**Multiple Streams of Income** Robert G. Allen,2011-01-19 In Multiple Streams of Income, bestselling author Robert Allen presents ten revolutionary new methods for generating over \$100,000 a year—on a part-time basis, working from your home, using little or none of your own money. For this book, Allen researched hundreds of income-producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique.

**Web Copy That Sells** Maria Veloso,2013-02-15 Just as technology is constantly evolving, author Maria Veloso approaches marketing communication from a posture of newer, faster, and more effective techniques. Veloso provides both timeless and cutting-edge methods to help content marketers achieve phenomenal success. With the rise of social networks, “Twitterized” attention spans, and new forms of video content, marketers’ online sales techniques need an upgrade. In *Web Copy That Sells*, you’ll gain tips for: crafting attention-grabbing, clickable, and actionable content; learn how to streamline key messages down to irresistible “cyber bites” for highly targeted Facebook ads and interactive web banners; discover the latest psychological tactics that compel customers to buy; and learn how to write video scripts that sell. Whether your focus is on web copy, email campaigns, social media, or any of the other latest and greatest opportunities for lead generation through digital marketing communication, these tips will help you pack a fast, powerful, sales-generating punch.

**Guerrilla Publishing** Derek Murphy,2017-01-24 TRAIN THE INTERNET TO SELL BOOKS FOR YOU Book marketing doesn't need to be an exhausting hamster wheel of promotion and publicity. Put your book sales on autopilot... so you can focus on writing your next bestseller. FAST AND EFFECTIVE BOOK MARKETING This book is a crash course on some of the more creative book marketing strategies I've discovered in my first year of publishing fiction. It will provide simple, actionable, measurable steps to publishing a high quality book quickly, doing only as much marketing as is necessary to launch your book like a rock star, and keep it selling enough to support you while you write another. I only mention the things I actually use, that I know work, and ignore options that don't get results. We'll discuss paid advertising, release strategies, pricing and pre-orders, book giveaways, how to target your audience, viral exposure and press coverage, marketing hacks, and how to reach your first \$1000 on Kindle. LAUNCH BIG EVEN IF YOU'RE STARTING SMALL Guerrilla is a style of warfare intended to surprise and harass enemies. It can also mean using unconventional and usually inexpensive means to generate interest or raise concern among the public. That's basically how I'll use it: book marketing strategies from the trenches to help you win the publishing war. However, instead of surprise and harass I will focus on surprise and delight. First you need to show up and get in front of the right people. Then you need to surprise and delight them. You need to be remarkable enough to be noticed. Few authors are using these strategies (yet) so it's relatively easy to outrank your competition, get more visibility and reach new readers.

**The Direct Mail Solution** Craig Simpson,Dan Kennedy,2014-01-28 Fact: More commerce and wealth is created by direct mail than by any other media (true before the internet and true now) Reported in 2013 as the marketing channel that delivers the best ROI for customer acquisition and retention by Target Marketing’s Seventh Annual Media Usage Forecast survey of B2C, direct mail is surprisingly outdated and under-represented on the marketing bookshelves for small business owners — authors Simpson and Kennedy change that. Millionaire-maker Dan S. Kennedy and direct mail marketing specialist Craig Simpson urge small business owners to drive the momentum built via social media and other marketing avenues into the mailboxes of their target consumers. Unlike other

direct mail marketing books on the shelf that specialize in one aspect of preparing a campaign such as copywriting or design, this comprehensive solution covers all — the organizational, technical, and creative including designing, budgeting, tracking, and assessing effectiveness. Also covered is how direct mail can be used in today's online marketing funnels. Benefiting from the authors' combined 30 years in direct marketing, business owners are given the guidelines for what works and what doesn't, illustrated by real-life business campaigns that show step-by-step how to build a results-producing promotional campaign.

**Sum** David Eagleman,2009-02-10 At once funny, wistful and unsettling, *Sum* is a dazzling exploration of unexpected afterlives—each presented as a vignette that offers a stunning lens through which to see ourselves in the here and now. In one afterlife, you may find that God is the size of a microbe and unaware of your existence. In another version, you work as a background character in other people's dreams. Or you may find that God is a married couple, or that the universe is running backward, or that you are forced to live out your afterlife with annoying versions of who you could have been. With a probing imagination and deep understanding of the human condition, acclaimed neuroscientist David Eagleman offers wonderfully imagined tales that shine a brilliant light on the here and now.

