Nick Bontis

E-Business Essentials Nick Bontis,2004-09-01 This special issue of QJEC marks the final instalment of the journal. The QJEC has had a long-standing history of international scholarship focused on the emerging field of electronic commerce with a broad, interdisciplinary approach. It has established the field's intellectual foundation with state-of-the-art research from business, computer science, engineering, law, psychology, and sociology. This particular issue focuses on an eclectic group of papers that are international in scope with authors from Canada, Australia, France, Germany, South Africa and Italy. The papers range in topics from valuing dot com companies, to mobile health and portals, to supply chain management.

Achieve Planner ,2020-09-06 The Achieve Planer is engineered to help take your largest life goals and reach them. Monthly organization sheets keep you on track and highlight the tools you have to make steps towards your goals. Daily sheets provide reflection space to keep you grounded to the positives each day offers, while including the normal organization space for to-dos, appointments, and notes like other planners. The Achieve Planner is the perfect way to keep life organized, on track, and full

of value. The Achieve Planner features a hard cover to ensure it holds up to heavy use and is small enough to carry handy; fitting in most handbags.
