Those that serve Death are only too happy to offer her refuge—but at a price. The convent views Sybella, naturally skilled in the arts of both death and seduction, as one of their most dangerous weapons. But those assassin's skills are little comfort when the convent returns her to a life that nearly drove her mad. **The Coldest Assassin: in Heaven or Hell** Henri Jah Marquis,2012-10-25 In the pitch black warehouse the four officers fears escalated tenfold as they fumbled through the dark, stumbled over tables and chairs, and commanded each other to stay close. Miyuki and Minatsu saw their every move through their Israeli made night vision goggles and didn't vacillate on the first two to kill. Picking out their prey like a lioness does a lagging gazelle, they quickly weaved through the dark. Minatsu struck first slicing through the air until her razor sharp Samurai sword connected with flesh and beheading her foe. Seconds later Miyuki followed, slicing through the lanky cop as if he were paper thin. No time was given to the remaining two, death was forthcoming and swift. Calm and chaotically seductive...beautiful, and then there were none. The Red Dragon Twins retreated, once again as myths into the awaiting night.

*Bonhoeffer the Assassin?* Mark Thiessen Nation,Anthony G. Siegrist,Daniel P. Umbel,2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life--a pacifist pastor turns anti-

Hitler conspirator due to horrors encountered during World War II--but does the evidence really support this prevailing view? This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler. In fact, Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life, and his commitment to peace was integrated with his theology as a whole. The book includes a foreword by Stanley Hauerwas.

*The Assassins* Bernard Lewis, 2008-08-05 From a master historian, the definitive account of history's first terrorists An offshoot of the Ismaili Shi'ite sect of Islam, the Assassins were the first group to make systematic use of murder as a political weapon. Established in Iran and Syria in the eleventh and twelfth centuries, they aimed to overthrow the existing Sunni order in Islam and replace it with their own. They terrorized their foes with a series of dramatic murders of Islamic leaders, as well as of some of the Crusaders, who brought their name and fame back to Europe. Professor Lewis traces the history of this radical group, studying its teachings and its influence on Muslim thought. Particularly insightful in light of the rise of the terrorist attacks in the U.S. and in Israel, this account of the Assassins -- whose name is now synonymous with politically motivated murderers -- places recent events in historical perspective and sheds new light on the fanatic mind.

**Freak Kingdom** Timothy Denevi, 2018-10-30 The story of Hunter S. Thompson's crusade against Richard Nixon and the threat of fascism in America--and the devastating price he paid for it Hunter S. Thompson is often misremembered as a wise-cracking, drug-addled cartoon character. This book reclaims him for what he truly was: a fearless opponent of corruption and fascism, one who sacrificed his future well-being to fight against it, rewriting the rules of journalism and political satire in the process. This skillfully told and dramatic story shows how Thompson saw through Richard Nixon's treacherous populism and embarked on a life-defining campaign to stop it. In his fevered effort to expose institutional injustice, Thompson pushed himself far beyond his natural limits, sustained by drugs, mania, and little else. For ten years, he cast aside his old ambitions, troubled his family, and

likely hastened his own decline, along the way producing some of the best political writing in our history. This timely biography recalls a period of anger and derangement in American politics, and one writer with the guts to tell the truth.

**Matrix for Assassination** Richard Gilbride,2009-10-26 A phantom haunts Americathe ghost of Dealey Plaza where President John F. Kennedy was shot on November 22, 1963. In Matrix for Assassination, author Richard Gilbride, a schoolboy in 1963 who became fascinated with the facts, condenses much of the research conducted in recent years after a mountain of new data became available from classified files with the passing of the John F. Kennedy Assassination Records Collection Act of 1992. Matrix for Assassination names the names. It offers simple and defensible solutions to many of the crimes lasting enigmas: Who were the shooters? Who forced Ruby to kill Oswald? Who orchestrated Kennedys autopsy cover-up? What actually happened in the book depository? Were the Dallas police in on the plot? The Pentagon? LBJ? The CIA? Thoroughly referenced with 300 accompanying photographs, Matrix for Assassination is bookended by two events which draw it through the tabloids and into the X-Files: Marilyn Monroe's strange death and JFKs clash with an above-top-secret UFO cabal. Her murder was a prelude to Dallas; at the heart of the military-industrial complex dwelt a sinister darkness that originated in Nazi Germany.

Assassin Doug Casey,John Hunt,2020-12 Charles Knight is released from an especially unpleasant

stay in prison, only to rejoin a society overwhelmed by looting, riots, arson, viral panic, mob-think and economic decay . . . with a presidential election in the balance. The cronies are in charge, abetted by their media lackeys and political puppets. They'll do anything to get what they want. How can Charles stop the deadly crimes committed by those who control the law, print the money, and confuse the minds of the people? Crimes that push millions into poverty, servitude and ignorance. Will a highly unorthodox presidential candidate and a cryptocurrency network that turns the surveillance state on its head be enough to expose and defeat them? Or do some people just need to be killed? The cronies are moving fast. Charles Knight needs to move faster.
