Photo Organizing Made Easy Cathi Nelson,2021-09-15 Our photos. They are the keepers of our most precious memories and the tellers of our most cherished stories. But in the digital age, and when free time is nonexistent, organizing your photos - the thousands stored in shoeboxes under your bed, in fading photo albums, and on your phone - is a daunting task! In *Photo Organizing Made Easy: Going from Overwhelmed to Overjoyed*, professional photo organizers share their eight, doable steps to help you organize, maintain, and most importantly, enjoy your photos. You'll learn how to tackle the challenges of time and technology, have access to trusted resources when you need a helping hand, and benefit from expert advice. We are a people of stories. Taking the time to organize your photos is a priceless investment and a gift your loved ones will treasure for generations to come.

What's a Picture Worth? James A. White,2015-02-09 How many digital photos do you have jumbled on your computer? A picture is worth a thousand words, but if you're not managing your photos, they're just wasting space on your computer hard drive. Or worse yet, you risk losing those priceless photos forever. *What's a Picture Worth?* is a user-friendly guide to help walk you through how to organize, rename, and tag your photos so you can find any photo in mere seconds. You'll learn to leverage free software to fix a so-so photo and turn it into one that really pops. The author will show you the best method to back up your photos and how to share and collaborate on those memories so they're not gathering dust in your computer. Plus, you'll gain useful tips on taking better pictures and scanning old photos. With over 15 years in the computer industry, Jim White knows the important balance of taking something technical and making it less complicated for the everyday computer user. He loves to learn the intricacies of how things work and then find ways to make them easier for everyone to understand. With thousands of his own photos, Jim has perfected ways to organize, fix, and share his photos and now wants to pass that knowledge onto you!

Take Control of Your Digital Photos Jeff Carlson, 2018 Build a stress-free workflow to import, tag, rate, and organize your digital photos! Are you drowning in a sea of digital photos? Unable to find the shots you're looking for, or to stay on top of managing all the photos you're taking? Digital photography expert Jeff Carlson gives you a plan for tackling this problem, starting with preparing your camera ahead of time, then choosing the right app to manage your photos, judging and organizing your photos, and backing up your photos for safekeeping. In this book--an expanded and updated version of *Take Control of Your Digital Photos on a Mac*--Jeff extends his advice to cover both Mac and Windows users, and to address a broader range of photo management apps: Photos from Apple, Lightroom Classic CC, Lightroom CC, Photoshop Elements, and Mylio . With this book, you'll learn how to: Get started with the minimum amount of work: Take advantage of software intelligence to do some of the categorizing work for you, and find out how you can accomplish some tasks even if you have little time. Prep your camera: Learn four actions you can take before you head out the door that will make things easier after you return with new pictures. Get your app together: Decide which app you'll use to organize your digital photos, compare popular choices and find out Jeff's recommended application. Import the right way: Learn how to assign valuable metadata to all images that come in during the import stage. Pick winners and losers: Assign ratings to your photos, and remove or hide unwanted photos. Apply keywords and metadata: Take a second pass on applying keywords to individual shots (after starting the process during import), learn how to apply geotags using GPS data from external devices (like an iPhone), and use facial recognition to collect shots of specific friends and family members. Search with smart albums: Build smart albums whose contents change depending on criteria you've specified, allowing you to

find photos more easily. While searching, learn how to remove duplicate photos. Go mobile: Find the right online service for making your photos available on mobile devices, based on your needs and which desktop photo management app you use. Protect your photos: Learn how to implement a backup strategy that will preserve all your data, not just your photos, and how to archive photos for the future. After 20 years of struggling to stay on top of family photos I now have an effective workflow, tagging strategy, and s ...

Family Treasures Photo Album Speedy Publishing Llc,2014-02 The Benefits of a Family Photo Album Family Photo Albums Aren't Going Anywhere. Family photo albums are a great way to share memories with others. One of the biggest benefits about using photo albums is that they do not require any batteries or electricity to be used. Photo albums are easy to carry around for other people to view. They're not as popular as they used to be in the past, but family photo albums do bring a certain historic appeal and character to the setting they're located in. Photos can be exchanged and rearranged without the need of connecting a computer or device in order to transfer images. Family photo albums can be handed down from one generation to the next, allowing children and grandchildren to see what things looked like in the old days.
