friends discover a box of strange books that, when read  
aloud, can transport them to the beautiful, imaginary  
worlds described within. But when one of them goes  
missing, the others vow never to reveal where they've been  
and what they've seen. Years later, when one of the  
remaining kids, now an adult, also mysteriously disappears,  
it's up to the last two of the group to dig up their dusty  
books to find him and finally figure out what happened to  
their friend all those years ago. Written by Curt Pires (POP,
