Project Vanguard Report No. 32, Minitrack Report No. 5 ,1958

The information necessary to permit satellite orbit computations from raw Minitrack data is given, the Minitrack data on the satellites 1958 Alpha and 1958 Beta for the period 7 through 20 May 1958 are presented in appendixes. It is intended that the use of these data will encourage and facilitate the development of new computation techniques. The basic Minitrack measurement and the data message itself are described, and a discussion is made of the handling and preparation of the data message for the Vanguard IBM 704 computer. The outputs of the computer are also discussed. Residual data from the 704 computer's differential correction program, and meridian crossing times and elevation angles from the Burroughs E101 computer are given for each data message. Two correction formulas are given for adjusting the raw data. One of these corrects for overall station factors only and may be used alone if an error of about 1 percent is tolerable; the other corrects for the 1 percent error introduced by antenna pattern distortion and system cross-talk. (Author).

*The Papers of Martin Luther King, Jr., Volume IV* Martin Luther King Jr., 2023-11-15 Acclaimed by Ebony magazine as one of those rare publishing events that generate as much excitement in the cloistered confines of the academy as they do in the general public, *The Papers of Martin Luther King, Jr.* chronicles one of the twentieth century's most dynamic personalities and one of the nation's greatest social struggles. King's call for racial justice and his faith in the power of nonviolence to engender a major transformation of American society is movingly conveyed in this authoritative multivolume series. In Volume IV, with the Montgomery bus boycott at an end, King confronts the sudden demands of celebrity while trying to identify the next steps in the burgeoning struggle for equality. Anxious to duplicate the success of the boycott, he spends much of 1957 and 1958 establishing the Southern Christian Leadership Conference. But advancing the

movement in the face of dogged resistance, he finds that it is easier to inspire supporters with his potent oratory than to organize a mass movement for social change. Yet King remains committed: The vast possibilities of a nonviolent, non-cooperative approach to the solution of the race problem are still challenging indeed. I would like to remain a part of the unfolding development of this approach for a few more years. King's budding international prestige is affirmed in March 1957, when he attends the independence ceremonies in Ghana, West Africa. Two months later his first national address, at the Prayer Pilgrimage for Freedom, is widely praised, and in June 1958, King's increasing prominence is recognized with a long-overdue White House meeting. During this period King also cultivates alliances with the labor and pacifist movements, and international anticolonial organizations. As Volume IV closes, King is enjoying the acclaim that has greeted his first book, *Stride Toward Freedom*, only to suffer a near-fatal stabbing in New York City.
