⬚ Treehugging 2.0: Powerful Niche Media in the Battle for a Better Future? Karin Dalhues,2014-02-01 The internet has become a powerful tool to mobilize audiences and spread information quickly. This book looks at environmental blogs in Germany and the UK, and compares their approaches to make their message heard. In particular, the study compares structural features of the blogs such as the length of entries or the number of comments that the blog posts earn but, it also looks at the bigger picture: how significant is the environmental blogosphere for the media landscape? Are these blogs able to motivate their readers to take action? This book attempts to explain the similarities and differences between UK and German green bloggers that are rooted in the particular development of the environmental movement, and formed by culture. Due to the fast pace that the internet develops at, this book must be regarded as a snapshot of the blogosphere in the year of 2011 which enables the reader to draw conclusions on the further development that the internet has taken up to the present moment.

🔲 Anaphora Processing and Applications Lalitha Devi Sobha,Ant🔲 nio Branco,Ruslan Mitkov,2009-10-26 Distribution of anaphora in natural language and the complexity of its resolution have resulted in a wide range of disciplines focusing their research on this grammatical phenomenon. It has emerged as one of the most productive topics of multi- and int- disciplinary research such as cognitive science, artificial intelligence and human language technology, theoretical, cognitive, corpus and computational linguistics, philosophy of language, psycholinguistics and cognitive psychology. Anaphora plays a major role in understanding a language and also accounts for the cohesion of a text. Correct interpretation of anaphora is necessary in all high-level natural language pr- essing applications. Given the growing importance of the study of anaphora in the last few decades, it has emerged as the frontier area of research. This is evident from the high-quality th submissions received for the 7 DAARC from where the 10 excellent reports on - search findings are selected for this volume. These are the regular papers that were presented at DAARC.

🔲 Publishing a Blog with Blogger Elizabeth Castro,2010-04-09 If you want to start blogging fast but don't want to get sidetracked by the details, then you need a Visual QuickProject Guide! You don't need to know every feature—-you just want to know how to get your project done. Full-color illustrations show you how to perform each step of your project from start to finish. Low-priced—why pay more than you need? In Publishing a Blog with Blogger: Visual QuickProject Guide, best-selling author, Elizabeth Castro, shows users how to get started in the wonderful world of blogging. This book features large color illustrations and a minimum of verbiage to show brand-new Blogger users each step of the blogging process. Castro first acquaints readers with the interface and standard options, then walks them through blog setup, creating their profile, posting email, adding pictures and audio. She also covers adding widgets to a blog; tools for tracking Web traffic and following subscriber traffic; using color and customizing layouts; understanding template tags and using tags to categorize content; combating spam; understanding balance and deciding how many blog posts to have on the homepage; privacy issues; posting photos; blogging mobile; and more. This is ideal entry point to the blogosphere for anyone who wants to get started fast, but doesn't need to know every feature—just how to get the project done!

🔲 Strategies and Tools for Corporate Blogging John Cass,2007-06-07 If advertising and public relations were the best ways to connect with a company's audience through traditional media, and blogs are the best way to connect with millions of customers through the medium of online consumer generated media, then

how can companies best use blogs to connect with their audience through the medium of consumer-generated media? The answer is through blogger relations, the process of interacting with bloggers and blog readers to get a company's message to an audience. This book targets business people, marketing professionals, public relations firms, search engine optimization and online marketing agency staff with a primer on the importance of corporate blogging and how to conduct a successful blogger relations ongoing campaign.
