Whether your focus is on web copy, email campaigns, social media, or any of the other latest and greatest opportunities for lead generation through digital marketing communication, these tips will help you pack a fast, powerful, sales-generating punch.

   Germania Brendan McNally,2009-02-10 In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations

4

as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written and darkly funny, Germania is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

   The 4-hour Workweek Timothy Ferriss,2011 How to reconstruct your life? Whether your dream is experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book teaches you how to double your income, and how to outsource your life to overseas virtual assistants for $5 per hour and do whatever you want.

   The Power of a System John Fisher,2014-01-06 What if you had total control overyour hours and weekends? What if you didn't have toanswer to anyone? What if you took control over your future? When you work for someone else, you don't control your future. Your boss decides how much money you make and how many hours you work. For many, the law is just a job that

you do to make ends meet and pay the bills. It's time to change that It's not just about work and money. It's about loving what you do and looking forward to coming to work. It's about spending time with your family and living a fun life. It's time you make the rules For the first time, you have in your hands the technical, managerial and entrepreneurial secrets to running a multi-million dollar law firm. Tried and true methods for managing and growing the injury law firm of your dreams is now in your hands--precise methods that, when applied, will slowly but surely grow your law firm into an asset that serves your ideal lifestyle. Who said you have to be a slave to your law practice? IT'S TIME TO BREAK ALL OF THE RULES so you have the one thing that all lawyers should seek: autonomy to live life on your terms. THE POWER OF A SYSTEM Torts, contracts, constitutional law...you got your fill in law school of theoretical concepts that you need to pass the bar exam. But then a funny thing happened, you got out of law school, opened your new law firm and you realized something--no one ever taught you how to run your own law firm in law school. Suddenly, you're on your own with fancy new letterhead, a few clients and not much else. Your dusty law school books aren't much help. It's great to have your book smarts and fancy law degree but how do you pay the bills every Friday when your staff wants their paycheck? You pull your hair out wondering how you got yourself into this mess. This book was written for you. You are not alone. Yes, others have done the same thing before you and believe it or not, there are tried and proven recipes for success. Instead of fumbling around like the other lawyers in your town and just waiting for your phone to ring with your next case, you study the recipe and principles for a big-time injury law firm and little by little you begin implementing systems into your new law firm. You have in your hands tried and proven systems for the injury law firm of your dreams. It's not just the technical aspects of running your own law firm, but the managerial and entrepreneurial principles that you must have to

keep a constant stream of new cases and clients coming down the pipe. And no, these are not law school theoretical concepts but the technical, managerial and entrepreneurial how to steps that have been tried and tested over years of trial and error. You won't find a book like this in your law school library...or anywhere else. Law school's out--no more time for theoretical concepts--it's time to get bills paid, move cases to trial, start making money and begin living life on your terms. All royalties from the sale of this book are donated to Doc to Dock, Inc., an amazing nonprofit organization based in New York that collects unused and unwanted medical supplies from around the country and ships them to hospitals and clinics in impoverished Third World nations in Africa and Haiti. Every day tons of unused medical supplies and equipment are incinerated or tossed into landfills in the U.S. Rather than letting the unused medical supplies go to waste, Doc to Dock, Inc. collects the donated medical supplies consisting of basic medical devices such as catheters and ultrasound machines, and transports them to developing countries where they are needed the most. Doc to Dock, Inc. has provided shipments to 18 different countries in the poorest regions of sub-Saharan Africa and has made a huge difference in preventing very curable and basic illnesses that are often life-threatening in Africa due to their lack of medical supplies.
