*Tulsa Race Riot* Oklahoma Commission to Riot of 1921,2001-02-28 The Tulsa Race Riot of 1921 was the worst civil disturbance since the Civil War. On May 21, 1921, a group of white Oklahomans attacked the prosperous African American community, called the Greenwood District or the Black Wall Street in Tulsa, OK over the alleged assault of a white woman by a black man. 24 hours later more than 800 people were admitted to local hospitals, 10,000 residents were homeless, and 35 city blocks were reduced to rubble. The monetary cost of the riot was later estimated to be 26 million dollars. This report examines the events leading up to the riot, the riot itself, and the consideration of reparations for the victims.

Preface to Theology John Howard Yoder,2002-04-01 Long familiar to theologians and theology students, John Howard Yoder (1927-1997) is increasingly recognized as one of the most significant theologians of the later twentieth century. Yoder, hailed as a gifted proponent of Anabaptist social ethics, was also an astute and ecumenically-minded constructive theologian. *Preface to Theology*, initially developed as seminary course material, is key to understanding Yoder's theology and his ever central commitment to Christology. It provides an introduction to the traditional categories of systematic theology, suggesting Yoder's concern with our posture toward theological study and the importance of viewing this study as a vital, ongoing process. *Preface to Theology*, introduced by Stanley Hauerwas and Alex Sider, includes updated documentation of Yoder's sources. The approachable, student-friendly format makes this volume, now officially in print for the first time, ideal for both the beginning theology student and the advanced scholar. Readers in all Christian traditions will find it a penetrating introduction to theology; students of Yoder's thought will find it indispensable.

*Guide to Microcomputer Courseware for Bilingual Education* ,1985 The guide to courseware for computer-assisted instruction and computer-managed instruction in bilingual education, English as a second language, and second language instruction contains entries from the National Clearinghouse for Bilingual Education's database and selected courseware for the related areas of special education, vocational education, and adult basic education. Each entry includes: (1) the name/title of the courseware program; (2) the producer's name, address, and telephone number; (3) computer hardware, memory/equipment requirements, software specifications, and courseware format; (4) the language; (5) the type of program or instructional technique; (6) the content area; (7) the grade or proficiency level; and (8) a brief abstract, with external evaluation if available. The courseware is also indexed alphabetically by title, content area, and language. (MSE)

**The Toxic Substances Control Act** ,1984

**San Antonio Rose** Charles E. Townsend,Charles R. Townsend,1986 A fine, engaging, and valuable biography of a man who merged the spontaneity of country fiddling with the Big Band Sound, giving birth to Western Swing. A landmark in country music!

Unmasked! Ann Patton,2016-04-06 The dark tale of the roaring '20s KKK. Irony amongst the ashes, as well as a ray of hope that offers illumination for our time.

Twentieth-Century Honky-Tonk John Wooley,Brett Bingham,2020-04-16 It was supposed to be a car dealership. Instead, it became one of the most famous American music venues of all time... Only one place in the whole world can claim to be both the Carnegie Hall of western swing and the penultimate stop on the Sex Pistols' infamous American tour. Now, for the first time ever, all the secrets of the hottest honky-tonk of the 20th Century—Cain's Ballroom—are revealed, in the words of the people who made it happen. Spanning the famed venue's first 75 years, from 1924 through 1999, *Twentieth-Century Honky-Tonk* tells it all, from Bob Wills and His Texas Playboys—who became a national sensation with their clear-channel ballroom broadcasts—to U2, the Police, and Van Halen—as Cain's became an essential stop for breakout acts and cosmic cowboys. The book

also covers cutting-edge alt-rock acts, metal bands, and off-the-wall attractions like ladies' mud wrestling (which worked) and Pig Time Racing (which didn't).
