Marvel Thor: Dueling with Giants Keith DeCandido, 2015-12-15 One of the greatest heroes from Marvel—and myth—returns as Thor battles the mightiest of the giants in a fight to the death. The first book in an action-packed trilogy, *Dueling with Giants* is a story of epic combat from start to finish, sure to entertain fans of Marvel comics and adventure novels alike. During just another day for the God of Thunder, Thor is defending Asgard against invading trolls when the unthinkable happens—his hammer, Mjolnir, loses its enchantment, depleting Thor's strength. Thor is still more than a match for his enemies; after vanquishing them, he learns the secret to his sudden weakness: Mjolnir has been switched! And only one being is cunning enough to carry out such a trick: Thor's own adopted brother, Loki. As punishment, Odin imprisons Loki for a year, but the trickster soon takes on other forms and escapes his imprisonment. He provokes a dispute between Odin and the giant Hrungrir—one that soon brings a full-scale attack on Asgard and a one-on-one challenge to Thor himself. *Dueling with Giants* will be followed by two more riveting installments featuring Sif and the Warriors Three, all written by Marvel veteran and popular fantasy author Keith R.A. DeCandido. The *Tales of Asgard Trilogy* will be an adventure that Marvel readers won't soon forget.

Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels and of course the author's views and insights into the game. In addition to the main entries and reviews, a full-color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include: a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.
