**The Gargoyle Hunters** John Freeman Gill, 2018-03-06 Both his family and his city are crumbling when thirteen-year-old Griffin Watts stumbles headlong into his estranged father's illicit architectural salvage business in 1970s Manhattan. Griffin clambers up the façades of tenements and skyscrapers to steal their nineteenth-century architectural sculptures—gargoyles and sea monsters, goddesses and kings. As his father sees it, these evocative creatures, crafted by immigrant artisans, are an endangered species in an age of sweeping urban renewal. Desperate for money to help his artist mother keep their home, and yearning to connect with his father, Griffin fails to see that his father's deepening obsession with preserving the treasures of Gilded Age New York endangers them all. As he struggles to hold his family together and build a first love with his girlfriend on a sturdier foundation than his parents' marriage, Griffin must learn to develop himself into the man he wants to become, and discern which parts of his life may be salvaged—and which parts must be let go. Hilarious and poignant, this critically acclaimed debut is both a vivid love letter to a vanishing city and an intimate portrait of father and son. And it solves the mystery of a stunningly brazen architectural heist—the theft of an entire landmark building—that made the front page of The New York Times in 1974. With writing both tender and powerful, *The Gargoyle Hunters* brings a remarkable new voice to the canon of New York fiction.

**Earth Force** Shemer Kuznits, 2019-04-30 On the first day, a mist descended from the heavens blanketing Earth. On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began... There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.

**The House on Mango Street** Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.

**Kate in Waiting** Becky Albertalli, 2021-04-20 From #1 New York Times bestselling author and rom-com queen Becky Albertalli comes a buoyant new novel about daring to step out of the shadows and into the spotlight in love, life, and, yes, theater. Consulting each other on every single life decision? Basic good judgment. Pining for the same guys from afar? Shared crushes are more fun anyway. But when Kate and Andy's latest long-distance crush shows up at their school, everything goes off-script. Matt Olsson is talented and sweet, and Kate likes him. She really likes him. The only problem? So does Anderson. Turns out, communal crushes aren't so fun when real feelings are involved. This one might even bring the curtains down on Kate and Anderson's friendship.

**Tuesdays with Morrie** Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author "A wonderful book, a story of the heart told by a writer with soul."—Los Angeles Times "The most important thing in

life is to learn how to give out love, and to let it come in." Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. "The truth is, Mitch," he said, "once you learn how to die, you learn how to live." Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

How could looking at Monet's water lily paintings help save your company millions? How can checking out people's footwear foil a terrorist attack? How can your choice of adjective win an argument, calm your kid, or catch a thief? In her celebrated seminar, the Art of Perception, art historian Amy Herman has trained experts from many fields how to perceive and communicate better. By showing people how to look closely at images, she helps them hone their "visual intelligence," a set of skills we all possess but few of us know how to use properly. She has spent more than a decade teaching doctors to observe patients instead of their charts, helping police officers separate facts from opinions when investigating a crime, and training professionals from the FBI, the State Department, Fortune 500 companies, and the military to recognize the most pertinent and useful information. Her lessons highlight far more than the physical objects you may be missing; they teach you how to recognize the talents, opportunities, and dangers that surround you every day. Whether you want to be more effective on the job, more empathetic toward your loved ones, or more alert to the trove of possibilities and threats all around us, this book will show you how to see what matters most to you more clearly than ever before. Please note: this ebook contains full-color art reproductions and photographs, and color is at times essential to the observation and analysis skills discussed in the text. *Why Him? Why Her?* Helen Fisher, 2009-01-20 A groundbreaking book about how your personality type determines who you love Why do you fall in love with one person rather than another? In this fascinating and informative book, Helen Fisher, one of the world's leading experts on romantic love, unlocks the hidden code of desire and attachment. Each of us, it turns out, primarily expresses one of four broad personality types—Explorer, Builder, Director, or Negotiator—and each of these types is governed by different chemical systems in the brain. Driven by this biology, we are attracted to partners who both mirror and complement our own personality type. Until now the search for love has been blind, but Fisher pulls back the curtain and reveals how we unconsciously go about finding the right match. Drawing on her unique study of 40,000 men and women, she explores each personality type in detail and shows you how to identify your own type. Then she explains why some types match up well, whereas others are problematic. (Note to Explorers: be prepared for a wild ride when you hitch your star to a fellow Explorer!) Ultimately, Fisher's investigation into the complex nature of romance and attachment leads to

astonishing new insights into the essence of dating, love, and marriage. Based on entirely new research—including a detailed questionnaire completed by seven million people in thirty-three countries—Why Him? Why Her? will change your understanding of why you love him (or her) and help you use nature's chemistry to find and keep your life partner.
