*GUI Design* Shan ben tu shu, 2015 As technology has rapidly advanced, so too has the way we use and interact with it. Gone are the days of flat black backgrounds dotted with blocky green text; now, users expect a massive range of colors, layouts, and fonts to be used to entertain and assist them in their daily lives. *GUI Design* assembles the best of recent graphic user interface for a collection that provides practical encouragement for those new to the world as well as inspiration for experienced designers. The book gathers Twitters Vine video creation app for Windows phones, the

vulgar-yetamusing Authentic Weather app, an application designed to help tourists follow the physical and ideological path of the Iron Curtain, and more to showcase programs that balance information flow with user experiences and highlight the creativity, inspiration, and expressive techniques used in their design. The projects within demonstrate the increasingly significant role of user interfaces in both design and our everyday lives in the modern world.

The Great Connection Arnie Warren, 1996-12-31 As a former top CBS celebrity interviewer, Arnie Warren posed a question to himself, "How can you believe in that which you do not know?" His first book *The Great Connection* found its title reflective of the gift this book imparts; the reader finally understanding who they are, thus making the Great Connection! *The Great Connection*, is an uplifting and relatable short story designed to be read and reread as we grow through the seasons of our lives. It is a part auto-biographical story whose characters reflect one of the four DISC behavioral styles. As you read this fast moving story, you will see yourself, friends, family, colleagues or bosses interacting in multiple situations and finally begin to understand who you are, as well as others. Life long learners, entrepreneurs, human development professionals, leaders, as well as spiritual and life coaches have found this book to be a great resource to solidify a person's understanding of self, strengthen one's confidence, move through one's fears or insecurities to become the best they can be.

*Capturing The Moment* Michael Freeman, 2014-12-05 This is not a book about the fundamentals of shutter speed or how your camera works; it is a book that will teach photographers of all levels how to work with their cameras to capture moments whether they are occurring quickly or unfolding over many hours. *Capturing the Moment* is about a gesture, an expression, a ball in the net, a whale breaching, like Marilyn Monroe's skirt flying up or Alfred Eisenstaedt's image of a kiss between a soldier and nurse in Times Square. Moments in all forms are the true core of photography, and this book will explain how to anticipate them, recognise them, choose them, and capture them, through the eyes and wisdom of award-winning photographer and celebrated author Michael Freeman.
