The Routledge Handbook of the Politics of Migration in

Europe Agnieszka Weinar, Saskia Bonjour, Lyubov

Zhyznomirska, 2018-07-06 The Routledge Handbook of the

Politics of Migration in Europe provides a rigorous and critical examination of what is exceptional about the European politics of migration and the study of it. Crucially, this book goes beyond the study of the politics of migration in the handful of Western European countries to showcase a European approach to the study of migration politics, inclusive of tendencies in all geographical parts of Europe (including Eastern Europe, the Western Balkans, Turkey) and of influences of the European Union (EU) on countries in Europe and beyond. Each expert chapter reviews the state of the art field of studies on a given topic or question in

Europe as a continent while highlighting any dimensions in scholarly debates that are uniquely European. Thematically organised, it permits analytically fruitful comparisons across various geographical entities within Europe and broadens the focus on European immigration politics and policies beyond the traditional limitations of Western European, immigrant-receiving societies. The Routledge Handbook of the Politics of Migration in Europe will be essential reading and an authoritative reference for scholars, students, researchers and practitioners involved in, and actively concerned about, research on migration, and European and EU Politics.

*Integration of Immigrants and the Theory of Recognition*

Gulay Ugur Goksel, 2017-10-24 This book approaches the issue of immigrant integration as a democratic justice problem. Based on Honneth's recognition theory, it introduces the concept of 'Just Integration', which challenges the capacity of the actual recognition order of the host society to include its immigrants as full members. The study criticizes the current political obsession to restore the social cohesion of the host society in the face of immigration. It argues that this perception inhibits host societies from recognizing their immigrants as individuals who have authentic skills, qualifications and identities in addition to their ethnic, cultural and religious attachments. The author applies the concept of 'Just Integration' to the real pathologies that immigrants/refugees suffer in Canada and Turkey, providing guidelines for progress towards better integration of immigrants within host societies and institutions.

*Inequality and Organizational Practice*

Stefanos Nachmias, Valerie Caven, 2019-03-28 Bringing together international authors, this edited collection addresses the need for greater inclusivity within organizational policy and

practice, in order to tackle both visible and invisible inequalities amongst employees. Volume II reflects the shift in thinking around organizations' responsibility to recognize and value diversity and equality, and examines the wider implications for employment relations and working conditions. Providing strategic insight into diversity management, the authors aim to advance our understanding of informal discrimination in the workplace, offering practical suggestions for better leadership and allocation of resources. A useful guide for practitioners, policy-makers and scholars of HRM and organization, this book presents solutions to inequality issues in the workplace, with the goal to building stronger employment relations.

**Syrian Female Refugees in Turkey** Onur

Yamaner, 2021-03-08 Migration hat sich in den letzten Jahren zu einem der meistdiskutierten Phänomene entwickelt, sowohl innerhalb als auch außerhalb der akademischen Welt. Dieses Buch untersucht, wie syrische Flüchtlingsfrauen sozial, wirtschaftlich, kulturell, ethnisch und sexuell marginalisiert werden. Die Autorin analysiert, wie sich die in der türkischen Aufnahmegesellschaft produzierten Diskurse auf syrische Flüchtlingsfrauen und einheimische Frauen auswirken. Was denken diese Frauen über die aktuellen Ereignisse, ihren Status und die Schritte, die die syrische Regierung und auch NGOs bisher unternommen haben, um Lösungen für die Unsichtbarmachung von Frauen im öffentlichen Raum zu finden?
