A Long Time Gone Karen White,2015-04-07 From the New York Times bestselling author of the Tradd Street novels comes an enthralling southern gothic saga about one woman's quest for the truth... When Vivien Walker left her home in the Mississippi Delta, she swore never to go back. But in the spring, nine years to the day since she'd left, Vivien returns, fleeing from a broken marriage and her lost dreams for children. What she hopes to find is solace with her dear grandmother who raised her, a Walker woman with a knack for making everything all right. Instead Vivien is forced into the unexpected role of caretaker, challenging her personal quest to find the girl she once was. But things will change again in ways Vivien cannot imagine. A violent storm has revealed the remains of a long-dead woman buried near the Walker home, not far from the cypress swamp that is soon to give up its ghosts. Vivien knows there is now only one way to rediscover herself—by uncovering the secrets of her family and breaking the cycle of loss that has haunted them for generations. READERS GUIDE INCLUDED

Black Canary: Breaking Silence Alexandra Monir,2021-12-21 THE NEW YORK TIMES
BESTSELLING SERIES! DC Icons continues with the first-ever YA origin story of superhero Black Canary, from the internationally bestselling author Alexandra Monir. In this thrilling novel, Dinah Lance's voice is her weapon. And in a near-future world where women have no rights, she won't hesitate to use everything she has--including her song--to fight back. Dinah Lance was eight years old when she overheard the impossible: the sound of a girl singing. It was something she was never meant to hear--not in her lifetime and not in Gotham City, taken over by the vicious, patriarchal Court of Owls. The sinister organization rules Gotham City as a dictatorship and has stripped women of everything--their right to work, to make music, to learn, to be free. Now seventeen, Dinah can't forget that haunting sound, and she's beginning to discover that her own voice is just as powerful. But singing is forbidden—a one-way ticket to Arkham Asylum. Fighting to balance her father's desire to keep her safe, a blossoming romance with mysterious new student Oliver Queen, and her own need to help other women and girls rise up, Dinah wonders if her song will finally be heard. And will her voice be powerful enough to destroy the Court of Owls once and for all?

Heidegger and Contemporary Philosophy Carmine Di Martino,2022-03-14 This text illuminates the

relevance and importance of Heidegger's thought today. The chapters address the modern living conditions of intense social transformation intertwined with the continuous and rapid development of technologies that redefine the borders between nations and cultures. Technology globalizes markets, customs, the exchange of information, and economic flows but also – as Heidegger reminds us – revolutionizes the way we relate to bodies, to life, and to earth, by way of introducing both unprecedented opportunities and great dangers.
