Dare You to Hate Me B. Celeste,2023-04 From the fan-favorite author of Underneath the Sycamore Tree comes the first in a raw, real romance series following the lives of the Lindon U football players and the complicated girls who change their lives forever. When Ivy asked her best friend to run away with her at sixteen, she knew he'd say no. He had football, an amazing family, and a happy home to go back to every day. So the night Ivy snuck out of his bedroom window after hugging him goodbye, she accepted she'd probably never see him again. Then they both wound up at Lindon University four years later. Ivy is barely picking up the pieces of her life when the boy whose initials she used to doodle hearts around approaches her at work. Aiden Griffith. Lindon U's star tight end. Still as attractive. Still as dedicated. With rumors of him being drafted to the NFL coming to fruition, Ivy knows it's only a matter of time before they have to say goodbye again. But he can't seem to let her go, no matter what she says, and she doesn't think she wants him to.

The Truth about Heartbreak B. Celeste,2019-04-14 I fell in love with him when I was thirteen years old.He was older, mysterious, and unattainable. The guy I could never touch.Then one night changed everything for us. But there was one huge problem.He belonged to her.

90 Two (HB) Dastan Khalili,2022-02-23 90 Two (HB) By: Dastan Khalili DiaVerse, dia meaning “two” and verse for the poetic rhyme, is a brand-new style of poetry where the only rule is all stanzas must have a maximum of two words. Created by poet Dastan Khalili, the style of DiaVerse breathes new life into poetry. The restraint of DiaVerse forces poets to use the purest forms of expression. 90 Two is ninety of Khalili’s DiaVerse poems, written over the last five years. He combines his poetic verses with digital artwork and imagery, each conveying a sensation of inspiration that came to life with each poem.

Tell Me Why It's Wrong B Celeste,2021-05-24 I was twenty-one when I first met the sarcastic Australian rock star that took the world by storm with his witty charm. Twenty-two when I wrote a viral tabloid article on his bandmate to pay for the medicine that I needed for life. Twenty-three when I realized my dream job in California was destroying every moral I was raised to believe in. Twenty-four when I accepted that I might have to give up my west coast dreams to return home and admit defeat. And twenty-five when the lead singer of Violet Wonders comes crashing back into my life with an offer I'd be stupid to refuse. When he asks me to marry him, I think it's a cruel joke to get back at me for everything I put his band through. But a signed marriage certificate gets us both benefits. He gets the press off his back, and I get health insurance and a place to stay. But the world doesn't know the real Garrick Matthews like I do, and it's impossible not to fall for the man behind the charade. We agree to stay together for two years before going our separate ways and never looking back. Unfortunately for me, it only takes months before I realize I love the man who will undoubtedly break my heart when all is said and done.

Tell Me When It's Over B Celeste,2020-10-30 I was twelve years old when I met one of the world's hottest celebrities. Thirteen when I was welcomed into his family.Fourteen when I realized what his unconditional love felt like. Fifteen when he helped me figure out what hope was. And sixteen when my mother's biggest lie changed our lives forever. I swore I would never be like the woman whose chronic lies impacted everybody around her, but then I'd be a hypocrite. Because three years after the truth came out, and I reunited with the boy whose innocent love had been taken from me, I realized I was living the biggest lie of all. The one where I pretended I wasn't in love with Kyler Bishop.

Beg You to Trust Me B. Celeste,2023-04 From the fan-favorite author of Underneath the Sycamore Tree comes the next installment in a raw, real romance series following the lives of the Lindon U football players and the complicated girls who change their lives forever. When Skylar Allen decided to move across the country for college, she thought it'd be the perfect chance to reinvent herself. But then one party changed the course of her entire freshman year. Just when she thinks she's about to drown in the foggy memories of her night spent partying at the football house, Daniel Bridges walks into her life. Lindon University's wide receiver. A total flirt. And a total threat. Because he can help her take away the memories she does remember from that night. What Skylar doesn't anticipate is the friendship she forms with the witty football player as months go on. And how easy it is to fall for him as he teaches her how to trust again...and so much more.

Make You Miss Me B Celeste,2021-08-29 Stevie Foster thought her happy ever after would come easily after saying I do to her high school sweetheart at nineteen. But twelve years later, she finds herself divorced, settling into a new home, in a new town, with a new job as an elementary teacher trying to pick up the pieces as she goes. On top of struggling to cope with the future she always wanted versus the one she's been dealt, she soon realizes that her new neighbor is a strict, stone-faced man she's all too familiar with. Lieutenant Colonel Fletcher Miller. The man once in charge of her ex-husband's unit. And as if the reminder across the street of what she lost wasn't painful enough, she also becomes his young son's teacher. A single dad. A divorcee. A second chance at love neither knew they'd get.

The Truth about Tomorrow B Celeste,2019-07-15 Age is just a number.Just like he's just a boy and I'm just a girl. Except that's not true, is it?Because fifteen may be a number, but it's bigger than that. Bigger than us.It's a number that separates us.An excuse that keeps us apart. But I'm not willing to give in until I get what I want.After all, how many other girls can bring a grown man to his knees with one little smile?