**Build Your Dream Network** J. Kelly Hoey,2017-01-03 Cut through the networking noise and start building the powerful, real relationships needed to succeed in our digital world If you think of networking as schmoozing at boring cocktail parties or scrolling through LinkedIn for new contacts to add, think again. In the social media age, you need a modern roadmap for creating and cultivating meaningful connections to stand out from the crowd and achieve any of your goals, no matter how big or small. In *Build Your Dream Network*, acclaimed business columnist and networking expert J. Kelly Hoey offers a fresh new approach to mastering this timeworn skill in a world where everyone is posting, liking, and friending fast and furiously, but many are failing to leverage their connections successfully. Hoey presents innovative strategies for forming strong relationships—the genuine, mutually beneficial, long-lasting kind—using all of the social tools at your disposal. She also reveals creative and surprisingly simple ways to harness the power of your network to accomplish any ambition, from landing your dream job or a coveted account or client to successfully crowdfunding a new business venture. *Build Your Dream Network* will help you: - Determine the most effective ways to connect with others so you don't clutter your calendar with dead-end coffee dates and informational interviews - Synchronize IRL networking efforts with your digital outreach - Turn "closed door" conversations into strong personal relationships and business opportunities - Eliminate FOMO by keeping your networking efforts focused Packed with infographics, flowcharts, and encouraging advice, *Build Your Dream Network* shows how small adjustments in your daily routine, generosity, and goal-focused efforts are all it takes to set you apart and ignite the powerful connections that will lead to major opportunities for success.

**Email Persuasion** Ian Brodie,2013-11-13 A results getting tour de force. This is simply the best book on email marketing I have ever read. Howard Lothrop *Email Persuasion: The Step-By-Step Guide to Attracting More Clients and Winning More Sales With Email Marketing* Business fads come and go, but Email Marketing has consistently outperformed all other marketing strategies. In *Email Persuasion*, marketing expert Ian Brodie reveals the techniques that are working right now to allow professionals and small businesses to connect with potential clients, build trust-based relationships and generate more sales through email. Inside the book you'll discover: The Customer Insight Mapping technique for building deep understanding of what your clients need and what will motivate them to buy from you. 6 surefire subject line models that will get your emails opened and read. The optimal formula for getting the right people to subscribe to your emails (and how to accelerate the growth of your subscriber list). How to engage AND persuade with your emails so that you build a loyal 'fan base' ready to buy from you. The advanced techniques for turning email subscribers into paying clients (and why accepted wisdom on selling in emails is almost all wrong). We've seen a threefold increase in leads and we've won several new clients. Adrian Willmott *Email Persuasion* lays out a clear

blueprint for building an engaged subscriber base, building credibility and trust through your emails and converting your subscribers into paying clients. No jargon. No fluff. **Outrank Your Competition** Marc Menninger, 2011-06-01 Menninger, an online marketing expert, reveals his top 50 insider tips that will help the reader outrank his or her competition. The quick, actionable tips will address everything needed for an online marketing strategy.

Traffic Secrets Russell Brunson, 2023-07-25 Master the evergreen traffic strategies to fill your website and funnels with your dream customers in this timeless book from the \$100M entrepreneur and co-founder of the software company ClickFunnels. The biggest problem that most entrepreneurs have isn't creating an amazing product or service; it's getting their future customers to discover that they even exist. Every year, tens of thousands of businesses start and fail because the entrepreneurs don't understand this one essential skill: the art and science of getting traffic (or people) to find you. And that is a tragedy. Traffic Secrets was written to help you get your message out to the world about your products and services. I strongly believe that entrepreneurs are the only people on earth who can actually change the world. It won't happen in government, and I don't think it will happen in schools. It'll happen because of entrepreneurs like you, who are crazy enough to build products and services that will actually change the world. It'll happen because we are crazy enough to risk everything to try and make that dream become a reality. To all the entrepreneurs who fail in their first year of business, what a tragedy it is when the one thing they risked everything for never fully gets to see the light of day. Waiting for people to come to you is not a strategy. Understanding exactly WHO your dream customer is, discovering where they're congregating, and throwing out the hooks that will grab their attention to pull them into your funnels (where you can tell them a story and make them an offer) is the strategy. That's the big secret. Traffic is just people. This book will help you find YOUR people, so you can focus on changing their world with the products and services that you sell.

**Hyperfocus** Chris Bailey, 2018-08-28 A practical guide to managing your attention--the most powerful resource you have to get stuff done, become more creative, and live a meaningful life Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. Hyperfocus provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode (scatterfocus), which enables us to connect ideas in

novel ways. Hyperfocus helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as: • identifying and dealing with the four key types of distraction and interruption; • establishing a clear physical and mental environment in which to work; • controlling motivation and working fewer hours to become more productive; • taking time-outs with intention; • multitasking strategically; and • learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, Hyperfocus reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.
