with twelve photo-essays.
