Furthermore I can show you how if you don't have any cash, credit, credibility or experience to put you into such an opportunity of making this kind of money. No headaches of applying for loans, writing up business plans, or worrying about your credit score. With my system you can buy and sell as many houses as often as you want. That could be one a month or one-hundred, what you make per transaction depends on what sort of deals you harvest you could net \$5,000 or \$50,000 the sky is the limit with my system and the beauty is the more you get into it the less you have to work on it.

Sum David Eagleman, 2009-02-10 At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people's dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a

probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.
