Herman Wouk

*Aurora Dawn* Herman Wouk,2009-06-27 The publication of 'Aurora Dawn' in 1947 immediately established Herman Wouk as a novelist of exceptional literary and historical significance. Today, Aurora Dawn's themes have grown still more relevant and, in the manner of all great fiction, its characters and ironies have only been sharpened by the passage of time. Wouk's raucous satire of Manhattan's high-power elite recounts the adventures of one Andrew Reale as he struggles toward fame and fortune in the early days of radio. On the quest for wealth and prestige, ambitious young Andrew finds himself face-to-face with his own devil's bargain: forced to choose between soul and salary, true love and a strategic romance, Wouk's riotous, endearing hero learns a timeless lesson about the high cost of success in America's most extravagant metropolis.

**Aurora's East-West Football Rivalry** Steve Solarz,2014-08-05 For over 120 years, the people of Aurora, Illinois, have gathered together to watch East Aurora and West Aurora High Schools square off in what is now Illinois' longest-running football rivalry. Since first taking to the gridiron in 1893, the schools have laid claim to mythical state championships, represented Illinois in intra-sectional games and pioneered night football. Alumni from these storied rivals include college all-Americans, Hall of Fame coaches, decorated war heroes, an Olympic medalist, a charter member of the NFL, numerous successful high school coaches, outstanding businessmen and civic leaders, including former mayors of Santa Monica, California, and Des Moines, Iowa. Author Steve Solarz pored over the records of more than two thousand games to produce a work that is both an encyclopedic resource and a passionate account of a celebrated tradition.

Reaping the Aurora Joshua Palmatier,2018-05 Taking the leader of the White Cloak cult prisoner, Wielder Kara Tremain and Allan Garrett have seized control of the Needle--their stronghold and the source of the new Nexus that is the hub of magical power for the city of Tumbor. Allan journeys back to their home city, hoping to form alliances with survivors of the disaster there, only to discover that Erenthrall itself has sunk into the ground and the vicious groups left there have banded together in an even more hostile faction. When they attack the Temerite enclave, Allan and the Temerites are forced to flee to the Needle. But the Needle is no safe haven--the White Cloaks have begun fomenting unrest, all of it targeted at Kara and the Wielders.

Many instruments and research facilities have been placed here. The Network for Groundbased Optical Auroral Research in the Arctic Region is supported by the Nordic Council of Ministers and consists of all research institutions in northern Norway, Sweden, Finland and on theKola Peninsula active in optical auroral research. This reportintroduces optical aurora and optical research methods, research institutions and research infrastructure.
