It's Your Business, Get Informed, Get Inspired and Get Going Jennifer Carrington,2018-04-13 It is my unique personal honor to bequeath chards of wisdom to an inspiring woman of God, fellow businesswoman, and professional confidant - Jennifer Carrington. She has crafted a timely, succinct and relevant treatise. This work is a culmination of successive years of fine tuning, laboring, contemplation and learning moments. This masterpiece, though laconic, injects a cornucopia of powerful principals and emits laser focus on the art of business branding, content and presentation. Frankly, this book should be required reading in both the halls of academia and for small/medium enterprises alike. As a personal and business mentor of Jennifer, I have witnessed firsthand how this driven and dogged businesswoman masterfully utilizes the concepts noted in this

book in her own business - J Carrington + Associates. She has proven to me on multiple occasions the value and pertinence of branding, content and presentation. Her firm has, without slight hesitation, provided astute excellence and value added service to our Jurisdictional Platform since I began working with her. As a competent, proven and savvy businesswomen myself; I've tread the deserted road of entrepreneurial persistence from my youth. During the last 33 years of trudging through provinces of resistance, peaks of success, and valleys of trepidation; I've learned the utter importance of crafting and molding the essential elements of branding. Without the organic and pliable foundation of branding, my quick serve restaurant holdings company, V & J, would have flat lined with my initial Burger King acquisition. But by positioning and pivoting my firm as a brand unto itself, my company has been catapulted into a vast conglomeration of multiple food service brands. As such and with the advent of global technology and social media; branding should be the life blood of any. Congratulations Jennifer and serious entrepreneurial endeavor- whether small or large. Read this book and find out why! May the Lord continue to shine His favor upon you as share your insights and unpretentious learnings relative to Branding, Creation Content, Relational Data Maintenance and Presentational Swagger with us all. Dr. Valerie Daniels-Carter President and CEO V and J Holding Companies, INC

Unprepared To Die Paul Slade, 2015-11-01 The Gory Stories Behind The Murder Ballads Cheerfully vulgar, revelling in gore, and always with an eye on the main chance, murder ballads are tabloid newspapers set to music, carrying word of the latest 'orrible murders to an insatiable public. Victims are bludgeoned, stabbed or shot in every verse and killers often hanged, but the songs themselves never die. Instead, they mutate - morphing to suit local place names as they criss cross the Atlantic and continue to fascinate each generation's biggest musical stars. Paul Slade traces this fascinating genre's history through eight of its greatest songs. Stagger Lee's "biographers" alone include Duke Ellington, James Brown, Bob Dylan, Dr John, The Clash and Nick Cave. No two tell his story in quite the same way. Covering eight classic murder ballads, including "Knoxville Girl", "Tom Dooley" and "Frankie & Johnny", Slade investigates the real-life murder which inspired each song and traces its musical development down the decades. Billy Bragg, The Bad Seeds' Mick Harvey, Laura Cantrell, Rennie Sparks of The Handsome Family and a host of other leading musicians add their own insights.

Traffic Secrets Russell Brunson,2023-07-25 Master the evergreen traffic strategies to fill your website and funnels with your dream customers in this timeless book from the \$100M entrepreneur and co-founder of the software company ClickFunnels. The biggest problem that most entrepreneurs have isn't creating an amazing product or service; it's getting their future customers to discover that they even exist. Every year, tens of thousands of businesses start and fail because the entrepreneurs don't understand this one essential skill: the art and science of getting traffic (or people) to find you. And that is a tragedy. *Traffic Secrets* was written to help you get your message out to the world about your products and services. I strongly believe that entrepreneurs are the only people on earth who can actually change the world. It won't happen in government, and I don't think it will

happen in schools. It'll happen because of entrepreneurs like you, who are crazy enough to build products and services that will actually change the world. It'll happen because we are crazy enough to risk everything to try and make that dream become a reality. To all the entrepreneurs who fail in their first year of business, what a tragedy it is when the one thing they risked everything for never fully gets to see the light of day. Waiting for people to come to you is not a strategy. Understanding exactly WHO your dream customer is, discovering where they're congregating, and throwing out the hooks that will grab their attention to pull them into your funnels (where you can tell them a story and make them an offer) is the strategy. That's the big secret. Traffic is just people. This book will help you find YOUR people, so you can focus on changing their world with the products and services that you sell.

How to Build A Million-Dollar Company From Your Own Home in Just 90 Days ...Really?!? Dr. Robert C. Worstell, 2014-05-31 To begin with, I was caught by surprise. I was doing my usual, which was working at the daily grind of my slow, but steady home business (of publishing books) when I got this email about a new release coming out. But it said nothing more than Dillard was releasing something new, and did I want to be part of it? I knew of Mike Dillard from his days in Magnetic Sponsoring. This is where he almost single-handedly revolutionized the Network Marketing industry - simply by introducing them to Attraction Marketing, and the Self-Liquidating Offer (Funded Proposal) After that, he'd gone on to build something called the Elevation Group which I hadn't paid much attention to, since it was beyond my price range. Then I got another email saying how to login to the affiliate members area - and once I got in, I started reviewing his descriptions about what was being offered... The reason I'm finally publishing this - is so you can learn from someone who's been there, drunk the Kool-Aid, and survived.

Ask Ryan Levesque, 2019-07-02 The go-to guide for small-business owners and entrepreneurs to discover exactly what consumers want to buy and how to get it to them. As a small-business owner, entrepreneur, or marketer, are you absolutely certain that you know what your customer wants? And even if you know what your customer wants, are you sure that you are able to clearly communicate that you offer the exact thing that they are seeking? In this best-selling book, Ryan Levesque lays out his proven, repeatable, yet slightly counterintuitive, methodology for understanding the core wants and motivations of your customer. Levesque's Ask Method provides a way to discover what customers want to buy by guiding them through a series of questions and customizing a solution from them so they are more likely to purchase from you. And all through a completely automated process that does not require one-on-one conversations with every single customer. The Ask method has generated over \$100 million in online sales across 23 different industries and counting. Now it is your turn to use it to create a funnel, skyrocket your online income, and create a mass of dedicated fans for you and your company in the process.
