**Reinstalling Windows XP Step-By-Step** Dustin Wright,2006-11-01 Is your computer slow? Is it buggy? Would you like it to run like it did when it was new, or better? Then Reinstalling Windows XP Step-by-Step is your solution! There's no need to pay the high price computer service businesses charge to reinstall Windows XP for you or lose control of your data by turning it over to strangers. You will be guided with pictures and text through each step of the process of backing up your data and drivers, reinstalling/updating Windows XP, and restoring backed up data and drivers. This is done without technical jargon, and it's easy to read and follow. Also included is a checklist that may be photocopied and checked off as you complete each step of the installation process. Restore your computer to new or better condition today and save!
